CHANCELLOR’S MESSAGE

Welcome! I am excited you have chosen to become a member of the UNC Pembroke family. Your success is important to us and drives all we do, and there has never been a more exciting time to be a Brave.

You will soon discover that Pembroke—both the university and community—are like no other. UNCP has a unique heritage and history that distinguishes it from other universities. Founded in 1887 as the Croatan Normal School to educate North Carolina’s American Indian population, the school has since greatly expanded its scope and mission. Today, The University of North Carolina at Pembroke is a diverse, regional comprehensive institution offering 41 undergraduate and 17 graduate programs—with award-winning faculty, a growing global engagement program, an iconic regional performing arts center, a competitive athletic program with 16 intercollegiate teams and so much more.

Unlike many schools our size, UNCP’s faculty and staff will know you by name—here you will be an individual. You will quickly get to know your professors who will endeavor to help you achieve your goals. They care about your progress and will work alongside you, offering access to valuable resources for your success in the classroom. Should you need academic help, emotional support or financial assistance, we have teams of people ready to help. All you have to do is ask!

At UNCP we want everyone to know they are a valued and respected part of our Brave family. I encourage you to take some time to find your place here. Engage in the rich academic and campus life UNC Pembroke offers: chances to learn outside the classroom through study abroad, undergraduate or graduate research with faculty, competitive intramural sports, theater and the arts, 100-plus clubs and organizations, an active student government association and service-learning opportunities, among many others.

Along with faculty and staff, our local community and members of BraveNation near and far, I am excited to welcome you to UNC Pembroke! Let’s make it a great year.

Robin Gary Cummings, M.D.
Chancellor
VICE CHANCELLOR FOR STUDENT AFFAIRS’ MESSAGE

BraveNation,

It is my pleasure to welcome you to The University of North Carolina at Pembroke! I am excited you have decided to join our family, and I hope you will take advantage of the many opportunities and resources available to our campus.

The Division of Student Affairs places students first every day. We are committed to providing you with quality programs, activities and services to enhance and enrich your academic experience. Intellectual, social, cultural, physical and emotional development opportunities are at every corner of your journey at UNC Pembroke. The departments within our division exist to support and facilitate your success.

While it is important that your first priority be your academic studies, we encourage you to get involved in some of our many activities. From student government, clubs, fraternities and sororities, intramural sports and over 100 student organizations—to student publications and community service—there is a place for you to get involved at UNC Pembroke. Our diverse co-curricular activities and programs provide personal and leadership development opportunities for every student.

Join us in building school spirit by supporting BraveNation in athletic events throughout the year. Take advantage of the Jones Athletic Center which houses basketball courts, an aquatics center, racquetball courts and a well-equipped fitness center. Visit the University Center to meet friends for billiards, gaming or bowling. Stroll campus to take in the natural surroundings and get to know our local community. Volunteer, lead with SGA or other student organizations and make an impact.

Stay connected with campus happenings and things to do via BraveConnect, have immediate access to the university’s safety announcements via our LiveSafe mobile app and always know our departments have an open door to all students.

Most of all, start your journey at UNC Pembroke knowing Student Affairs is here to make your experience one that will stimulate learning and build memories to last a lifetime. We are here to ensure your legacy at UNC Pembroke is the best it can possibly be.

We’re glad you’re here.

Sincerely,

Lisa Lewis Schaeffer, Ed.D.
Vice Chancellor for Student Affairs

**II. GENERAL INFORMATION**

**HISTORICAL SKETCH**

On March 7, 1887, the General Assembly of North Carolina passed a bill establishing a normal (teacher education) school for the education of the Indians of Robeson County. The law, passed in response to a petition from the Indian people of the area, established a Board of Trustees and appropriated five hundred dollars to be used for salaries. It was left to the Indians of Robeson County to finance the purchase of land.
and the construction of a building.

The first building was a two-story wooden structure located on one acre about a mile west of the university’s present location. The Croatan Normal School opened in the spring of 1888 with fifteen students. The first diploma was awarded in 1905. The school was moved to the university’s present location in 1909, on the west side of the Town of Pembroke. In 1911, the General Assembly changed the name of the school to Indian Normal School of Robeson County, and in 1913 the name was changed to the Cherokee Indian Normal School of Robeson County. In 1923, a brick building with classrooms, offices and an auditorium was completed. This building, which became known as Old Main, still stands on the campus and is a registered National Historic Landmark.

Before 1926, instruction had been at the elementary and high school levels. That year the Board of Trustees added a two-year normal (teacher education) program beyond high school, and elementary instruction was phased out. The first ten diplomas in the normal program were awarded in 1928. In the early 1930s the school began phasing in the first two years of a college curriculum. By 1939, a four-year curriculum was in place, and the first college degrees were awarded in 1940. In recognition of this, the General Assembly changed the name to Pembroke State College for Indians the next year. The scope of the institution was widened in 1943 when non-teaching baccalaureate degrees were added. Then in 1945, enrollment was opened to all federally-recognized Indian groups, not just the Indians of Robeson County.

A few years later, in 1949, the name of the college was shortened to Pembroke State College. Until 1953, this was the only state-supported, four-year college for Indians in the U.S. In 1953, the Board of Trustees approved the admission of white students, with some restrictions on the number admitted. Then, following the U.S. Supreme Court’s school desegregation decision, the board opened the college to all qualified applicants, without regard to race, in 1954. In 1969, the General Assembly changed the name to Pembroke State University, and the school was designated as a regional university to provide undergraduate and graduate programs of instruction to serve the needs of this region and the state.

The university became one of the sixteen constituent institutions of the newly created University of North Carolina in 1972. The Board of Governors of the University of North Carolina approved the addition of the first master’s degree programs, in professional education, at Pembroke State University in 1978. Since then, other graduate programs have been added along with additional baccalaureate degree programs. In 1996, the General Assembly approved the university’s request to change the name from Pembroke State University to The University of North Carolina at Pembroke.

In 2018, the university established a new College of Health Sciences, its first new college in decades, and experienced record enrollment in the fall semester.

If you have questions about becoming more involved on campus, please visit Suite 243 in the University Center.

OFFICE FOR COMMUNITY AND CIVIC ENGAGEMENT
The Office for Community and Civic Engagement (CCE) is located in Jacobs Hall, Suite K. The CCE office provides opportunities for students to develop their knowledge and understanding of community and civic responsibility through educational programs, co-curricular service opportunities and academic service-learning. The CCE staff advises students on volunteerism, community service, social justice, civic engagement and responsible citizenship.

CCE provides an experiential learning approach to student development and active, responsible citizenship. The core curriculum provides education, awareness and service opportunities for students to become actively engaged in social justice issues and civic responsibility. CCE builds and maintains partnerships with community agencies to provide students with these opportunities. In addition, the office hosts days of service, monthly service opportunities, alternative break trips, and works with the Division of Academic Affairs to develop academic service-learning opportunities. Service-learning is a teaching and learning strategy that enriches academic and lifelong learning by engaging students in meaningful service to the community while gaining valuable knowledge and skills that integrate with course objectives. Students enrolled in service-learning courses are provided with opportunities to apply the concepts, skills and information learned in the classroom to real world problems in the community.

Students may document their participation in civic development education and service opportunities via UNCP Serve, an online volunteer management system, to create a service transcript.

CCE houses the CARE Resource Center and Literacy Commons. The CARE Resource Center is UNCP's on-
campus food pantry and professional clothing closet, located in Wellons Hall, Suite C. The Literacy Commons, located in Wellons Hall, Suite G, is a community and university partnership dedicated to empowering and enhancing all forms of literacy in our local communities through meaningful service opportunities.

