3. Approval of Agenda
4. Old Business
 - Review of General Education Goals and Objectives
5. New Business
 - Approval of American Indian Studies course

New Course: AIS 100-01 Introduction to American Indian Studies

Proposal

An introductory course to American Indian Studies to be included in the general education program as a humanities elective.

Rationale for Proposal

Presently no such course is offered to introduce a student to the general study of American Indian history and culture. This course would provide an overview of the field and hopefully encourage students to take other American Indian Studies courses during their time at UNC-Pembroke.

Prerequisites: None

Credits: 3

Term: Fall
