

Memorandum of Understanding

Southwestern Community College students who complete Honors courses with 3.0 (B) in each course may transfer up to 9 hours of such credit towards The University of North Carolina at Pembroke's Esther Maynor Honors College. Additional credit may be accepted as decided by the Dean and Honor's Council for UNCP Honors College students seeking University and Departmental Honors designation.

Honors students from Southwestern Community College should apply for regular admission to UNC Pembroke and to the Esther Maynor Honors College. Accepted students are required to schedule a meeting with the Honors Dean to review Honors credits from Southwestern Community College and to determine which UNC Pembroke Honors option best aligns with graduation goals.

Dr. William Gash
Senior Associate Vice Chancellor
for Academic Affairs
University of North Carolina at Pembroke

Dr. Thom Brooks
