GENERAL SCHOLARSHIPS

Lewis M. And Louise P. Austin Endowed Memorial Scholarship

This scholarship is given in memory of the Donor's parents who valued a college education and who possessed uncompromising encouragement and support for not only their own children but others who were seeking an education. The Donor established this scholarship to give back or "pay

it back” to those who encouraged and supported him during his educational journey. The education he received at Pembroke State University, due to his parents’ determination, allows him today to give this scholarship in their memory.

He challenges the students who receive this scholarship to remember those people who were instrumental in their quest for an education and urges them to return the support and encouragement that helped them obtain their education at UNC Pembroke by supporting a student in the future as his parents did and as he does in their memory.

First choice for recipients of the Lewis M. and Louise P. Austin Endowed Memorial Scholarship will be residents of Marlboro County, South Carolina. There is no residency restriction, however, if no recipients can be identified from this area. There is no restriction of major, QPA, or year of study and the recipient may be of graduate or undergraduate status. The recipient shall be of demonstrated financial need and the award is renewable if funds are available.

Incoming freshmen as well as current students are eligible. The scholarship will be limited to North Carolina residents. There is no required major. Financial need will be considered. Preference for scholarship awards will be given to students who show evidence, either in the past or at the present time, of having demonstrated 1) a commitment to a strong work ethic through meaningful work experience in the public or private sector, and 2) a commitment to volunteerism through performing meaningful community service without compensation.

Steven A. Hunt Memorial Scholarship* (Not to be awarded until fully endowed)

The Donor's intent is to establish this scholarship to honor the memory of Steven A. Hunt. Steve was a passionate and visionary leader. He worked for and with students all of his life, beginning as a math teacher in the public schools of Robeson County, and continuing as a lecturer in math at UNCP. But he was able to widen his scope beyond his own students when he became the director of the Center for Academic Excellence. He believed strongly in the Center's purpose, and under his guidance it grew dramatically both in space and in the number of students served every semester. Some of the most notable changes during his time as director were the move from Jacobs to D. F. Lowry, which made the CAE more visible and led to greatly increased student traffic; the expansion of probation counseling into a large and vigorous Academic Resource Mentoring program, serving hundreds of students a semester; an increase in faculty use of the HAWK Alert method of referring students to tutoring, Supplemental Instruction, and other services; and the shift to a data-driven method of planning and managing CAE activities. Steve never stopped looking for new and better ways to help students show what they can do, instead of what they can't. He was a huge supporter of his alma mater and continuously gave back to the university. He gave regularly to the Faculty and Staff Campaign and he was also the Alumni Advisor to the Greek fraternity, Phi Sigma Nu. This scholarship will help continue Steve's legacy. UNCP lost a great leader in Steven Hunt, but he will live on in the people who learned from him how to be better students, teachers, advocates, and role models.

The recipients of the Steven A. Hunt Memorial Endowed Scholarship will be current students pursuing an undergraduate degree at the University of North Carolina at Pembroke who have benefited from CAE-Student Services in previous semesters. The donor wishes that financial need is demonstrated and that the recipients be residents of North Carolina. The award is renewable.

He possessed a number of passions, two of which were his family and his American Indian heritage. Even though he loved his “Indian people,” Jeriad also believed in loving and helping all people.

The Jump Start Endowed Scholarship Fund is designed for persons who have a strong desire for a college education and want to give it a try. Therefore the recipient(s) shall be undergraduate students who meet or exceed minimum University standards. The candidate may be a recent high school graduate or may have been out in the working world for several years. The high school record is not the basis for this scholarship (as long as the applicants have the minimum requirements for UNCP admission); it is based on motivation. The award is available to students for any year of study and any major. The scholarship application must contain a letter expressing the applicant's desire for a college degree with the reasoning for this realization. The scholarship award shall equal tuition and fees for one semester to one student initially. Louise Bell Locklear Memorial Scholarship*

The Louise Bell Locklear Memorial Scholarship is being established in honor of the life and accomplishments of Mrs. Louise Bell Locklear. Growing up as a child of the Depression in rural Robeson County, Louise, like most other children, struggled with poverty as well as racial inequities that were prevalent in the South at that time. She attended school in the Saddletree community, and, at an early age, family and teachers began to notice that Louise excelled in her studies. Her parents had the foresight to encourage the prospect that she one day be the first college graduate in her family. The magnitude of that ambition, at that time, could be compared in today's society to a child aspiring to be Governor of a state.

Her parents arranged for her to attend high school in Pembroke because there was a better educational opportunity than in her rural country high school. In the early 1900's, when traveling a couple of miles from home was virtually unheard of, Louise traveled 16 miles in hopes of securing a college education. Sadly, upon completion of high school, there was not enough money to pay for her dream. She lived her adult life as most women of that era did—married, bore and raised eight children, lived on a farm—and like most of her community, struggled daily with the legacy of poverty. However, she never lost her resolve about the benefit of education. Through hard work, diligence, and prayer, Louise saw six of her eight children receive college degrees. Her life ended abruptly at age 62, but her dreams and aspirations will continue to live through future generations.

The recipient of the Louise Bell Locklear Memorial Scholarship shall be a second-semester sophomore, junior, or senior at UNCP, enrolled either part-time or full-time and majoring in Education. Recipients must be residents of North Carolina, must maintain a minimum 2.5 QPA,
