## Lecturer in Chemistry

The Department of Chemistry & Physics at the University of North Carolina at Pembroke invites applications for a full-time lecturer appointment to begin August 2019. The initial appointment is for one year and may be renewed contingent upon satisfactory performance and instructional needs.

Candidates must have a master's or doctoral degree in Chemistry, Chemical Education, or a closely related field, and at least five years' experience in classroom and laboratory instruction at the university level. The lecturer will be responsible for teaching classroom and laboratory sections of general chemistry and possibly upper-level chemistry courses in her/his degree specialty; engaging in scholarly activities; assisting departmental faculty and staff with the operation and maintenance of laboratory instrumentation; and providing service to support the academic missions of the Department and the University.

Candidates must have a master's or doctoral degree in Chemistry, Chemical Education, or a closely related field, and at least five years' experience in classroom and laboratory instruction at the university level.

Please attach cover letter, CV and list of professional references.

This position is subject to the successful completion of an employment background check. An employment background check includes a criminal background check, employment verification, reference checks, license verification (if applicable) and credit history check (if applicable).

In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification form upon hire.

New employees are paid only by direct deposit to the financial institution of their choice. Candidates claiming Veterans Preference must attach a copy of their DD-214 as a part of the online application process.

UNC Pembroke is an Equal Opportunity Employer. The University prohibits discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibits discrimination against all individuals based on their age, race, color, genetic information, religion, sex, sexual orientation, gender identity or national origin. UNC Pembroke is a VEVRAA Federal Contractor and seeks priority referrals of protected veterans for our openings.
