

UNIVERSITY *of* NORTH CAROLINA PEMBROKE

Exchange Student Admissions Packet Check List

The Office of Global Engagement (OGE) will collect all exchange student application materials from partner institutions and provide them to the appropriate Admissions office. The Admissions office will review the materials and admit the student. The Admissions office will provide the acceptance packet to OGE. OGE will generate the immigration document, if needed. All students should be coded as “Out of State” for Tuition and Fee Purposes (though they may pay neither, depending on the agreement).
