Beginning in August 2017, resident undergraduate tuition will be frozen for students who remain continuously enrolled for eight semesters.

In the year ended June 30, 2019, UNC Pembroke received approximately \$79 million in appropriations from the North Carolina General Assembly, providing an additional \$13,037 towards the total cost of education for each resident student.

***The reduced tuition is a result of the NC Promise Program, which was established by the North Carolina General Assembly. This program is expected to provide an additional \$19 million in state appropriations to UNCP in FY 2019-20 to support the significant reduction in cost to students.**
