RESOLUTION ADOPTING THE ___________________  

PRE-DISASTER MITIGATION PLAN

WHEREAS, The ______________________ has undertaken a comprehensive Pre-disaster Mitigation (PDM) planning process under the guidelines of 44 CRF Part 201, a Federal Law that provides funding for communities and universities to promote hazard mitigation and disaster planning in order to protect teaching and learning, research and innovation, and public service; and

WHEREAS, The ______________________ has a need to protect infrastructure, as well as the health, safety and security of human life that resides and/or works on the campus, making it a community of up to _____+ persons in daylight hours during the academic year; and

WHEREAS, an educational campus, in order to be eligible to receive Federal Mitigation Project Implementation funds for future projects and/or FEMA reimbursement funding, must have a FEMA-approved local plan that meets Federal requirements; and

WHEREAS, The ______________________ has collaborated with and coordinated this effort with ___________ to develop an acceptable, comprehensive set of planning guidelines that can be used to assist all campuses in the UNC System to develop their own PDM plan; and

WHEREAS, various officials of The ______________________ have been involved over the two year project with the Campus Core Committee for PDM Planning, and support this planning process as it becomes a continuing activity going forward;

THEREFORE, BE IT RESOLVED, that The ______________________ Pre-disaster Mitigation Plan is hereby approved, and will be submitted to the Office of the President of the University for submittal to the North Carolina Division of Emergency Management.

ADOPTED AND APPROVED this _____ day of _____________________, 2013.
