Will interviews be virtual or in-person?	Currently UNCP intends to conduct interviews in person	
Can we submit a link via file share?	NA	
To avoid duplicative information (i.e. project team resumes, similar projects) in Tabs 3 and 4 and the SF-330, are you looking for firms to submit only the SF-330 Part II for Tab 6 or the entire form?	UNCP prefers that firm proposals not look like an SF330	
Do the cover and divider pages/tabs count towards the 30 page limit in Tabs 1-5?	A tab or divider with label only, will not count toward the total page count. If ink image etc. more than noted above on a page counts toward. Anything other than a page number or a tab number, will count towards your 30 pages.

Clarification Questions		Question		Response
		Interested in seeing more, healthcare project experience or higher ed? Or both?		It is up to each firm how they present themselves as best qualified for this project.
		Would being on a design team as a building envelope consultant preclude a firm from becoming the building envelope commissioning agent?		UNCP will not select a firm for third party testing if they are already on the selected design team.
