The newsletter of the Friends of the Library of UNC Pembroke

Vol. 24 | Number 1 | March 2015

## “A Novel Experience with the Library: F. Scott Fitzgerald’s *The Great Gatsby*”

by Susan F. Whitt

The Friends of the Library are actively planning for their next annual fund raiser, “A Novel Experience with the Library: F. Scott Fitzgerald’s *The Great Gatsby*,” to be held on April 25, 2015. It’s hard to believe this is the Friends’ 14<sup>th</sup> year of having a benefit, and I know people who have attended every one. Last year, for the first time ever, the event was held at the Chancellor’s Residence, not in the Library. We received many glowing comments about the experience and are once again trying out a new location. The Friends of the Library are partnering with the Givens Performing Arts Center (GPAC). Benefit participants will enjoy themselves first with dinner and then proceed to GPAC to be entertained by a performance of *The Great Gatsby*.

The library fundraiser will begin at 6:00 p.m. in the University Annex next to GPAC. A social period and a meet-and-greet with the cast of *The Great Gatsby* will be held. Also, during the social time, there will be a display of various door prizes which participants will have a chance to win. This fun time will then be followed by a delicious buffet dinner. During the dinner, attendees will be treated to comments by **Dr. Ryan Anderson**, Associate Professor and Coordinator, American Studies Program of the History Department. He will discuss the period which *The Great Gatsby* depicts and what specific clues and issues of the time period the audience should recognize and appreciate. If you have not met Dr. Anderson, you are in for a treat. His topic will be “F. Scott Fitzgerald: Flapper King?” His enthusiasm for his area of expertise is contagious and you will appreciate his knowledge. The program will then conclude with everyone moving on to GPAC to enjoy the performance of *The Great Gatsby*. The Montana Repertory Theatre will bring to the stage a compelling performance of F. Scott Fitzgerald’s work.

“A Novel Experience with the Library: F. Scott Fitzgerald’s *The Great Gatsby*” will be an excellent way to spend an evening. Your enjoyable experience will help support the Friends of the Library initiatives, such as continued support for nine scholarships established to assist students at UNCP, funding of materials for the Library, and sponsorship of author appearances and reading programs. To learn more about the Friends of the Library, how to apply for FOL scholarships, or to join the Friends of the Library, please call the Mary Livermore Library at 910.521.6212 or go to the Library’s webpage at [www.uncp.edu/academics/library](http://www.uncp.edu/academics/library). Library staff members **Chris Bowyer** (910.521.6483) or **Susan Whitt** (910.521.6212) may be contacted for benefit tickets and more information. Tickets are \$50 each. This year, discounted tickets for current, full-time UNCP students also can be purchased for \$20 each. If you have already purchased tickets for the performance through GPAC and also would like to participate in the Library’s fundraiser, please give us a call. The Library and GPAC are working together to arrange for a transfer of your tickets to the library event. Dress will be business casual. Save the date for this event. We look forward to seeing you there!

## Message from the Dean of Library Services

I always welcome the chance to write the Dean's letter and provide information to readers of the Library's newsletter. It allows me to update you on library happenings, events, and opportunities. This time it is with a heavy heart that I write about an event which seriously impacts our library and Friends of the Library organization.

On January 23, 2015, **Dr. Anthony Curtis** died of cancer after a brief illness. To say we were all shocked is an understatement. Dr. Tony and his wife, **Dr. Judy Curtis**, have been stalwart members of our Friends of the Library (FOL) since they came to UNC Pembroke in 2002. He served two terms as our president and was currently serving as immediate past president. He has always been a part of every FOL Board meeting and event held by the Friends, and, quite frankly, I cannot imagine any event without his being there. He was instrumental in encouraging

students to be members of the FOL Board, as well as participants in our programs. His ideas and suggestions moved our library and Friends organization forward. Our thoughts and prayers are with Dr. Judy. We want her to know how much we thank them both for the support they have shown our library and Friends.

One other event which I would like to let you know about is the Library's fundraiser which will be held on April 25, 2015. The Friends are working in coordination with the Givens Performing Arts Center to present one of the best events ever. In fact the last conversation I had with Dr. Tony was about this event and his excitement about trying a new format for the yearly benefit. I urge all friends and supporters of the Library to plan to participate in this annual benefit event. Funds from the event are used to support library activities, primarily the provision of nine scholarships to UNCP students.