ACADEMIC AND MILITARY OUTREACH
The University of North Carolina at Pembroke, Academic and Military Outreach (AMO) is a collaborative team of qualified staff, administration and fellow students providing “veteran-friendly” service and support to all military-affiliated students including veterans, active duty, National Guard, reservists and family members. Additionally, AMO operates “Rally Point” offering, administrative support offices, VA certification, a lounge, computer lab, study and meeting areas. AMO and Rally Point can be called at 910.775.4438/4499.

UNCP supports all military-affiliated students by offering flexible online learning options, transferring credits accepted by degree level, promoting on-campus Army and Air Force ROTC, participating in the Service Member Opportunity Colleges/Degree Network System, supporting families of service members, training faculty and staff to assist with veteran transition and integration into higher education, providing presence on military installations and maintaining full-time counselors trained in veteran-specific concerns. Other military outreach includes application assistance to include credit evaluation through the Joint Services Transcript (JST) system and the Air Force Community College, financial aid and veteran benefits assistance to include certification and submission of all VA education benefits and advising.

Military and veteran students receiving VA education benefits must develop a plan of study upon entering UNCP and declare a major prior to completing 59 semester hours of coursework. The Academic and Military Outreach office will assist every military student in registration and completion of courses required by their chosen degree program. Additionally, military and veteran students are encouraged to join the UNCP Student Veterans of America (SVA) organization that participates in awareness events and community service projects.

Contact the UNCP AMO office or Veterans Affairs Regional Office at 800.827.1000 for information/application for educational benefits. Transfer students receiving VA benefits complete VA Form 22-1995 (Request for Change of Program or Place of Training). Disabled Veterans Chapter 31, Title 38, vocational rehabilitation, will have their university fees paid directly to the university by the U.S. Government. Students under Chapters 30, 33, 35 and 1606 will pay fees at the time of registration and receive a monthly education and training allowance from the Department of Veterans Affairs. Active Duty, National Guard and Reserve service members may receive tuition assistance. Contact AMO or the North Carolina Army National Guard.

OFFICE OF STUDENT INCLUSION AND DIVERSITY
Diversity enriches students’ educational experiences and holistic development. The spaces are open to the campus community Monday-Friday from 8 a.m.-5 p.m. To inquire about reserving the spaces, please contact OSID at 910.521.6508, osid@uncp.edu, on social media @InclusiveUNCP or visit us in Room 124 of Old Main.

CAMPUS RECREATION
The Department of Campus Recreation believes leisure physical activity and enjoyment are vital to a person’s
total well-being. Based upon this belief, Campus Recreation provides a broad and diversified program of recreational activities for the university’s students, faculty and staff. Through the use of our online registration platform IM Leagues (located in BraveWeb) our patrons have the opportunity to participate in over a dozen intramural activities, multiple club sports, group fitness activities and trips associated with our Adventureship Program. Campus Recreation also provides access to non-organized avenues of recreation through the use of the Campbell Wellness Center, Aquatics Center, Auxiliary Gym, and Disc Golf Course. Through these programs, Campus Recreation complements the learning experience by providing our diverse campus community the opportunity to develop a healthy active lifestyle through positive social interactions, lifelong wellness education and innovative and inclusive recreational programming.

**CARE TEAM**

Cultivating a safe and supportive campus environment is the responsibility of all university employees. The CARE Team was created to formalize the university’s existing processes and facilitate communication, collaboration and coordination of concerns related to student wellness and behavior. The CARE Team and affiliated CARE referral process provide a centralized resource for bringing concerns about students to the attention of the people on campus and/or in the community who can best assist that student.

The CARE Team meets weekly to consult and determine optimal support strategies for students who may be experiencing personal challenges and coordinate an appropriate response action plan. Central to the CARE Team process is coordinating campus communication and information sharing to detect patterns of behavior that in isolation may seem insignificant, but when viewed holistically, may indicate a more critical concern.

The UNC Pembroke CARE Team seeks to:

- Identify, assess and support students who display concerning behavior
- Initiate appropriate measures to support the student and campus community
- Coordinate activities with other departments/programs to support students
- Educate and empower the campus community to recognize, report, manage and effectively address concerning, problematic, disruptive, threatening and/or harmful behaviors
- Provide consultation, support, recommendations and intervention assistance to campus members to help students and manage situations or behaviors, preferably before they repeat, escalate or become threatening or acts of harm to self or others
- Collect, assess and track reports and information about student behaviors to identify and respond to patterns of behavior or trends, including gaps in service(s) and support for students

The CARE Team seeks to connect students to the department(s) that will provide the best resource(s) and is located in the UC Annex, Room 217A. For more information, visit uncp.edu/CARE, call 910.775.4180 or email care.team@uncp.edu. Office hours are 8 a.m.-5 p.m., Monday-Friday.

**STUDY ABROAD OFFICE**

A part of Global Engagement, the Study Abroad Office, is the central resource for students interested in adding an increasingly important international dimension to their studies and resume. The skills acquired from participating in an international experience are necessary for success in today’s global economy. Programs, many of which are in English, are available in exciting locations throughout the globe. The Study Abroad Office guides students in selecting the most appropriate destination, obtaining course transfer approval, coordinating financial aid and obtaining travel documents. The Study Abroad Office prepares students for living and studying overseas and is the point of contact and support, while assisting with re-entry and credit transfer. A wealth of opportunities in all majors and interests exist and are surprisingly affordable. For more information, stop by Global Engagement, call 910.521.6573, or email ip@uncp.edu. Interested students are encouraged to visit the Study Abroad link from the Global Engagement and Study Abroad website.

**CAREER CENTER**

The Career Center is located in the Chavis University Center, Room 220. The center assists students and
alumni with their career planning, graduate school application, internship and job search needs. Career counselors help students decide on a major, assess interests, values and skills, explore career options, develop internship and job search strategies, apply to graduate schools and market their qualifications through resume, cover letter and personal statement writing and interview skills practice. The Career Center coordinates the On-Campus Student Employment Program for students seeking on-campus jobs. The center’s website provides 24/7 services including how-to guides and an online Handshake software for students to post their resumes, apply for internships and jobs, network with employers and develop effective career planning skills. The What Can I Do With This Major software on the Career Center’s website helps students identify all of the career options related to their degree. The Career Resource Center (UC, Room 221) can also be reserved for class presentations, employer events and interviews. The Interview Room (UC, Room 219B) can be reserved for student’s or employer’s in-person, phone or online interviews.

Workshops are offered throughout the year on a wide range of career planning topics. Events are scheduled annually including career panels, etiquette dinners, networking and career fairs to help students and alumni explore career options, connect with recruiters and achieve their career goals.

The Career Center builds and maintains partnerships with recruiters from business, industry, government, health care, public education and graduate schools to increase the quality of internship, job and graduate school opportunities for students.

COUNSELING AND PSYCHOLOGICAL SERVICES
UNCP Counseling and Psychological Services (CAPS) is central to the mission of the university. CAPS helps students achieve their educational goals, learn resilience in the face of life’s challenges, increase and enhance their capacity for healthy and positive relationships, and make full use of their potential for continued growth beyond the educational experience. The mission of CAPS is to help students define and accomplish personal and academic goals while maintaining integrity and balance in their lives.

The center offers confidential group and individual counseling, prevention education, psychiatric evaluations and medication monitoring, and clinical assessments. Licensed professionals provide collaborative counseling services for UNCP students without cost. Services are typically provided through walk-in, by appointment or through crisis situations.

CAPS offers a wide range of prevention education outreach on critical issues for the UNC Pembroke community including bystander intervention, suicide prevention, alcohol and drug prevention, decision making curriculum, Mental Health First Aid certification and much more.

