- Courses underlined are general education requirements. Please note that SOC 1020 and 2090 are counted in general education and major requirements and you could have an additional 6 hours of university wide electives.
- Courses that are offered as writing intensive courses are noted above as (WE/WD). Be sure to take 9 hours of writing intensive with one class as a WD course. Make sure you choose the section noted as WE/WD in Braveweb when you schedule classes. If you are unable to take them in your major, they can be picked up in some general education courses and in your university wide electives. SOC 3030 and 3130 are also taught writing enriched.
- **Sociology Electives:** Choose 5 additional courses with a SOC prefix. At least 2 must be at the 4000 level.