As always, I encourage all those campus and community members reading this newsletter to join the Friends organization. Please tell others about us and encourage them to join. Thank you, if you are already a member. Your support is essential to making our Friends organization a success. If you have any questions, please call me at 910.521.6212 or Chris Bowyer at 910.521.6483. Information about the Friends, along with membership forms, can be found at [www.uncp.edu/academics/library/friends-library](http://www.uncp.edu/academics/library/friends-library).

## Message from the FOL President

The last half of this spring semester will be very busy and productive for the Friends of the Library (FOL). In early March, FOL sponsored "Speaking Our Words: Recitations of the Works of African-American Authors and Artists," which had to be rescheduled due to February's inclement weather. Later this month, in a Faculty Showcase, UNCP history professor **Dr. Charles Beem** will discuss the book he has edited on male consorts of European queens (*The Man behind the Queen: Male Consorts in History*). The annual Poetry/Short Prose Contest, sponsored for our university and our community, will hopefully brighten up the day of anyone who is downhearted on the income-tax-deadline day of April 15. Then the Friends will cap off the semester with our fundraiser for this year by doing something entirely different: "**A Novel Experience with the Library: F. Scott Fitzgerald's The Great Gatsby**," on Saturday, April 25, in conjunction with the performance of the musical based on Fitzgerald's novel at Givens Performing Arts Center. Preceding the play, starting at 6 p.m. in the University Center Annex, there will be a "meet and greet" opportunity with the actors, a delicious dinner, and a presentation by UNCP history professor, **Dr. Ryan Anderson**, on the cultural and historical background of the Roaring 20s that will add extra layers of meaning and enjoyment to the experience of the play. I hope you'll be able to attend our fundraiser and some of the other FOL-sponsored events this spring. Thank you for your continued support of the Friends of the Library.

# National Library Week

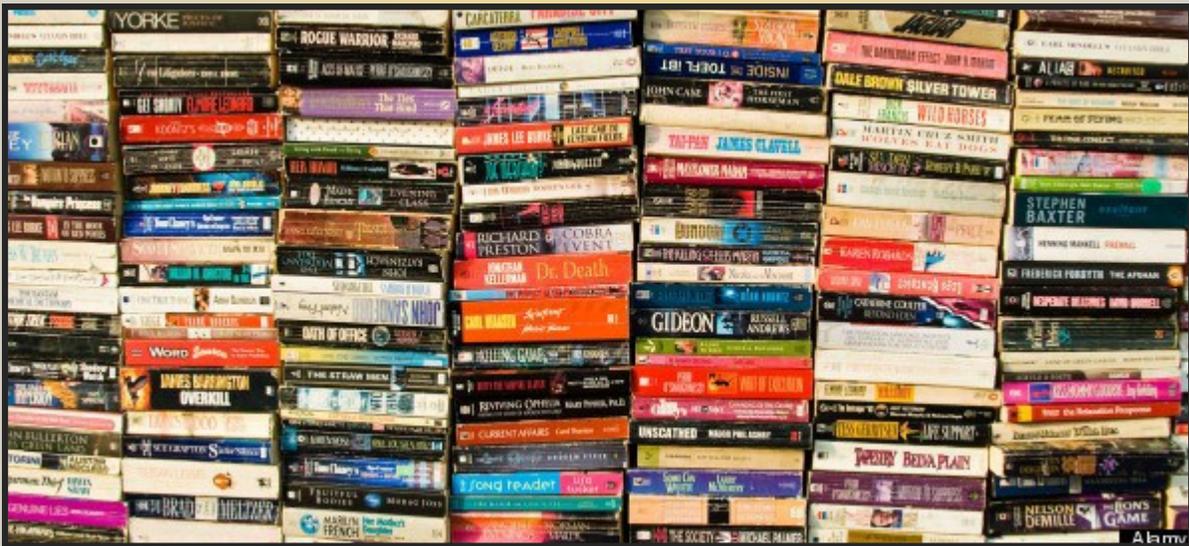

by Carl Danis

The Mary Livernore Library will celebrate National Library Week April 13-17, 2015. National Library Week has been a national observance since 1958, created to promote the contributions of libraries and librarians around the country. Currently the American Library Association sponsors the national campaign.

