**HCAP/Health Careers Club Highlights**

**Health Careers Club Participates in UNCP’s Relay-4-Life**

The Health Careers Club took part in UNCP’s annual spring Relay-4-Life Event. The event took place on campus the weekend of April 11th–12th. The team captain for the club was Ronelle Hoff, club Vice President. The Health Careers Club designed a banner under the creativity and leadership of President Brittany Williams, that highlighted the journey of discovering a method of cure for cancer.

In order to get into the spirit of the event, the club allowed community and school event attendants pay to pie club members in the face for only a $1.

The banner titled, “Traveling Through Time to Cure Cancer,” depicted the various generations of physicians dedicated to finding the cure.

In addition, the club provided games and prizes to raise money. The Health Careers Club raised a total amount of $145.00. The club was also awarded a small trophy for “Best Campsite”. The club would like to thank members and others who played a part to ensure success of the event.

**Health Careers Club 3rd Annual Easter Egg Hunt**

The Health Careers Club held its 3rd Annual Easter Egg Hunt on Sunday, April 13, 2014 at the Pembroke Recreation Complex. The annual event is held each spring and is co-sponsored by local businesses in order to foster community engagement and activity with the university and the Health Careers Club. The club raised money during the event to donate to the Relay-4-Life fund and to provide scholarships for active club members. The club raised over $300. To raise money, the club sold hotdogs, baked goods, and handmade key chains. The club hid over 3,000 candy filled eggs throughout the park. The club also held a drawing for prizes donated by co-sponsors of the event. Sheff’s Seafood donated a gift of 2 free meals for one family at their restaurant. Golden Corral of Lumberton also donated 4 free buffet meals for a family. Raffle prize winners were Joella Ford and Caden Locklear. A special thanks to Mr. Pete Albert and family for cooking up some delicious hot dogs. In addition, thanks to club members who brought yummy baked goods and donated their time and effort in making the event a success. Until next year, Happy Easter and Spring, from the Health Careers Club!

**Thanks to Our Club Event’s Sponsors:**

Sheff’s Seafood—Lumberton, NC
Golden Corral—Lumberton, NC
The Wing Company—Pembroke, NC
Maxway—Pembroke, NC
Pembroke Pointe Apartments

**Special Point of Interest:**
- Health Careers Club at Relay-4-Life Event.
- 3rd Annual Easter Egg Hunt
- Clinical Health Summer Program (CHSP) 2014 Interns
- CONGRATS to club member Spring 2014 graduates
- CONGRATS to club member acceptance into summer and professional programs

**Upcoming Dates:**
- CHSP Begins May 12, 2014
- Summer Enrichment (SEP) at UNC Chapel Hill begins, May 17, 2014
- Medical Education Development (MED) at UNC Chapel Hill begins, May 26, 2014
- Future Docs at East Carolina Brody school of Medicine begins, May 19, 2014
- Healthcare Professionals Readiness and Enrichment Program (H-PREP) at Campbell University begins, May 18, 2014
Here at the HCAP Office we are thrilled to begin another exciting year of internships with students. Ten students were chosen from a pool of applicants to participate in CHSP. CHSP was designed to expose students to their healthcare professional field of choice. During the program, students will work a full-time 40-hr per week shift as employees gaining clinical experience, knowledge and hands-on learning. We are excited to announce this year's CHSP Summer interns. Students get ready for a busy, yet exciting and rewarding summer.

CHSP Summer 2014 Interns

Andrew Brayboy
Kairon Brewington
Matthew Bryant

We congratulate you all and wish you continued success in the future.
Proudly Show Off Your Health Career Club Membership at Graduation

The Health Careers Club is pleased to announce that cords for graduation have arrived. It was requested from students that the club provide a cord signifying membership upon graduation. Majority of a vote decided that the official color for the cord to represent the Health Careers Club would be “Royal Blue.” Check out the pic below for a preview of the cords. Cords will be provided to active club member graduates during the end-of-the-year club social on May 1, 2014. Be proud of your club and show your pride during graduation.

CONGRATULATIONS!!!
Spring 2014 Health Careers Club Graduates

Kristina Sanchez
David Redman
