Library Video Tour Exercise

Go to the following web page <http://www.uncp.edu/library/instructional/FRS/> before you begin this exercise. Here you will find a virtual video tour of the Mary Livermore Library. Notice on the right side of the page that there are six links beginning with Circulation Desk. Each of these links is a separate video about a certain part of the Library. Watch each video in order. You must have a version of the program *QuickTime* installed on your computer to watch the videos.

If you are unable to watch the videos on your personal computer, please borrow a friend's computer or come to the Library or one of the computer labs on campus to watch them.

As you watch each video, fill out the worksheet below by answering the following questions about different aspects of the Library:

1. What is required to check-out an item from the Library?

2. Where should students go to ask for assistance when conducting research?

3. What are the two different ways that students can print from library computers?

4. List a few different ways that students can contact a reference librarian.

5. What length of time can media items be checked out for?

6. How would a student search for items found in the Library?

Over→

7. True or false. Library items can be renewed online?

8. List some examples of different types of periodicals?

9. How can students make photocopies in the Library?

10. True or false. The Library is not wireless?
