
SUBRECIPIENT COMMITMENT AND DATA FORM

This form both collects data needed from a subrecipient and functions as a Letter of Intent/Commitment. As such, it is the basis for any subaward or collaboration agreement with another institution (or other sub-awardee/contractor) and is typically prepared by the collaborating organization's grants or contracts office. It must be signed by the collaborating organization's authorized representative and returned to the [Office of Sponsored Research and Programs \(OSRP\)](#) here at UNCP. The form is the basis of agreement which signals that, in the event of funding, the collaborating entity will cooperate with UNCP as outlined.

The form is required prior to the submission of the grant (by UNCP's OSRP) to the funding agency. The OSRP can assist PI/PDs with securing the appropriate documentation from the proposed collaborating institution (or other sub-awardee).
