## Electronic Resources:

### *ERIC*

Indexing and abstracts of scholarly journals covering the social sciences, humanities, education and more from 1966. It covers teaching methods and classroom strategies about implementing literature and reading in the classroom setting.

### *Novelist K-8*

A readers' advisory service designed specifically for children in grades K-8. Books are searchable by author, title, series name, Lexile level (reading level), and plot (including character, topic, time period, and setting) to retrieve descriptions, reviews, discussion guides, and feature articles related to books of interest. Readers may select from information provided to find similar books that appeal to them. Updated and expanded monthly, the service also includes lists of award-winning fiction, book lists arranged by genre and subgenre, feature articles, thematic units and more.
