Location: UNC Pembroke campus, Pembroke, NC
Date: July 7 – 12 for rising 9th – 11th graders

Brave Discovery is a week long residential experience where campers learn and apply techniques from a multitude of different disciplines (Biology, Chemistry, Geology, Physics, Medicine, Computer Science, and Mathematics) to solve the mystery case of Who ran Grandma off the road?

“UNCP is recruiting the best candidates to help us find out if the car crash was as simple as it seemed. We will be collecting and testing evidence to find out what really went wrong. Will you be brave and discover the truth of what really happened? Do you have what it takes?”

This camp will be led by local professors in partnership with students from UNC Pembroke. The camp will include explorations into STEM-based (Science, Technology, Engineering, and Mathematics) careers, a field trip to the Museum of Natural Sciences in Raleigh, NC, and “after work” (i.e. evening) activities such as movies and games. The total camp cost is $250 per student with a $50 deposit.

Application Process:
* Complete application (next page)
* Mail application to the address given at the bottom of the application. Mailing must be post marked no later than April 30, 2019.

Applications submitted after the deadline will only be considered if there are openings in the camp. Maximum of 24 students will be selected for camp.

Students will be notified by May 10, 2019 if they have been accepted to the camp or placed in a waiting pool. Once notify $50 deposit is required. If $50 deposit has not been received by May 24, then child will be placed on waiting list. Deposit is non-refundable.

If you have questions, please contact Asa Lowry at 910-775-4000 or asa.lowry@uncp.edu. This application can be found at www.uncp.edu/rc, “Summer Camps”
Application must be postmarked by April 30, 2019
Notification by May 10, 2019