STUDENT HEALTH SERVICES
Student Health Services (SHS), located on the first floor in the Brave Health Center, is committed to providing affordable, accessible and high quality health care services to those eligible through health promotion and disease prevention programs. The facility is staffed by a director, contracted physician, nurse practitioner, health educator, nurses and support staff. Students (except distance education) enrolled at UNCP pay a Student Health Fee as part of their tuition each semester. The Student Health Fee covers access to health professionals, health education programs and events. The Student Health Fee will also help cover co-payments and deductibles due for primary care services. Student Health Services will bill students’ insurance plans for services rendered. Students referred for hospitalization, specialty care and diagnostic services not offered through SHS are responsible for the cost of these services, unless covered by health insurance. All registered students taking six (6) or more credit hours are required to purchase the student health insurance plan, with the following exceptions: distance education students and students who submit evidence of equivalent coverage satisfactory to the policyholder may waive coverage. Students who do not submit a waiver online, will automatically purchase the Student Health Insurance and the charge will remain on the student’s account.

Medical excuses for students may be obtained from Student Health Services only when the student sees the
nurse practitioner or nurse before class is missed. This includes resident students and commuting students.

Available medical services include primary medicine, routine gynecologic examinations and contraceptive health education, confidential HIV testing, allergy injections, laboratory services, nursing services, minor injury treatment and health education programs.

Student Health Services is open Monday through Friday from 8 a.m.-5 p.m. For after-hour emergencies, students should call the After-Hours Nurse Line at 1.888.267.3675 or report to Police and Public Safety.

The student’s medical record is available only to the professional staff of SHS and is considered confidential and privileged and may only be released with written permission by the student. Records are retained in SHS eleven (11) years after the student leaves the university and subsequently are destroyed.

**UNCP IMMUNIZATION POLICY**

View the Student Immunization Policy (from Student Health Services) online: uncp.edu/pr/pol-114001-student-immunization-policy.

**FINANCIAL AID OFFICE**

The primary role of the Financial Aid Office, located on the second floor of Lumbee Hall, is to provide financial assistance as well as financial counseling to students requesting these services.

This office coordinates a variety of state, federal, private and institutionally funded aid programs, each with different regulations and requirements. While most of these programs require students to demonstrate financial need, there are loan funds available to help students and parents which are not need-based. All students requesting consideration for any type of financial aid, including loans, must apply each year. The application, Free Application for Federal Student Aid, should be completed online at www.fafsa.ed.gov.

Students should list UNCP's school code which is 002954. Students and parents can sign the form electronically by registering for a FSA ID at https://fsaid.ed.gov/npas/index.htm. The application should be submitted by March 1 to allow time for processing so awards can be made before fall registration.

To be eligible for financial assistance, a student must have a high school diploma or GED; be enrolled as a regular student in an eligible program; be a U.S. citizen or eligible non-citizen; generally, have a social security number; make satisfactory academic progress; register with Selective Service, if required; and, not be in default on any federal loan or owe a refund on a federal grant. Information about the various financial aid programs at UNCP can be found online at uncp.edu/fa.

**SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY FOR FINANCIAL AID**

**GENERAL INFORMATION**

The federal financial aid programs at UNCP are authorized under Title IV of the Higher Education Act of 1965, as amended. The Act states that a student must maintain satisfactory academic progress in the course of study s/he is pursuing, according to the standards and practices of the institution at which the student is in attendance. The federal Title IV programs include Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal Work Study, Federal Stafford Loans (subsidized and unsubsidized), Federal Perkins Loans and Federal PLUS loans. For purposes of consistency and equity among all students, UNCP applies the following standards to all students receiving federal Title IV aid and all students receiving any other financial aid, including institutionally and state funded sources.

All students (full-time, part-time, graduate and undergraduate) who wish to qualify for financial aid while attending UNCP must meet certain standards of Satisfactory Academic Progress (SAP). These standards include a minimum cumulative grade point average (GPA), a minimum credit hour completion rate and the completion of a degree or program of study within a maximum number of credit hours.
For purposes of determining satisfactory academic progress status and eligibility for financial aid, a student’s academic record is evaluated at the end of each spring semester and at the time s/he applies for financial aid. If a student has a break in enrollment or is suspended or dismissed, then his/her SAP will be reviewed at that time. This evaluation will include a student’s entire academic record at UNCP and will compare the student’s academic record to the standards of Satisfactory Academic Progress. These standards are applied to all semesters or terms during which the student was enrolled, regardless of whether the student received financial aid for those prior terms of enrollment.

Students who fail to meet one or more of the SAP standards at the time their progress is reviewed are not eligible for financial aid, including summer terms. The Office of Financial Aid will notify students of their failure to meet the standards of SAP. Each student is responsible for knowing their own status, whether or not the student receives this notification. Students may view their SAP status via BraveWeb or by contacting the Office of Financial Aid.

UNDERGRADUATE STUDENTS

Minimum Cumulative Grade Point Average (GPA): undergraduate students’ cumulative grade point average (GPA) must meet the university standards of a 2.0 for all attempted hours. Graduate students must maintain the appropriate GPA as defined and monitored by The Graduate School. Financial aid eligibility will be canceled immediately for any student who is suspended or dismissed.

Minimum Credit Hour Completion Rate: All students must earn a minimum of two-thirds or 67% of the credit hours that they have attempted including transfer hours. To determine a student’s credit hour completion rate, divide the total earned credit hours by the total number of credit hours attempted at UNCP.

Example: The student below has earned 82 credit hours at UNCP and transferred in 62 earned hours for a total of 144 earned credit hours. This student has attempted 109 hours at UNCP and transferred in 62 attempted hours for a total of 171 attempted credit hours. Divide 144 (earned credit hours) by 171 (attempted credit hours). This student’s credit hour completion rate is 84%.

To earn hours at UNCP, a student must receive a grade of A, B, C, D, or P including + or -. All other grades including F, I, W, AU or NR do not earn hours. If a student withdraws from a class after the drop/add period, those credit hours for which the student earns a grade of W are counted as attempted but not earned hours. Therefore, withdrawing from classes after the drop/add period will negatively affect the student’s ability to satisfy the minimum percentage completion rate requirement.

If a student repeats a course, both the original and the repeated courses will count toward the attempted and earned credit hours. Courses for which a student earns a grade of incomplete (I) are counted as attempted but not earned credit hours. If a student receives a grade in place of an incomplete after his/her academic progress has been evaluated, it is the responsibility of the student to notify the Office of Financial Aid.

Completion of a Degree or Program of Study within a Maximum Time Frame: Each student has a maximum time frame during which s/he can receive financial aid. To remain eligible for financial aid at UNCP, undergraduate students must complete their degree program requirements within 150% of the published length of their degree program. All attempted hours are counted, including transfer hours, whether or not financial aid was received, or whether or not the coursework was successfully completed.

As an example, if an undergraduate degree program requires 120 semester credit hours to complete, then a
student is eligible for financial aid during the first 180 attempted credit hours. (120 x 150% = 180 maximum attempted credit hours for financial aid eligibility).

A full-time undergraduate student pursuing his/her first undergraduate degree will be considered academically eligible for aid for no more than five academic years of enrollment at the university. Any hours transferred in to UNCP will be included in the five year calculation.

A student’s academic load is determined at the end of the drop/add period each semester. If a student reduces his/her course load below the minimum, the Office of Financial Aid must be notified and some aid funds may have to be repaid. The student is responsible for notifying the OFA if a reduction occurs or is contemplated.

UNDERGRADUATE SECOND-DEGREE STUDENTS
A student working toward a second or subsequent baccalaureate degree is expected to make the same satisfactory progress and enroll for the same minimum course load when receiving financial aid as that stated above. These students will normally be eligible for loans only, and eligibility will be limited to no more than two additional academic years. All attempted hours at UNCP, as well as transfer hours are counted toward the maximum attempted hours for all students. The number of hours is not reset based on completion of a prior undergraduate degree.

