Grade Replacement Policy

a. Students Entering UNCP Prior to Fall 1994

Undergraduate students who entered UNCP before the fall of 1994 and who follow the repeat policy will automatically have the grade replaced for all eligible repeats. The semester hours and quality points in courses repeated are counted only once, and the most recent grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements. However, all entries remain a part of the student’s permanent record.

b. Students Entering UNCP for Fall 1994 and thereafter

Beginning with the fall semester of 1994, undergraduate students who enter UNCP and who wish to replace a course grade must adhere to the following policies:

1. A student must follow all regulations regarding repetition of course work.

2. Some courses may be taken more than once for full credit; these courses are not eligible for grade replacement.

3. The semester hours and quality points in courses repeated are counted only once, and the most recent grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements.

4. Students entering UNCP as freshmen will have the option of replacing a maximum of 15-12 credit hours with improved grades earned by repeating courses. No student is eligible for more than 15-12 hours of replacement credit regardless of his/her entry date.

5. The credit hours associated with each repeated course will count toward the cumulative replacement hours.

6. Students transferring or readmitted to UNCP may replace grades for courses taken at UNCP for a maximum number of hours as determined by the scale below, which is based on the number of hours accepted for transfer or readmission.

7. The student must secure a form from the Registrar’s Office and indicate in writing which course grades are to be replaced for computation of the quality point average. The form designating specific course grade replacements will be maintained on permanent file in the Registrar’s Office.

8. Decisions for course grade replacement are irrevocable.

9. All entries remain a part of the student’s permanent record.
