In light of UNC Pembroke’s precautions due to the spread of Covid-19 in our state, the following policies and procedures will immediately take effect at the Livermore Library:

- The Livermore Library will be open to UNCP students and employees on **Monday-Friday, 9a.m. — 4p.m.**, and closed on weekends until further notice.
- Any library materials due to be returned between **March 1 to May 10, 2020** will now be due on **Monday, May 11, 2020** by **5p.m.** This loan extension is for all material types, including items checked out from the SOE Teacher Resource Library. The only exception would be items checked out from InterLibrary Loan (ILL); those items are due back on their current due dates.
- InterLibrary Loan will be limited to electronic requests only. ILL will not be receiving or lending physical items until further notice. Materials that are due to be returned during this time period will be examined on a case-by-case basis.

The Livermore Library has two available book drops, located by the front door and on the curbside behind the building. Book drops are regularly picked up and we encourage patrons to utilize them. Walk-in returns will be accepted as well for current students, faculty, and staff. Patrons also have the option to return library items by mail. If you would like to mail back items, please use the following address:

**Library Book Returns**  
**Livermore Library**  
**One University Drive**  
**Pembroke, NC 28372**

The Livermore Library is dedicated to supporting our students and employees. We would like to remind patrons that all electronic materials are fully available, both on- and off-campus, and we are offering electronic research assistance. You can contact a librarian via email ([refdesk@uncp.edu](mailto:refdesk@uncp.edu)) or IM chat on the library homepage. We can also set up **Webex video conferences** for research assistance.

If you have questions about these service updates, please contact the **Patron Services Desk at 910.521.6516**.
