

**The University of North Carolina at Pembroke
Department of Nursing**

MSN Program Overview

The MSN program provides registered nurses, with a baccalaureate degree in nursing, with an opportunity to build expertise in a specialized area of practice. The degree requires a total of 39 semester hours of graduate-level coursework. Coursework is offered in a hybrid format, meeting face-to-face once every three weeks with remainder of coursework online. Students may enroll as either full-time or part-time students. All students must complete degree requirements within five (5) calendar years of the date of the first registration for graduate study.

Nurse Educator Specialty Concentration

This concentration is designed to prepare practicing nurses to assume roles as educators in baccalaureate and associate degree nursing programs, staff development, continuing education, and community health education programs. Graduates are eligible to take the NLN nurse educator certification examination upon graduation.

Sample Full-Time Plan of Study

Semester	Course #	Course	Semester Hrs.
Fall	NUR 5000	Advanced Nursing Concepts in Theory and Practice	3
	NUR 5020	Advanced Pathophysiology	3
	NUR 5030	Advanced Concepts of Pharmacology in Nursing	3
Spring	NUR 5040	Advanced Health Assessment and Clinical Decision Making	3
	NUR 5010	Research Methods for Evidence-Based Practice	3
	NUR 5300	Educating Diverse Populations	3
Summer	NUR 5310	Curriculum Theory and Design in Nursing Education	3
	NUR 5320	Classroom Teaching and Integration of Technology	3
Fall	NUR 5330	Clinical Teaching Strategies for Nurse Educators	3
	NUR 5340	Measurement and Evaluation in Nursing Education	3
Spring	NUR 5350	Nurse Educator Capstone Practicum	6
	NUR 5360	Master's Nurse Educator Research or Action Project	3
Total Hours			39

Admission Requirements

To be considered for the Master's of Science in Nursing with a Nurse Educator specialization, candidates must submit a completed application with official transcripts of all postsecondary education directly from each institution to the School of Graduate Studies and Research and:

- Possess a Bachelor of Science in Nursing from accredited NLN or CCNE School of Nursing.
- Possess a current, valid North Carolina nursing license or a license with multistate practice privileges by authority of the Nurse Licensure Compact.
- Have a minimum undergraduate cumulative grade point average of 3.0 on a 4.0 scale.
- Submit three letters of recommendation from instructors, supervisors or professional colleagues, two of which must come from individuals with a minimum of a master's degree in nursing who can evaluate your potential to undertake a master's degree program.
- Submit a copy of resume or curriculum vitae of educational and work experience.
- Submit a personal statement which describes: development of interest in graduate education in nursing, reason for applying to chosen specialty area, your professional goals and how this specialization will help you achieve them, your academic strengths and areas needing further development, and any special circumstances that you believe require further clarification.
- Evidence of completion of a course in Descriptive/Inferential Statistics with a minimum grade of "C" or higher.
- Note: For graduates of BSN programs of greater than 5 years, it is recommended that an additional course or continuing education offering be completed prior to enrolling in the following graduate courses: Advanced Health Assessment, Advanced Pathophysiology, and Advanced Pharmacology.

Contact Information

For general information on applying, please contact the UNCP School of Graduate Studies and Research: Phone: (910) 521-6271 or 1-866-521-GRAD (4723) or Email: grad@uncp.edu. For specific program information, please contact the Department of Nursing, Dr. Julie Harrison-Swartz, Director, Graduate Programs or Dr. Jennifer Twaddell, Chair, Department of Nursing: Phone: (910) 775-4509 or Email: julie.harrison-swartz@uncp.edu.
