SWK 3820. African-American Populations
SWK 3840. Gerontological Social Work
SWK 3870. Women in Society
SWK 3880. Native American Populations
SWK 3890. GLBT Populations
GENERAL ADVISEMENT: Students must average 2.0 QPA overall in CORE & TRACK courses. See catalog for other QPA requirements. You are NOT required to earn a “C” or better in each of your CORE & TRACK courses, but a “C” or better would certainly make you more desirable to future employers and graduate programs. You could receive a “D” in a single CORE or TRACK course and conceivably have sufficiently high grades in your other CORE & TRACK courses to bring your overall QPA up to 2.0 or higher.

Students should generally plan on completing their General Education Requirements prior to pursuing either CORE or TRACK Requirements—some of these are prerequisites for upper level courses. Students should also plan on completing lower level courses prior to pursuing upper level courses (proceeding from the 1000 and 2000 level, through the 3000 level, to the 4000 level).

Attention: For students who entered under the 2011-2012 or later catalogs, the new Quality Enhancement Writing Plan will apply. As a requirement for graduation, students must complete nine semester credit hours of Writing Enriched (WE) and Writing in the Discipline (WD) courses. One course must be a Writing in the Discipline (WD) course. Some WE courses may count as your general education requirements. Some WD courses may satisfy some CORE or TRACK course requirements. Course sections must be labeled WE or WD in BraveWeb or they will not fulfill this requirement.

The BIS in GENERAL STUDIES is available on the UNCP Main Campus in Pembroke, NC, and Online.
