A&P w/ Labs (Choose two within the same sequence)	BIO 165 and BIO 166 or BIO 168 and BIO 169					
Microbiology (Choose one)	BIO 175 or 275					
Electives to reach 120 credits	Electives may be needed to reach 120 credits. Courses can not count as electives if used to fulfill a BSN general education requirement. Suggested elective options (Choose one): SOC 213, 220, 225, 230 or any course(s) from the Statewide Comprehensive Articulation Agreement.					

This sheet provides a list of courses that have previously been transferred to fulfill UNCP general education requirements. Final course equivalency is determined by UNCP's Office of the Registrar. Please refer to the academic catalog at your college for the latest program requirements.

Students are responsible for ensuring they meet all current program requirements.

Students should contact their community college advisor to plan their course schedule to ensure all requirements are being met for the ADN/AGE-N degree.

For more information, please contact Dr. Julie Harrison-Swartz at 910-775-4509 or julie.harrison-swartz@uncp.edu.
