Intro-Studio Courses

- Courses underlined are general education requirements. Please note that you will use ART 1010 or 2080 as general education and major requirements.
- Courses in bold are offered as writing intensive courses (WE/WD). Be sure to take 9 hours of writing intensive with one class as a WD course. If you are unable to take them in your major, they can be picked up in some general education courses and in your university wide electives.

All Art Education majors are required to take Intro-Studio courses. There is not a recommended order of course work, however, many of the courses below have ART 1010 and 1320 as the prerequisites. Complete ART 1010 and 1320 in the first year so that you are not delayed. Any additional prerequisites will be noted in parentheses after the course number. The required
courses are: ART 1110, ART 1330, ART 1400, ART 1500, ART 2150, and Advanced Studio Concentration

You will take 9 hours beyond the specialty area in one studio discipline. Choose from Ceramics, Digital Arts, Drawing, Painting, Printmaking or Sculpture.
