

Gamma Sigma Epsilon

National Chemistry Honor Society

Alpha Zeta Chapter

The University of North Carolina at Pembroke

This application is for students interested in joining the Alpha Zeta chapter of GSE at the University of North Carolina at Pembroke. Membership requirements include enrollment at UNCP, a minimum of 16 hours of chemistry course work (to be completed, at latest, by the end of the academic year (spring semester) of nomination), and a 3.0 overall GPA with a GPA of 3.0 in chemistry. Upon confirmation of eligibility, you will be notified that the one time dues of \$60 should be submitted to a faculty advisor.