There are two events planned by the Library for the week. First up will be the Library's Book Sale to benefit the Friends of the Library of The University of North Carolina at Pembroke. A portion of the money taken in goes to the Friends to help sponsor its endeavors. The prices will be **\$1.00 for hardback** items and **\$.50 for paperback** items. Any media items in the book sale will be **\$1.00** and sold "as is." There will also be some specially-priced and bargain-priced items. These items will include nonfiction, fiction, juvenile, and video materials. In addition, as a special benefit for "Friends," there will be a 20% discount on all items purchased by FOL members on the first day of the Book Sale (April 13).

On April 15th, the Friends of the Library will host the General Membership meeting. After the meeting, the winners of the Dean Elinor F. Foster Poetry/Short Prose Contest will read their entries, and the 2015 UNCP Campus Scholars will be recognized. The event will take place in the main reading room of the **Mary Livernore Library at 3:30 p.m.** and a reception will follow.

The campus and community are invited to join in this annual celebration of National Library Week.

## BOOK SALE HOURS

Monday, April 13: 8:00 a.m. to midnight  
 Tuesday, April 14: 8:00 a.m. to midnight  
 Wednesday, April 15: 8:00 a.m. to midnight  
 Thursday, April 16: 8:00 a.m. to midnight

# Kudos and Happenings

by David Young

**Robert Arndt**, Reference/Instructional Services Librarian, attended the 7<sup>th</sup> Annual North Carolina Symposium on Teaching Writing at North Carolina State University on February 28. According to the conference website, the Symposium is "devoted to enriching the regional conversation on the practices, theory, and changing realities of teaching composition."

**Christopher Bowyer**, University Library Technician for Government Documents/Development & Primary Web Information Coordinator (W.I.C.), received his Five-Year Service Award and was recognized at UNCP's Annual Employee Service Awards Luncheon on February 5, 2015.

**Claire Clemens**, Instructional Services/Reference Librarian, co-authored a paper, "Children's Books in the Digital World: The Bigger Picture for Our Graduates," that is to be published in the *Association of College and Research Libraries (ACRL) 2015 Conference Proceedings*. The paper was one of only 28% of 350 submissions selected in the peer-review process for ACRL, the most prominent national organization for academic librarians. Claire will present the paper at the ACRL biennial conference on March 27 in Portland, Oregon. The paper provides an analysis of e-book options to provide improved access to heavily-circulating children's picture books, the results of a student survey on e-book usage and preferences, and the "bigger picture" value of mastering e-book technology for 21st-Century teaching and learning.

**Susan Cummings**, Cataloging Administrative Support Associate, is the proud aunt of newlywed **Amy Lynn Sanderson**. Amy was married to **Bryan Stewart Arnold**, on January 31, 2015, in Columbia, South Carolina. Amy graduated from Clemson University

with a Bachelor of Science degree in Accounting and later earned a Master's in Business Administration from the University of South Carolina. She is employed as a Certified Public Accountant. Amy's mother, **Virginia Cummings Sanderson**, is a 1971 graduate of Pembroke State University. After their honeymoon, the couple will relocate to Germany.

**Anne H. Coleman**, Assistant Dean for Research Services, announced that her son, **Kyle Chavis**, was married to **Levata Marie Wilson** in Columbia, South Carolina, on December 13, 2014. Kyle was employed at the University, 2005-2006, first in the Bursar's Office and then in the Art Department. Anne also shared that her daughter, **Connie C. Kirkley**,

earned her Master of Science degree in Nursing from the University of South Alabama in December 2014. Connie then passed her national certification boards in February 2015 and became certified as a Nurse Practitioner in Pediatric Primary Care.

**Vicky Dial-Jacobs**, University Library Technician for Acquisitions Services, announced that her daughter, **Xaphan Jacobs**, who will graduate from Purnell Swett High School in June, has already received a \$64,000 merit-based Scholarship from

Campbell University. Vicky added that Xaphan was interviewed at Campbell and presented an essay about why she wants to attend college to a panel of judges comprised of alumni, deans, and members of the Board of Trustees. She is now waiting to hear if she is going to be awarded another partial or a "full-ride" endowment scholarship from Campbell. Xaphan plans to enroll in the pharmacy program at Campbell University in fall 2015.

**Carl Danis**, Collection Development/Electronic Resources Librarian, and **June Power**, Access Services/Reference Librarian, gave a presentation, entitled "Migrating from Consortially Shared Millennium to Individually Hosted Sierra without a Systems Librarian," at the Southeastern Innovative User's Group (SIUG) meeting that was held at UNC Pembroke on February 16, 2015.