GRADUATE STUDENTS
A graduate student is considered to be making satisfactory academic progress for financial aid purposes, if the student has completed one-third or 33.3% of all hours attempted, regardless of whether the hours attempted are at the undergraduate or graduate level. Should a graduate student carry an incomplete beyond one semester, then s/he will not be considered to be making satisfactory progress for financial aid purposes and will not be eligible for further financial assistance until the incomplete has been removed. Once the student notifies the Office of Financial Aid that the incomplete has been removed and a grade has been posted, the student regains eligibility for financial aid. The student may receive aid for the semester during which the incomplete is removed if the semester has not yet ended. If it has ended then the student regains eligibility for financial aid for the next term.

Graduate students must complete their degree within the maximum time frame as defined and monitored by The Graduate School. Students admitted to The Graduate School on a provisional basis will receive financial aid for one academic year only. Provisional admits must be fully accepted/admitted to The Graduate School in order to be eligible for financial aid beyond their first academic year.

To be considered full time, students must enroll for at least nine (9) graduate hours each semester. Academic load is determined at the end of the drop/add period each semester. If hours are dropped below these levels, the student must notify the Office of Financial Aid, and some funds may have to be repaid.

WITHDRAWING FROM CLASSES
If a student withdraws from a semester in which the student is receiving financial aid, the student may be required to repay some or all of the financial aid received for the term. The amount to be repaid depends on the date of withdrawal. Federal regulations state that a student earns financial aid by remaining in class for at least 61% of the semester in which aid is being received. If a student withdraws prior to that time, the Financial Aid Office will determine the amount to be returned after performing a federal calculation at the point of withdrawal. Students may owe a balance to the university in these cases. Specific information regarding the university’s refund for not completing the entire semester may be obtained from the university Bursar’s Office.

INCOMPLETE
For a discussion of how incomplete grades and audited courses are figured in the quality points averages, please see the University Catalog under Academic Procedures and Policies. Withdrawals and incompletes are considered attempted but not earned hours. Audited courses are not considered as attempted nor earned
credits. Financial aid is not awarded for audited courses.

REPEATED COURSEWORK
If a student repeats a course, both the original course and the repeated course will count toward attempted and earned credit hours. Both attempts will also count in the GPA calculation in accordance with the university’s Repetition of Coursework policy. Students should be aware that financial aid may not cover all repeated courses.

Most financial aid programs will cover only one repeat of a previously passed course. Students considering repeating a previously passed course are strongly encouraged to consult with the Office of Financial Aid regarding repeated coursework.

UNOFFICIAL WITHDRAWALS/RECEIVING ALL FS IN A SEMESTER
If a student who began attendance and has not officially withdrawn fails to earn a passing grade in at least one course of a semester, UNCP must assume, for financial aid purposes, that the student has unofficially withdrawn. Professors are required to report a last day of attendance for any non-passing grade. The OFA will use this last day of attendance to determine a student’s unofficial withdrawal date. Students who are unofficially withdrawn will be required to pay financial aid back based on the federal calculation, using the last day of attendance as the withdrawal date. Students may owe a balance to the university in these cases.

DROPPING CLASSES
If a student withdraws from a class after the census date and receives a “W,” no financial aid will need to be paid back. However, if a student has a class completely removed from his/ her transcript, some financial aid may need to be paid back. Students may owe a balance to the university in these cases.

TEACHER CERTIFICATION STUDENTS
If a student is taking at least six hours per semester toward a teacher certification, according to federal regulations, a Document of Intent Form must be obtained from the Education Department stating that the student is pursuing a certification in order to qualify for federal student loans.

SPECIAL ADMITTED GRADUATE STUDENTS
If a student has been granted a “special admit” status through the The Graduate School and taking at least three hours per semester, according to federal regulations, a letter from the dean of The Graduate School must be obtained stating that the student has been conditionally admitted to the program. These classes must be prerequisites in the student’s major in order for the student to qualify for federal student loans.

REGAINING ELIGIBILITY FOR FINANCIAL AID
Students who have failed to meet one or more of the SAP requirements are not eligible for financial aid. However, financial aid eligibility may be regained if:

• The student raises his/her cumulative GPA to the minimum standard as defined in this Satisfactory Academic Progress Policy requirements through hours earned at UNCP within the student’s program of study (without financial aid); and/or,
• The student’s credit hour completion rate has been brought up to the standard as defined in this Satisfactory Academic Progress Policy requirements by successfully completing coursework within the program of study at UNCP (without financial aid).

APPEALS PROCESS
Students who do not meet satisfactory academic standards will be subject to a strict monitoring policy and appeals process with the intention of moving the students toward academic progress and graduation. Student grades will be reviewed at the completion of the spring semester to determine eligibility for the following academic year unless the student has a break in enrollment or is suspended/dismissed, then SAP will be reviewed at that time.

The monitoring policy and appeals process is as follows:
Financial Aid Probation: If a student does not meet satisfactory academic progress, s/he will be denied his/her financial aid. The student will be allowed to appeal this decision by submitting an appeal which must include an attached academic plan that, if followed, will ensure that the student is able to meet this SAP policy by a specific point in time. A staff member from the Academic Support Center division will meet with the student to complete the Financial Aid Academic Progress Improvement Plan that outlines how tutoring or other support services provided by the university will be used to help assure academic improvement in the future, and will report on the student's compliance with the plan at the end of the probationary semester(s). Appeals must include a detailed description of the extenuating circumstances that occurred during the time frame in which the student failed to meet this policy. The appeal must also include all necessary documentation to support the existence of the circumstances described and evidence that the circumstances have been resolved. The appeal must include the Financial Aid Academic Progress Improvement Plan as a written plan for academic success in the coming academic term(s). Events/circumstances that merit an appeal include, but are not limited to:

- Personal or family emergency
- Death or extended illness of an immediate family member which results in greater family responsibilities for the student
- Unanticipated, serious medical difficulty (excluding chronic conditions—students are responsible for properly balancing school work with known chronic conditions)
- Serious psychological difficulty

The appeals and all attached documentation will be reviewed by a committee. If a student’s appeal is approved, s/he is subject to the probation requirements as follows:

a. No earned grades below a C (including a C-)
b. No withdrawals (grades of W)
c. No incompletes (grades of I)

Students seeking to reestablish eligibility for financial aid by submitting an appeal remain ineligible for financial aid or deferment of payment until the appeals process is complete and a decision has been determined by the committee. Students should be prepared to pay tuition, fees and other educational expenses until s/he has been approved to receive financial aid.

If a student’s appeal is not approved, that student will not be eligible for financial aid. A student whose appeal has been denied cannot appeal again unless there are material changes in his/her academic record. Material changes to an academic record can include, but are not limited to, processing grade replacements, clearing an incomplete, successfully attending another institution and transferring the credit back to UNCP or attending a semester at UNCP at your own expenses and meeting all three of the SAP standards.

Financial Aid Suspension: If a student’s financial aid appeal was approved and that student does not meet the probation requirements (as shown by grades or by a negative report from the Center for Student Success staff), that student will automatically lose their financial aid for one academic year. One academic year is defined as two consecutive semesters fall/spring or spring/fall. A student whose financial aid is suspended for a spring/fall period will not be eligible for financial aid during summer sessions occurring between the spring/fall semesters. If a student fails to meet SAP, a new Financial Aid Academic Improvement Plan may be developed.

LOANS
Undergraduate students must be enrolled for at least six (6) semester hours in order to be eligible for a Stafford Loan. Graduate students must be enrolled for at least five (5) semester hours. All students must submit the FAFSA form in order to be considered for a loan.

MARY LIVERMORE LIBRARY
The motto of the Livermore Library is “Enhancing Education Through Research.” Serving the students, faculty and greater Pembroke community, the Livermore Library is building the university library of the future.

Foundational of library services is the implementation of the new Integrated Library System and joining the Ex Libris world-wide community of university libraries. Using Alma as the backbone, we also provide Primo, the one-stop meta-search tool for simultaneously searching the library holdings and all of our information database providers. Leganto is our powerful tool which connects the library system to the classroom and the university’s learning management system, Canvas.

