BUILDING EVACUATION PLAN

1. If you smell smoke or other unusual odors suggesting a possible fire or conditions favorable for fire, immediately evacuate, call 911 and UNC Pembroke’s Police and Public Safety Office (910.521.6235) once safety outside.

2. Upon discovering a fire, immediately pull building fire alarm pull station to sound the alarm.

3. Upon activation of building fire alarm, building occupants should evacuate using the nearest safe exit route. DO NOT USE ELEVATOR.

4. Mobility impaired individuals on upper floors should proceed to the nearest “fire safe” stairwell for assistance by emergency response personnel. Contact UNC Pembroke’s Police and Public Safety (910.521.6235) and provide location for rescue assistance.

5. Building occupants should evacuate to the designated assembly location at least 150 feet from the building and report their location to their supervisor.

6. Each building evacuee shall not re-enter the building until authorized personnel (i.e. police, fire department, supervisor, etc.) indicate it is safe to re-enter.

7. Each building designated assembly location can be reviewed by clicking the building name above.
AUXILIARY SERVICES BUILDING (270 FACULTY ROW)
EVACUATION ASSEMBLY POINT