**Janet Graham**, Circulation Administrative Support Associate, joined the Mary Livemore Library staff on January 5, 2015. Janet's main duties include working at the Circulation Desk, answering student e-mails, and compiling circulation statistics. Janet stated, "The best aspect of my job is working with the public. I enjoy assisting and meeting new people. I consider it an honor to be employed with the Mary Livemore Library and working here is one of my many dreams that have been fulfilled."

**Sam Jacobs, Jr.**, University Library Technician for Circulation, announced that his brother, **Timothy Jacobs** (pictured far right), and his team won the Robeson County Middle School Basketball Championship for the second time in ten years. The team had a perfect 16-0 record for the 2015 season! Timothy, who graduated from UNCP in 1996, teaches at Lumberton Junior High School and is the Head Basketball Coach there.

**June Mills-Tomasulo**, University Library Technician (Preparations) for Cataloging Services, stated that her daughter, **Megan Blair Mills**, who graduated from UNCP in May 2008 with a Bachelor of Science degree in Nursing, is moving to Foster City, California, to accept employment with the AYA Travel Nursing Agency. Blair specializes in Psychiatric Nursing and currently works at a hospital located in San Mateo, California.

**Saprina Oxendine**, University Library Specialist for Cataloging, announced that her son, **Timothy "Isaiah" Oxendine**, entered the Robeson County Reading Association's Young Authors Contest and was one of the county winners. The entire family celebrated at the "Robeson County's Young Authors' Awards Night and Celebration" event on March 3. Timothy attends Union Chapel Elementary School and is pictured with two of his favorite teachers, **Mr. Shane Fletcher** and **Mrs. Tonnye Fletcher**. Congratulations to Timothy "Isaiah" on this impressive accomplishment!

**June Power** attended the *ILLiad* Conference in Virginia Beach, Virginia, on March 17 through the 19. ILLiad is the system that the Library uses for Document Delivery and interlibrary (ILL) transactions. The conference provides hands-on, practical learning sessions in order for library personnel to better utilize the system locally.

**David Young**, Catalog Librarian, along with **Robert Arndt**, **Claire Clemens**, **Anne Coleman**, and **Jerry McCrae**, University Library Technician for Reference, attended the 2015 LAUNC-CH Conference on March 13. This annual conference is sponsored by the UNC Chapel Hill Librarians' Association and was held at the William and Ida Friday Center for Continuing Education in Chapel Hill, North Carolina.

**Dr. Anthony Ray “Tony” Curtis: Nurturing Educator, Devoted Campus Leader, and Lover of Libraries**

by Michael C. Alewine

Mary Livermore Library has lost a great friend and supporter with the passing of **Dr. Anthony Ray “Tony” Curtis** on January 23, 2015. Dr. Curtis was a tremendous advocate for the Library and a friend to all—especially students. We continue to hear from current and former students, faculty, staff, as well as community members far and wide talking about how Dr. Tony touched their lives.

**Wade Allen**, UNCP student, stated, “He was my great mentor, my journalism hero, my college professor, my inspiration, my confidant, and forever buddy. Words cannot express the loyalty of our profound friendship. He’s been right beside me in the good times and in the not-so-good times. One of the men I admire most no longer walks among us. He was the best. Here’s to you, Sir... I will carry your memory in my heart wherever life takes me.”

According to **Dr. David Nickel**, Professor and Chair, Department of Philosophy and Religion, and current Friends of the Library (FOL) Board President, “Tony Curtis provided dedicated and invaluable service to the Friends of the Library, serving on our Board for many years, including two terms as President. He also was generous in his financial support of FOL, with his annual membership giving and his and Judy’s bidding on auction items at our fundraisers. His positive and warm spirit and his wisdom will be greatly missed in the on-going work of the Friends of the Library.”

FOL Benefit 2014

He also was generous in his financial support of FOL, with his annual membership giving and his and Judy’s bidding on auction items at our fundraisers. His positive and warm spirit and his wisdom will be greatly missed in the on-going work of the Friends of the Library.”

**Robert Arndt**, Reference/Instructional Services Librarian stated, “Tony was always focused on students and the Library as being the academic center of their lives. He would personally encourage students and faculty to use the Library’s resources and services in new and inventive ways.”

