Your Magellan Exchange destinations:

- Australia
- Austria
- Belgium
- Costa Rica
- Denmark
- Finland
- France
- Germany
- Mexico
- Netherlands
- South Korea
- Spain

Why just dream of what you could do?

Be a Brave and do it!

The sooner you start, the more options and opportunities you will have.

Applications for the fall term due March 15
Applications for the spring due October 15
Summer programs have individual deadlines

Take the Brave steps to study abroad

1. Review the programs available online: www.magellanexchange.org
2. Meet with a study abroad advisor or the UNCP School of Business, Director of International Affairs
3. Apply at UNC Pembroke IP Office and online at the Magellan website, selecting your top three destinations
4. Apply for or have a current passport, as well as other travel documents
5. While waiting for your acceptance, check for any financial assistance and also begin planning your travel
6. Once accepted, meet with your academic advisor to select courses for your graduation requirements
7. Travel, discover, learn, and have fun!

For these international and international study abroad programs, please contact:

UNCP School of Business
Director of International Affairs
John E. “Jack” Spillan, Ph.D.
Email: john.spillan@uncp.edu
Phone: 910.775.4357

It is your future, it is your WORLD!
Be a Global Brave: LEARN EXPERIENCE GROW

Where would you like your education to take you?

See and know the world around you!

Go to an exciting new place for a semester or for a short summer program!

Learn more than you thought is possible!

Experience new cultures, ideas, and people!

Expand your education and career horizons!

Grow in your skills, abilities, and competencies!

**All this and more is possible through a study abroad program!**

- Continue to make progress towards your degree
- Make friends from all over the world
- Immerse yourself in the academic and social life of the host culture
- Internships are available for qualified individuals in some countries/schools
- Gain a competitive edge for jobs and/or graduate school

UNCP and the Magellan Exchange program offer students the ability to have an affordable educational and cultural experience at member institutions abroad

The UNCP campus is in Pembroke NC, but your classroom can be the world!

The language of study for your main courses is English at the host university

Select the institutions for Study Abroad with your academic advisor without disrupting a timely graduation at UNCP

General study, major courses, and electives are fully credited by UNCP and will extend the breadth and depth of your academic preparation and curriculum

An orientation program on the host culture and language, as well as the university and local region is typically available on your arrival

Students continue their normal UNCP tuition and fees, simply transfer the course credits earned from your study abroad as if you had not left campus

Living and other expenses vary among locations, but may be less expensive than staying on campus in Pembroke

Scholarships and stipends may be available for qualified individuals.

Why You Should Study Abroad?

College is a time to explore and learn, but no need to do it all from the Pembroke zip code, or even in one nation

- Optimal way to learn
- Gain new perspectives
- Immerse yourself into a new culture
- Enhance the value of your degree
- Expand your employment opportunities

Explore your world!
Be a Global Brave!
