MBA Program

Whether you have an undergraduate degree in business and want to advance your career or you have no undergraduate business experience and want to combine the superior managerial skills of an MBA with existing skills to improve your effectiveness or whether you want to embark on a new career, the MBA program at UNCP is right for you. The MBA program allows you to take classes full time or part time, while keeping your full time job.

With the economy squeezing paychecks and increasing unemployment, now is the perfect time to think about upgrading your skills with an MBA and UNCP would like to be your school of choice. According to several sources, this is the best time in nearly 20 years to get an MBA.

The UNCP Advantage:

- Small Classes – intense faculty student interaction
- Experienced Faculty – most with PhD's
- Flexibility – evening classes in 3 locations
- Pembroke
- Pinehurst
- Fayetteville
- Online courses & traditional classes
- Open to all graduates regardless of major
- Cross-functional areas of concentration
- Affordable tuition and financial aid