Poetry/Prose Contest and FOL Scholarship Awards 2014

“Dr. Curtis was involved in so many different forms of communication. He singlehandedly created and maintained UNCP’s presence in Second Life. When the Library received a significant grant for technology, he had his students make use of the dedicated Second Life technology resources as part of their coursework.

FOL Board 2009-2010

the library staff created in Second Life. Tony was an innovator when it came to getting students to think and communicate in creative ways,” said **June Power**, Access Services/Reference Librarian.

These resources are still being used today. He actively promoted the Library’s virtual reference desk and virtual book club that

Second Life campus created by Dr. Curtis

**Dr. Elinor Foster Newberry**, retired Dean of Library Services, said, "When Tony and Judy first came to UNC Pembroke from Ohio, they visited the Library and let me know they were dedicated library supporters and they proved to be as good as their word. Dr. Tony Curtis was passionate about students and libraries, and he combined these two great interests in his commitment to leadership of the Friends of the Library of UNC Pembroke. He twice served as president of the library support organization and also served other years as the faculty representative on the Board of Directors of the Friends of the Library. He and Dr. Judy Curtis provided a unique cultural experience for some of the members of the staff of *The Pine Needle* by sponsoring a table at the annual library benefit evenings and sitting with the students, who were dressed in evening attire, enjoying the exciting events which unfolded."

FOL Benefit 2007

**Aleigha Shears**, UNCP student, stated, "Rest easy, Dr. Tony. I will never forget your undeniable willingness to help. Much, much love and respect! Aleigha"

**Susan Whitt**, Dean of Library Services, noted, "Tony was a best friend to the Library, its staff, and all our students. I cannot even begin to think of any person that could ever replace Dr. Curtis and what he meant to so many people. He was a fantastic educator and person, and he will be deeply missed by all."

Drs. Judy and Tony Curtis

# Spring into the Library

Here is the library staff that assists you with your library experience and what our patrons think of them....

I would like to thank Robert for helping me with my research article information. He was very helpful to me and gave me a bunch of articles to

read for the research I had to do. Thanks so much It just worked out that over the semester I was dealing mostly with Robert and I can't describe how much he has helped me. We even stop and have a conversation on campus sometimes. He is excellent and has the quickest response time anyone could ask for as a graduate student.

My reference assistant was Jerry McRae. He was very helpful in finding the full text for a research article I needed. He found a pdf copy for me and printed it off! Very helpful! I don't know what I would do without his assistance. Jerry helped not only find me

sources on the BraveCat but also showed me how to work it. Awesome!!

Mr. David is a great guy, friendly, helpful and considerate. We can always appreciate people (person) like him to help complete and accomplish great service from library to successfully complete the homework (research) assignment. With all the books I needed is a great start and way to start my research paper. Thank you David and staff at UNCP!

Thank you so much for coming to my class today to provide library instruction for MCM 4360 Mass Communication Theory and Research. I especially appreciated, as I know the students did, the handout you brought as well as the individual attention you gave to each student. You made the database searches understandable and the students very comfortable in asking questions. Thanks for the excellent presentation!

Thank you so very much, Ms. Cummings. This is exactly what I needed, and I am most appreciative for the time and effort you devoted to helping me. You've made my day. Thanks for the last batch of photos. You are my angel. I sincerely appreciate your invaluable assistance in furnishing the photos that I will use to create a printed invitation to the Braboy highway marker dedication.

I just finished reading "Library Lines" and a big thanks for including our camp, Junior Braves, among your articles!

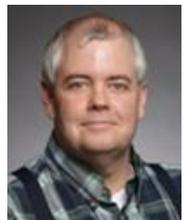

You all did a great job presenting to the campers and they had a wonderful time visiting the Library.

Thank you again for polite service and we look forward to working with you again in the future.

I needed help on short notice and Michael Alewine really provided much needed assistance. I completed my undergraduate work more than 25 years ago. He really helped me with new research techniques and helped me focus on a topic for an upcoming paper. I really appreciate the personal assistance he provided and would recommend his assistance to anyone!

I would like to give a word of thanks and encouragement to library staff-Eric Chavis for nourishing the beautiful flowers that improve the air and environment in the library. When you are in the library for hours at the time and do not get to see

the outside or breathe in the fresh outside air, the flowers he nourishes can really cheer up your spirits. Hats off to you for your hard work and doing more than what's required. We need flowers in our daily life, not just at the end of our life. The beautiful floral display on the next page is also one of Eric's creations.

