BIO 4100/5100 Marine Biology (3-week course)

WHEN: Summer Session 1 - 2014
- June 2-5 and June 9-12 - on UNCP campus (lecture portion of course)
- June 16-23 - in Bermuda at the Bermuda Institute of Ocean Sciences (BIOS)

- COST: Approximately $1800± [includes airfare, housing and meals (at BIOS), transportation in Bermuda (boat, truck, and bus), and text for the course]
  - The $1800 does not include tuition (which is due during registration for Summer Session 1) or snorkeling gear (mask, snorkel, and fins)
  - Deposit due by mid-January to reserve space at BIOS and airline reservations
    - The deposit is not refundable unless the course does not make.

WHO CAN TAKE THE COURSE: Non-freshman and post-graduates who can swim and feel comfortable in open water and have completed BIO 1000. Completion of BIO 1010, 1020, and/or 3040 are also recommended but not required.

INTEREST: A sign-up sheet has been posted on the bulletin board outside Dr. Jernigan’s office (SCI 2231). If interested, please sign-up and provide contact information so we can determine the level of interest. The sign-up sheet is purely for informational purposes and does not obligate you to take the course. Space in the course is limited (first come/first served).

CONTACT INFO: For additional information please contact either:
