The Department of Music is an accredited institutional member of the National Association of Schools of Music. The mission of the Department of Music is to offer all students who have demonstrated interest and ability in music the opportunity to continue further study either for a profession or an avocation, and to educate students in such a way that they understand and appreciate music not only as an art form with a rich historical and cultural heritage, but as an ongoing, contemporary endeavor that incorporates traditional and technological advancements through individual and group participation.

The goals of the Department of Music are: 1) to provide comprehensive musical training for teachers of vocal and instrumental music; 2) to prepare a student for a career as a teacher in elementary or secondary schools through an understanding and application of the National Standards in Music; 3) to promote musical literacy among all students; 4) to provide comprehensive musical training for students wishing to seek employment in the music business area; 5) to encourage professional awareness; 6) to provide outreach, support, and encouragement to area public school teachers and students in the form of workshops, festivals, and clinics; 7) to provide a well-rounded course of study for those students pursuing a professional career by continuing in graduate work; 8) to encourage a desire for continued learning in the field of music and the ability to form and defend evaluative judgments about music; 9) to provide experiences which the music student and the general university student will find rewarding in developing their cultural sensitivity; and 10) to provide public programs and concerts to enrich the cultural life of the university and community.

The music faculty of The University of North Carolina at Pembroke believe that true musicianship is the synthesis of knowledge acquired through active participation in the study, performance, and creation of music and through the discipline required to gain the physical, listening, and interpretive skills to master the instrument that has been chosen to be the vehicle for communication of the art.

Furthermore, the music faculty believes that this synthesis happens one step at a time, building on a firm foundation and rising to the highest goal attainable. It is nurtured with positive encouragement from mentors, peers, and oneself. The faculty strives to establish an atmosphere of support in which faculty and students work together to be the best that they can be.

Please note that all prospective music majors, lateral entry candidates, and students seeking an academic concentration in music must audition in order to gain acceptance into one of the music degree programs as well as gain approval of the specific performance (applied music) area.

Also please note that the department's ensemble offerings (see below - MUS 100/402, MUS 107/408; MUS 112/412, MUS 116/417, MUS 118/418, MUS 119/421, MUS 138/439; MUS 141/442; MUS 156/457; MUS 162/463; MUS 164/464, MUS 165/466; and MUS 173/474) are open to all students regardless of major. Proficiency Requirements

All music majors are evaluated at the conclusion of their third semester of Applied Music if they have successfully completed ENG 105, MUS 114, and MUSL 114, and one other three-credit-hour General Education course. Transfer students at or above this level will be evaluated at the conclusion of their first semester of study. The Evaluation Forum involves an assessment of both the student's performing ability and his/her overall academic accomplishments and professionalism. This process will determine whether or not the student will be allowed to enroll in upper level music courses. A

cumulative GPA of 2.5 is required for entrance into the Bachelor of Music in Music Education program, 2.0 for all other baccalaureate degrees.

All music majors are required to attend recitals, concerts, seminars, workshops, etc. Additional information concerning this requirement can be found in the *UNCP Department of Music Handbook*.

Graduating seniors (with the exception of Bachelor of Arts in Music majors) must present an individual or joint recital as a partial requirement for graduation. Approval of the recital must be given by the music faculty at least three weeks prior to presentation. Students who complete their applied music studies must continue to enroll in Applied Music until they have completed their senior recital requirements.