The Livermore Library is home for about 350,000 print volumes; our special collections and archives (which provide key documents on the history of the university, the region and the Lumbee Tribe). We are also home to the collected papers of longtime Congressman Charlie Rose. The library subscribes to many databases and information access points, providing users with access to full-text journals, papers from scholarly societies, national and regional newspapers, and other sources. Overall library users have immediate access to nearly 100 million items. As part of the UNC System, the resources of the other constituent university libraries are also available through inter-library loan.

A recently remodeled first floor provides users with updated technology, our Huddle Spaces for group projects, updated and movable seating, portable white boards, and the ease for refreshments and meals at our new Café 641. New dedicated desks for Patron Services and Research Services provide professional librarians and staff to immediately assist with reference and research questions. The librarians, who are also members of the university faculty, teach our regular undergraduate and graduate program research courses as well as provide specialized instruction for individual courses.

Both on campus and online students can access all of the resources of the library 24 hours a day and online students can do online chats with our librarians during regular library hours (see the library webpage for current hours). You can also call Patron Services at 910.521.6516 or Research Services at 910.521.6656. Patrons with questions can also receive an answer within 24 hours by emailing at refdesk@uncp.edu.

There are several specialized collections, including the Education Collection in the School of Education Building. A full-time educational librarian is available at extension of the Livermore Library. The Music Resource Center in Moore Hall is also available and those materials searchable the Ex Libris systems.

The code needed to activate the account is provided in each student's acceptance letter. The AUP is available in its entirety at: uncp.edu/pr/pol-080005-acceptable-use-policy.

The security questions offered when activating one's account should be answered thoughtfully. The answers are needed to change an expired or forgotten password without assistance from DoIT. MISSING RESIDENTIAL STUDENT POLICY
This policy establishes the procedures for The University of North Carolina at Pembroke community regarding the reporting, investigation, and required emergency notification when a student residing in on-campus housing is determined to be missing. PARKING AND VEHICLE REGISTRATION
Each motor vehicle, including two-wheeled vehicles, driven or parked on campus by students, faculty or staff must be registered with the Traffic Office and must display a valid parking permit. Fees are established annually and appropriate notification is provided.

North Carolina General Statute 20-279.21 requires all students to submit proof of motor vehicle insurance prior to purchasing a parking permit. In order to comply with this legislation, students must provide the following: 1) Name of Insurance Company; 2) Policy Number of Insured; and 3) Certification that the insurance meets the minimum needs established by North Carolina: $30,000 for bodily injury to one person, $60,000 for bodily injury to two persons or more, and $25,000 for property damage.

All students, faculty and staff members are subject to traffic rules and regulations. It is each individual’s responsibility to review and know the institution’s policy concerning traffic rules and regulations on campus. The entire policy can be found on the Police and Public Safety Page at uncp.edu/campus-life/police-and-public-safety/parking-traffic-information/parking-traffic/parking and follow the links on the right for each section. These regulations are strictly enforced by the campus police. Fines must be paid before any records will be released from the university. Conviction of a violation of the traffic laws while operating a vehicle on campus has the same effect on your driver’s license as a conviction for the same offense on the public highways. The speed limit on campus is 20 mph and is enforced.

It is a privilege and not a right for a person to keep or operate a motor vehicle on campus. Each student, faculty, or staff member must agree to comply with the traffic rules and regulations before keeping or operating a vehicle at The University of North Carolina at Pembroke. The university reserves the right to withdraw motor vehicle privileges from any person at any time.

All parking fines are due to be paid within three (3) days of the issuance date, unless they are appealed within those three days. If appealed, payment of assessments will not become due until notification of the Traffic Appeal Board to the person being assessed of its decision not to reverse the citation, at which time payment must be made within three (3) days.

RESERVED PARKING
The University of North Carolina at Pembroke has set aside reserved parking spaces located throughout campus. Any vehicle not properly registered for reserved parking areas will be subject to towing. The Traffic Office can be reached weekdays at 910.521.6795, or contact the University Police at 910.521.6235.

TRAFFIC VIOLATIONS
Violations of traffic laws on the university campus (excluding parking violations) are violations of the motor vehicle laws of the State of North Carolina. All moving violations are processed through the state court system. After a citation has been issued, the matter is in the court system and cannot be resolved at the university. Conviction of a violation of the traffic law while operating a vehicle on the campus has the same effect on your driver’s license as a conviction for the same offense on the public highway. The speed limit on campus is 20 mph on all public streets and 10 mph in parking areas and is enforced.
TRAFFIC APPEALS BOARD
The Traffic Appeals Board is appointed each year by the chancellor. The board consists of two students, one faculty and one staff member. The board has the authority to review violations to determine whether or not a violation has been properly established. The board has the authority to void or reduce any citation when a violation of the Campus Traffic Regulations is not shown, but does not act as a substitution for public authority when it applies.

NEW STUDENT ORGANIZATION RECOGNITION
In order to ensure a proposed organization is compatible with the university’s mission, and that it is in compliance with all federal, state and university regulations, the university reserves the right to review and approve all proposed student organizations. Students who are interested in forming a new organization should review the Student Organization Handbook for updated policies and procedures and discuss their plans with the Office for Campus Engagement and Leadership before having organization meetings, writing a constitution or planning activities. The Office for Campus Engagement and Leadership will work with the student organization to identify existing student organizations that may meet students’ needs or help the students to develop the appropriate documentation to support successful completion of the recognition process. Students who wish to form a social Greek-letter organization must meet additional guidelines set forth by the office. For a complete list of active student organizations, please visit the “organizations” tab at: uncp.edu/BraveConnect.

FUNDRAISING ACTIVITIES
All campus organizations sponsoring fundraising events are subject to the university’s policies. Student organizations must submit a Fundraising Form through BraveConnect when conducting fundraising activities four business days prior to the event for UC Mall requests and seven business days for all other spaces. The reasoning for this is twofold: (1) conflicts will be avoided through efficient scheduling and (2) compliance with state and university statutes and regulations must be monitored.

Off-campus functions by student organizations will not be approved and/or supervised by the university. Student organizations are encouraged to schedule their functions, or any other form of fundraiser, on campus. However, students and student organizations are reminded that they are subject to appropriate disciplinary action, including possible suspension or expulsion from the university, for breach of federal, state and local laws or university regulations. This principle extends to conduct off campus which is likely to have adverse effect on the educational process or which stamps the offender as an unfit associate for the other students. Students and student organizations are not entitled to greater immunities or privileges before the law than those enjoyed by other citizens.
STUDENT ORGANIZATIONS
The Office for Campus Engagement and Leadership supports student involvement and engagement. With over 110 recognized student organizations, students are sure to find one that's right for them. IV. RIGHTS AND RESPONSIBILITIES
STUDENT RIGHTS AND RESPONSIBILITIES
For the most updated version of this regulation, please refer to: uncp.edu/pr/reg-113002-student-rights-and-responsibilities-regulation.

1.1 Students attend The University of North Carolina at Pembroke as a voluntary act and accept substantial benefits which the State of North Carolina provides. In taking such action, and accepting the benefits which accrue, students must accept the rules and regulations that have been developed pursuant to law.

1.2 Upon enrollment, a student receives no sanctuary from obedience to law. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens generally. In addition to the federal, state and local laws that pertain to all citizens, a student must accept the institutional rules and regulations necessary to accomplish the purposes for which the institution was established. The student does not, however, lose constitutional or legal rights by an act of voluntary enrollment. The University of North Carolina Policy Manual (700.4.1) specifically refers to the important right of a fair hearing and due process. Federal and state statutes and court cases have established certain student rights which are not to be infringed upon, except in situations which are themselves outlined in law and court procedures. Among these are:
   1.2.a. No student may be denied access to university facilities or programs on the basis of race, color, national origin, religion, sex, age, sexual orientation, gender identity, genetic information, disability or because of the individual’s honorable service in the armed services of the United States;
   1.2.b. No student may be denied the protection of the First Amendment of the Constitution of the United States and Article I of the Constitution of the State of North Carolina, which refer to freedom of speech, freedom of religion, freedom of the press, and freedom to assemble peacefully; and
   1.2.c. No student may be denied the continuance of their education for disciplinary reasons without being afforded the right to due process.