All of the library staff at UNCP have always been very helpful, kind and courteous to me. When I need a book they always try very,

very hard to get me what I need. Sometimes they have to wait on other libraries to get what you need but that is not their fault. I think they do a great job and they work very hard.

Excellent staff, always knowledgeable and happy to help.

The reference librarians always have timely suggestions relevant to whatever question I ask them. I thank them for this invaluable service.

The services I received were excellent — timely and accurate - exactly what I needed for my research project!

The library staff at UNCP main campus is absolutely amazing. Anytime I have asked for assistance I get a response within the hour and material soon after.

In all my time at UNCP the employees have always been completely professional regarding any help I might have needed. They were also always more than willing to take whatever time was needed to assist you.

I have been FULLY SATISFIED with my experiences with the Livermore library. You guys rock!

As always, I received fast, accurate research that met my needs. I am grateful to have such a service in my graduate program.

The assistance I received from the library was amazing. They did an awesome job and I am very grateful to attend a university where I receive these type of services.

I was very happy with the help that I received.

I am pleased with the Library staff. They are extremely helpful and eager to assist you with any questions you may have.

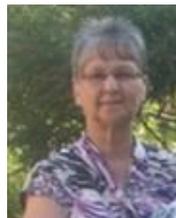

I think the services are great! Libraries are not always this helpful at other schools and it really makes it a lot less stressful on the student. Thank you!

Everyone was very helpful. I was able to access the information I needed. The library staff members are super!

Everyone was very helpful. I was able to access the information I needed. The library staff members are super!

The library staff provide exceptional service. They are prompt when responding to email requests, and always provide relevant tips and strategies to obtain information for assignment requests. Their services are a great complement to the instruction I've received from UNCP faculty, and I would not have been as successful as I was in my graduate program without their expertise.

The library staff were very knowledgeable about library resources and offered excellent suggestions for future research tips. Excellent staff!!

They are quick to help and they help in any way they can!! The library staff is AWESOME!!!!!!

## The 26<sup>th</sup> National African American Read-In

by Anne Coleman

Usually the African American Read-In (AARI) activities are held in February, during Black History Month, as a celebration of African American literacy. Unfortunately, that was not possible this year because of several weeks of inclement weather in February. The events, however, were rescheduled for March. **After all, African American literacy is a year-round goal.**

The AARI oral recitations program (“**Speaking Our Words**” Recitations of The Works of African American Authors and Artists) was held March 9. The program featured members of the local community; UNCP students, faculty, and staff; and other “celebrities” such as **Bessie Barnes**, Miss UNCP 2015, and **Candice Noel Locklear**, Miss Lumbee 2014-2015.

The Keynote Address, entitled “**The Importance of Literacy in African American Culture,**” was presented by **Reverend Pia Jessup** on Tuesday, March 24. The presentation was accompanied by the “soulful” sounds of UNCP students **Tangie Harris, Alexis Jones, Jael Pembrick**, and the brothers of the **Eta Beta Chapter of Phi Mu Alpha Sinfonia.**

## UNCP Hosts the SIUG Annual Meeting

by June L. Power

On Monday, February 16, 2015, the Mary Livermore Library hosted the annual winter meeting of the Southeastern Innovative Users Group (SIUG), which is comprised of member libraries all using the Innovative Interfaces integrated library systems. This was UNCP’s first year hosting the conference, which despite the bad weather many experienced in the state that week, it was a successful event with about 30 attendees. Everybody was impressed with the University and its facilities. They all felt that the SIUG meeting should be held at UNCP again sometime soon.

The SIUG Annual Meeting was attended by **Susan Whitt**, Dean of Library Services, and by librarians **Carl Danis**, Collection Development/Electronic Resources Librarian, and **June Power**, Access Services/Reference Librarian; all are members of SIUG. June Power additionally serves as webmaster for the group and, as part of the SIUG Governing Board, assisted with the planning of this year’s annual meeting.

*Carl Danis and June Power made a presentation on UNCP Library’s recent systems update – “Migrating from Consortially Shared Millennium to Individually Hosted Sierra without a Systems Librarian.”*

Discussion by attendees at SIUG
