“Speaking Our Words”
Recitations of African American Literature

The goal of the African American Read-In (AARI) is to make the celebration of African American literacy a traditional part of Black History Month activities. This AARI program will feature students from Peterson Elementary School, CIS Academy at Pembroke, and UNC Pembroke students. They will be reading/reciting from the works of African American authors. Trin-A-Thoughtz (Spoken Word Artiste Extraordinaire) will be a featured performer.