1.3 Upon registration, student organizations voluntarily accept the rules and regulations outlined by the university. Student organizations are expected to follow the law as well as the UNCP Student Code of Conduct. In addition to the federal, state and local laws that pertain to all citizens, a student
organization must accept the institutional rules and regulations necessary to accomplish the purposes for which the institution was established.

2. ADDITIONAL RIGHTS RECOGNIZED BY UNCP
2.1 The right to read and study free from undue interference in one’s room. (Unreasonable noise and other distractions inhibit the exercise of this right.)

2.2 The right to sleep, the right to one’s personal belongings and the right to free access to one’s room and suite facilities during the period that the residence halls are open, the right to a clean environment in which to live (optimum physical conditions are essential, as they support, reinforce, and provide positive conditions in which to learn and live).

2.3 The right to redress of grievances. If the academic and residence hall communities are to function in the most educationally profitable manner, the right to initiate actions and referrals for impartial and fair adjudication of grievances is held paramount. In exercising this right, the student further holds the right to be free from fear or intimidation, physical and/or emotional harm and without imposition of sanctions apart from the due process.

2.4 The right to personal privacy. All persons should have freedom from interference with their personal activities and should be able to maintain privacy for other than academic reasons.

2.5 The right to host guests. All students should have the opportunity to maintain personal contacts and friendships with other persons to fulfill their needs for socialization. Guests are to respect the above stated rights of the host’s roommates and of other residents.

3. UNIVERSITY STUDENT CONDUCT SYSTEM
3.1 The University of North Carolina at Pembroke Student Code of Conduct outlines the rights and responsibilities of students and student organizations on and off campus. The purpose of the rules is to prevent abuse of the rights of others and to maintain an atmosphere in the university community appropriate for an institution of higher learning. Sections in the Student Code of Conduct cover academic concerns (grievances and standards) and student conduct and appeals. Rules included in the Student Code of Conduct are subject to amendment or revision.

3.2 Subject to any policies or regulations of the Board of Governors or of the Board of Trustees, it shall be the duty of the chancellor to exercise full authority in the regulation of student affairs and student conduct and discipline. In the discharge of this duty, delegation of such authority may be made by the chancellor to faculty committees and to administrative or other officers of the institution, or to agencies of student government, in such manner and to such extent as may by the chancellor be deemed necessary and expedient. In the discharge of the chancellor’s duty with respect to matters of student discipline, it shall be the duty of the chancellor to secure to every student the right to due process. Appeals from these disciplinary decisions are allowable only on the following grounds:
   3.2.a. Violation of due process; or
   3.2.b. Material deviation from Substantive and Procedural Standards adopted by the Board of Governors.

3.3 Where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees. No appeal to the president is permitted. When the sanction is expulsion, the final campus decision is appealable to the Board of Governors.

3.4 Every student shall be bound by the Honor Code and the UNCP Student Code of Conduct. The
Honor Code shall prohibit academic dishonesty. The Student Code of Conduct shall prohibit actions and behaviors that are clearly inconsistent with the university’s expectations for membership in this community. The Student Code of Conduct is published in the student handbook, university catalog and faculty handbook. All adjudicatory power of the Student Body shall be vested in a system of hearing boards with recognition that ultimate responsibility must conform to the bylaws of the university as established by the Board of Trustees.

4. STUDENT CODE PHILOSOPHY

4.1 The Student Code of Conduct contains the expectations and standards of the UNCP community. As members of the university community, students and student organizations are expected to conduct themselves in positive ways that contribute to the overall well-being of the university community. While matters of student misconduct cannot always be anticipated precisely, the following code applies to all students and student organizations and is consistent with the pursuit of university standards and educational objectives. The Student Code of Conduct should be read broadly and is not designed to define prohibited conduct in exhaustive terms. The Student Code of Conduct applies at all locations of the university, including affiliated programs in other states or foreign countries and off-site intern/externships.

4.2 Each student at the university is a member of the academic community as well as the civil community of the university and the surrounding area. All students can expect to be treated in a fundamentally fair manner as they carry out the duties and obligations associated with being citizens in such communities. The university conduct process is designed as an educational one; to encourage and promote the process of self-discipline and personal accountability. UNCP shall provide prompt and equitable conduct proceedings.

4.3 The university will adhere to the requirements of the law and will cooperate and communicate as appropriate with law enforcement agencies in their duties. Students are expected to be aware of and obey local, state, and federal laws in addition to the Student Code of Conduct and to take an active role in understanding their responsibilities as members of these communities. The university student conduct process is separate and is not attached or associated with any civil or criminal adjudication systems; therefore, the standard of expectation regarding due process and technical rules of evidence applicable to civil and criminal cases shall not apply.

4.4 The Office of Student Conduct can be reached by phone at 910.521.6851, or by email at studentconduct@uncp.edu. For the entire and most updated version of the Student Rights and Responsibilities Regulation please refer to: uncp.edu/pr/reg-113002-student-rights-and-responsibilities-regulation.

UNIVERSITY STUDENT CONDUCT SYSTEM

Subject to any policies or regulations of the Board of Governors or the Board of Trustees, it shall be the duty of the chancellor to exercise full authority in the regulation of Student Affairs and in matters of student discipline in the institution. In the discharge of this duty, delegation of such authority may be made by the chancellor to faculty committees and to administrative or other officers of the institution or to agencies of student government, in such a manner and to such extent as may by the chancellor be deemed necessary and expedient. In the discharge of the chancellor’s duty with respect to the matters of student discipline, it shall be the duty of the chancellor to secure to every student the right of due process and fair hearing, the presumption of innocence until found guilty, the right to know the evidence and to face witnesses testifying against the student, and the right to such advice and assistance in the individual’s defense as may be allowable under the regulations of the university approved by the chancellor. In those instances where the denial of any of these rights is alleged, it shall be the duty of the President of the University of North Carolina
to review the proceedings.

Every student shall be bound by the Honor Code and the university Code of Conduct. The Honor Code shall prohibit academic dishonesty. The Code of Conduct shall prohibit actions and behaviors that are clearly inconsistent with the university’s expectations for membership in this community. Visit the university Code of Conduct website and also the Office of Student Conduct website. All adjudicatory power of the student body shall be vested in a system of hearing boards with recognition that ultimate responsibility must conform to the bylaws of the university as established by the Board of Trustees.

ACADEMIC HONOR CODE

STATEMENT OF PRINCIPLES
For the most updated version of this policy, please refer to: uncp.edu/pr/pol-020505-academic-honor-code-policy.

1.1 Academic honor and integrity are essential to the existence of a university community. If high standards of honesty are not maintained by everyone, the entire community and society itself suffer. Maintaining standards of academic honesty and integrity is ultimately the formal responsibility of the instructional faculty. Therefore, when any academic dishonesty is suspected, a faculty member has the responsibility to, and must, follow the policies and procedures of the UNCP Academic Honor Code.

1.2 Students are important members of the academic community. As responsible citizens of the UNCP community, students are obligated to uphold basic standards of honesty and to actively encourage others to respect and maintain those standards. Allowing academic dishonesty is just as dishonest as committing a dishonest act oneself.

1.3 The Academic Honor Code applies to both undergraduate and graduate students who attend The University of North Carolina at Pembroke.

