Appendix C

In January 2015, as additional Senators expressed concern that moving the Fall Midterm grade deadline to October 19 would push the withdrawal deadline into preregistration week, thus creating chaos in the Registrar's Office, and realizing that all relevant deadlines imposed by bodies outside of our campus had not been reviewed, Academic Affairs Committee created an *ad hoc* committee (Jonathan Masionpierre, Jaime Martinez, and David Nikkel) to make a revised recommendation. The *ad hoc* committee recommended not tying midterm grade deadlines to fall or spring break because those breaks do not happen at a consistent point in the semester. (They will start anywhere between the 45% and the 55% point, depending on the calendar and how weeks fall.) The *ad hoc* committee also had to thread a narrow space between General Administration, federal financial aid, and UNCP policies.
