WELCOME

CLASS OF 2023

Welcome to The University of North Carolina at Pembroke!

Your first step toward becoming part of #BraveNation begins this summer with New Student Orientation (NSO). We encourage you to register for NSO today to secure your spot in the Class of 2023.

Upon your registration for New Student Orientation, you will get pre-registered for the courses most critical to your major. Students who register for orientation on or before May 1, 2019 will receive priority in pre-registration, regardless of your session date. Classes fill fast, so be sure you register as soon as possible!

REGISTERING FOR ORIENTATION

Registration will open on Wednesday, February 13, 2019. Our orientation sessions fill up quickly. Please sign up as soon as possible so that you can get the session you prefer.

GETTING STARTED

Please note: All reservations are made under the student's name and student ID Banner number. Prior to registering it is very important to check your dates! Many students register for orientation without considering important dates like graduation rehearsals and vacations.

All newly admitted freshmen pay a required non-refundable $150 New Student Orientation fee that also serves as your enrollment deposit. This fee holds your spot in the class of 2023 at UNCP. Freshmen admitted for the summer/fall 2019 semester(s) should register and pay their New Student Orientation fee by May 1, 2019. Students admitted after May 1, 2019 should register and pay their New Student Orientation fee within two weeks of acceptance.

Web reservations are the most expedient way to make your reservation. Online reservations are processed immediately and you will receive an email confirmation at the time you make the reservation. Your required non-refundable $150 New Student Orientation fee can be paid once you register for your orientation session by using your MasterCard or VISA. Once this fee is paid you have declared your intent to attend UNC Pembroke. If you are unable to pay the required non-refundable $150 New Student Orientation fee at the time of your reservation, there is an option to defer your payment to your fall tuition bill on the payment page for orientation. Reservations for family members are made at the same time as the student.

HOUSING REQUIREMENT

The university embraces the on-campus residential philosophy by requiring first-year freshmen to reside on campus for their initial academic year. The university understands there are some extenuating situations that may prevent a freshman from residing on campus. To review the criteria relative to a waiver request from this requirement, visit uncp.edu/resources/forms.

Please review the Student Code of Conduct prior to attending your orientation session, as you will be held accountable for any violations.

Complete Mandatory Medical Information

Student Health Services requires three (3) steps for compliance with part of your University Requirements.
Step 1: Health Form
Step 2: Immunizations
Step 3: Insurance Waiver or Enrollment

Step 1 and Step 2:
Please submit online your immunizations and health form prior to Orientation. All these documents must be completed online at our Student Health Patient Portal. The link is below https://uncp.medicatconnect.com.

North Carolina law requires all students enrolling in five (5) or more semester hours to submit a copy of their immunization records to their respective institutions.

Step 3:
Be Advised: Registered students taking six (6) or more credit hours are required to purchase the Student Health Insurance Plan. Waiver deadlines vary each semester. If you do not complete the waiver procedure, you will be enrolled in the student insurance and be required to pay the premium associated with the insurance policy.

Exceptions:

- Distance education students (students taking off campus and Internet only courses)
- Students who submit evidence of equivalent coverage satisfactory to the policyholder

Visit *uncp.edu/insurancewaiver* to waive out of the university sponsored plan.