ACTS THAT VIOLATE THE ACADEMIC HONOR CODE
2.1 While specific violations may take many forms, the general categories of acts that violate the Academic Honor Code are as follows:

2.1.a. Cheating: Cheating means the use of or attempted use of unauthorized materials and methods (notes, books, electronic information, submission of work composed by another entity, telephonic or other forms of communication, or other sources or methods) in any academic exercise, whether graded or otherwise. This definition includes both giving unauthorized information (in either oral or written form) and receiving such information during any academic exercise, whether graded or otherwise.

2.1.b. Plagiarism: Plagiarism is defined as the representation of another’s words, thoughts, creative works, images or ideas as one’s own without proper attribution in connection with submission of academic work, whether graded or otherwise.

2.1.c. Fabrication and Falsification: Fabrication and falsification is defined as the alteration, invention or citation of any information or material in any academic exercise, whether graded or otherwise. Falsification is a matter of altering information or material, while fabrication is a matter of inventing or counterfeiting information or material for use in any academic exercise, whether graded or otherwise.

2.1.d. Abuse of Academic Materials: Abuse of Academic Materials is defined as the destruction, defacement, stealing, altering or making inaccessible library or other academic material.

2.1.e. Complicity means knowingly helping or attempting to help another person to commit any act of academic dishonesty. For example, complicity would include allowing another student to look at...
test answers or to copy a paper. Simply stated, don’t help someone else be dishonest.

**PENALTIES FOR VIOLATIONS OF THE ACADEMIC HONOR CODE**

3.1 The UNCP community takes the Academic Honor Code very seriously. Consequently, violations may lead to severe penalties. All acts of academic dishonesty violate standards essential to the existence of an academic community. Some first offenses are properly handled and penalties determined by the faculty member teaching the specific course in which they occur. The faculty member must use the settlement procedure described below to handle such an offense.

3.2 Penalties which individual faculty members may impose are limited to the following:

3.2.a. A formal written warning or reprimand;

3.2.b. A reduced grade (including F) for the assignment;

3.2.c. A reduced grade (including F) for the entire course; and

3.2.d. Supplemental educational assignment(s) in conjunction with the penalties above.

3.2.1 In all cases, whatever the penalty, a signed Settlement of a Violation of the Academic Honor Code form will be kept for ten years in the Office of Student Conduct. When submitting the form to the Office of Student Conduct, all information on the form must be completed in its entirety as well as signed by both the faculty member and the student. The purpose of this record-keeping is to deter students from repeating offenses and to maintain continuity of record-keeping regarding academic misconduct. A second purpose is to be sure students who violate the Academic Honor Code a second time are appropriately adjudicated.

3.3 The Conduct Hearing Board (CHB) handles all second offenses, some more serious first offenses, and any charges that the student feels are unfounded. In addition to any of the penalties available to an individual faculty member, the CHB may implement educational sanctions (i.e. educational courses on academic integrity, referral to academic support services, referral to counseling, etc.) suspend the student from the university for a designated period of time (one semester, one year, etc.), or dismiss the student from the university.

3.4 Several factors are considered in determining what penalty to impose for a violation of the Academic Honor Code. Those factors include:

3.4.a. The nature and seriousness of the offense;

3.4.b. The injury or damage resulting from the violation;

3.4.c. The student’s prior disciplinary record; and

3.4.d. The student’s attitude and behavior after the violation was committed.

**PROCEDURES FOR HANDLING CHARGES OF VIOLATIONS**

4.1 If the faculty member responsible for a course obtains evidence, either directly or through information supplied by others, that a student may have violated the Academic Honor Code, the faculty member has a duty to investigate and document the incident by collecting whatever relevant information is available.

4.2 If the faculty member decides that the information is sufficient to support a charge against the student, the faculty member is to contact the director of Student Conduct, who will determine from the records of past violations whether the student in question has previously admitted to, or been found responsible in a previous case of, an Academic Honor Code violation.
4.3 If the suspected violation would be a second offense, the faculty member must take the case to the CHB. If the charge would be a first offense and the faculty member believes that a penalty no greater than F in the course would be appropriate, the charge may be settled between the faculty member and the student (as described below), with the settlement form signed and filed with the Office of Student Conduct. If the suspected violation would be a first offense, but one for which the faculty member considers the appropriate penalty to be more severe than F in the course, the case must be brought to the Office of Student Conduct for referral to the CHB.

4.4 Once a student has received notice that he or she is alleged to have violated Academic Honor Code and has been notified of the allegation, he or she may not withdraw from the course or the university in order to avoid the penalty.

SETTLEMENT PROCEDURE TO BE USED BY INDIVIDUAL FACULTY MEMBERS

5.1 The faculty member should meet via phone, video conferencing, or in person with the student suspected of violating the Academic Honor Code, present the evidence of the violation, and request an explanation from the student. After hearing the explanation, if the faculty member decides that a violation has occurred, he or she fills out and signs the Settlement of a Violation of the Academic Honor Code form, which is available to all faculty members online or in hard copy through the Office of Student Conduct. The faculty member indicates the nature of the violation and the penalty to be applied, and then gives a copy of the form to the student. After receiving the form, the student has three (3) calendar days to consider and seek advice on whether to admit responsibility and accept the penalty by signing the form.

5.2 If the student agrees to sign, admitting responsibility and accepts the penalty proposed, he or she does so in the presence of the faculty member or email communication with the faculty member. The faculty member then imposes the penalty. The faculty member will then make two (2) copies of the signed form. The faculty member will provide one copy to the student and keep one copy for their files. The faculty member will send the original signed settlement form to the director of Student Conduct, who keeps a record of first offenses for ten years, and thus the matter is ended. If the student decides not to admit responsibility or not to accept the penalty, the faculty member must take the case to the Office of Student Conduct for the incident to be referred to the CHB, if any penalty is to be imposed.

CONDUCT HEARING BOARD

6.1 Composition of the CHB is as follows:

6.1.a. A minimum of five (5) students recommended by the president of the student body, and/or interested students may be recommended by university departments, or interested students may apply to the Office of Student Conduct for selection for consideration by the chancellor. Students that are recommended and/or selected will be appointed by the chancellor;

6.1.b. A minimum of five (5) faculty members recommended by the faculty senate chairperson and appointed by the chancellor;

6.1.c. A minimum of five (5) administrative members recommended by the vice chancellor for Student Affairs and appointed by the chancellor.

6.2 Hearings follow procedures outlined in Chapter IV., Rights and Responsibilities. The CHB will judge the student as responsible or not responsible of the charges contained in the form submitted by the faculty member. The faculty member who has submitted the violation will provide information to the CHB to support their position. The student who has been charged with a violation may provide information to the CHB to support their position. Members of the CHB may question either the student or the faculty member or both and may ask for additional materials as they see fit to do so. In a closed session, the CHB will come to a conclusion about the validity of the charges.

6.3 If the student charged with a violation of the Academic Honor Code is found not responsible, the CHB
prepares a written report of the case and sends it to the director of Student Conduct, who will maintain a confidential file of materials related to the case. No part of the file becomes part of the student's disciplinary record. The case is closed and no penalty may be imposed.

6.4 If a student is found responsible of violating the Academic Honor Code, the CHB will determine an appropriate penalty. Both the student and faculty member who submitted the violation may give evidence and make statements concerning the appropriate penalties to be imposed. The director of Student Conduct will supply the student's previous academic honor code disciplinary record (if any) to the CHB.

6.5 After hearing the evidence on the appropriate penalty, the CHB will determine the penalty, and prepare a written report to the student and the director of Student Conduct. The director of Student Conduct notifies the faculty member and the provost and vice chancellor for Academic Affairs of the contents of that report. If the CHB decides that a penalty of a grade of F in the course (or one less severe) is appropriate, the faculty member imposes that penalty and no other penalty. If a more severe penalty is deemed appropriate, the director of Student Conduct implements the penalty indicated in the report. The student will be notified by the director of Student Conduct within five (5) days of the CHB's determination of penalty.

