- ATR 5430 Evidence-Based Practice IV(2) *Justice*
- ATR 5600 Clinical Experience VI (4) *Taylor*

Degree Requirements: Students must take the courses in the order in which they are outlined above. An accumulation of 9 semester hours of “C” quality work, or a single grade of “F” will result in the student being dismissed from the program. Students must have a 3.0 GPA or higher, earn a 70% or higher for each domain on the preparatory exams (within 3 attempts), and score a 3 on the required AT Milestones.