CONDUCT APPEAL BOARD

7.1 If the CHB has found a student responsible of violating the Academic Honor Code, the student has the right to appeal that decision. If the student does not file a notice of appeal, the decision of the CHB will be final.

7.2 In order for a student to appeal a determination of the CHB in an Academic Honor Code violation, the student must contact the Office of Student Conduct to complete the "Request for Appellate Consideration" form. A student must submit “Request for Appellate” form within five (5) calendar days to the director of Student Conduct. The director of Student Conduct will deliver the request as well as all related materials to the Conduct Appeal Board.

7.3 The composition of the Conduct Appeal Board and its powers are in Chapter IV., Rights and Responsibilities. For Academic Honor Code violations and their appeals, the provost and vice chancellor for Academic Affairs (or his or her designee) will represent the vice chancellor for Student Affairs.

7.3.1 All charges for alleged Academic Honor Code violations occurring one week prior to exams and going through exam week and during summer sessions will be heard by the administrative hearing officer. Appeals will be directed solely to the provost and vice chancellor for Academic Affairs or their designee.

WHAT TO EXPECT FROM FACULTY

8.1 Faculty members have been instructed that they should outline their expectations pertaining to the Academic Honor Code at the beginning of each course. Students should be aware that some faculty members authorize or prohibit specific forms of student conduct which are unique to their courses or disciplines. All faculty members should refer students to the Academic Honor Code which is published in the UNCP Student Handbook. Further, faculty members have been advised to include the following statement in all course syllabi:

8.1.a Student Academic Honor Code. Students have the responsibility to know and observe the UNCP Academic Honor Code. This code forbids cheating, plagiarism, abuse of academic materials, fabrication or falsification of information, and complicity in academic dishonesty. Any special requirements or permission regarding academic honesty in this course will be provided to students in writing at the beginning of the course, and are binding on the students. Academic evaluations in this course include a judgment that the student's work is free from academic dishonesty of any type; and grades in this course therefore should be and will be adversely affected by academic dishonesty. Students who violate the code can be dismissed from the university. The normal penalty for a first offense is an F in the course. Standards of academic honor will be enforced in this course. Students are expected to report cases of academic dishonesty to the instructor.
8.2 In general, faculty members should, and will, take preventive measures to avoid cases of academic dishonesty (for example, examinations should be carefully proctored). However, a faculty member’s failure to take such measures is no excuse for academic dishonesty. Academic honesty and integrity, in the final analysis, are matters of personal honesty and individual integrity on the part of every student.

STUDENT CONDUCT DISCIPLINARY PROCESS
For the most updated version of this regulation, please refer to: uncp.edu/pr/reg-113003-student-conduct-disciplinary-procedures.

DISCIPLINARY PROCESS PURPOSE
1.1 Office of Student Conduct disciplinary procedures at UNC Pembroke are designed to address violations of disciplinary or conduct rules in a manner that prioritizes student development and education. While disciplinary procedures may result in the imposition of sanctions in appropriate cases, the primary objectives of these disciplinary procedures are to uphold honor, integrity, and personal responsibility and to promote student learning, safety, health and well-being.

1.2 This emphasis upon student education and growth as the primary objectives of the disciplinary procedures distinguish these processes from criminal or civil legal proceedings. Consistent with these student learning and development objectives, disciplinary procedures at UNC Pembroke reflect community values, university policies, and Board of Governors standards; and provide for the respect and consideration of all participants.

1.2.1 Disciplinary procedures are not subject to the federal Rules of Evidence or the Rules of Civil Procedure. As a result, information that might be deemed “hearsay” or is otherwise inadmissible during a formal legal proceeding might be considered by the administrator or Conduct Hearing Board.

INITIATION OF DISCIPLINARY PROCEEDINGS
2.1 The University of North Carolina at Pembroke is an educational institution. At educational institutions, disciplinary proceedings do not follow the same procedure used in courtrooms. The university shall have the burden to prove responsibility by a preponderance of information. Preponderance of information shall be interpreted as a person being held responsible based upon information/evidence (that information/evidence which is more likely than not) presented from which any reasonable person would conclude that a violation of Office of Student Conduct had occurred. The purpose of the student discipline process is to maintain a healthy community where shared values, expectations, and behavioral standards set by the campus community are enforced. Students share in the responsibility for maintaining an environment in which the rights of each member of the university community are respected. The goal of the university discipline process is to provide all students with a fair and just system of adjudication.

2.2 Under the direction of the chancellor, the vice chancellor for Student Affairs has primary responsibility and authority for the administration of student discipline. Further delegation of this authority may be made by the vice chancellor for Student Affairs to the director of Student Conduct and/or other disciplinary bodies such as the Conduct Hearing Board (CHB) and the Committee on Extraordinary Disciplinary Emergencies.

FILING COMPLAINTS
3.1 Any academic or administrative official, faculty or staff member, or student may file a written complaint with the Office of Student Conduct against any student or any student organization for misconduct.

3.2 While action on a complaint of violating a university policy is pending, the status of the student shall not be altered, except for reasons outlined in Section 19.5 (Interim Suspension) of this policy.

PRESUMPTION OF INNOCENCE
4.1 Any student or student organization charged with an infraction of the Code of Conduct shall be presumed innocent until proven responsible by a preponderance of information.
PRELIMINARY INVESTIGATION
5.1 When the director of Student Conduct receives information that a student has allegedly violated university policies or local, state, or federal law, the director of Student Conduct or their designee shall investigate the alleged violation. After completing a preliminary investigation, the director of Student Conduct or their designee may:

5.1.a. Find no basis for the complaint and dismiss the allegation as unfounded;

5.1.b. Summon the student for a pre-hearing and then either dismiss the allegation, or provide the student with the choice of an administrative or CHB hearing; or

5.1.c. Proceed administratively by informing the student of the options for resolution of the disciplinary charges.

OPTIONS FOR RESOLUTION OF DISCIPLINARY CHARGES FOR INDIVIDUAL STUDENTS
6.1 Plead not responsible to the charge(s) and request an administrative hearing before the director of Student Conduct or their designee where determination of responsibility will be made. The director of Student Conduct or their designee may elect not to hear the case. The case would then be heard by the CHB. If the student is held responsible by the administrative hearing officer, an appropriate sanction will be determined.

6.2 Plead not responsible to the charge(s) and have a hearing before the CHB where a determination of responsibility will be made. If the student is held responsible by the CHB, an appropriate sanction will be determined.

6.3 Plead responsible to the charge(s) and request an administrative hearing before the director of Student Conduct or their designee to determine an appropriate sanction. The director of Student Conduct or their designee may elect not to hear the case. The case would then be heard by the CHB.

6.4 Plead responsible to the charge(s) and request that the CHB determine an appropriate sanction.

6.5 A student choosing a hearing before an administrative hearing officer or the CHB has a right of appeal to the Conduct Appeal Board and then to the chancellor or their designee. If a student chooses a hearing before the CHB and is cited for an additional violation in the interim, a student then forfeits the right to a board hearing, and an administrative hearing will be conducted on all charges.

6.5.1 All charges for alleged Code of Conduct violations occurring one week prior to exams and going through exam week and during summer sessions will be heard by the administrative hearing officer or their designee. Appeals will be directed solely to the vice chancellor for Student Affairs or their designee via the director of Student Conduct or their designee.

6.6 If a student requests an administrative hearing before the director of Student Conduct or their designee, the student may waive all or part of the written notice requirements that follow. The student may also waive the number of days specified from the original date of the charge(s) and proceed with the hearing. All waivers shall be executed by a signed writing. If the student chooses an administrative hearing, the director of Student Conduct or their designee shall provide the student with:

6.6.a. A written notice of the charge(s) and an outline of rights. In the event that additional charges are brought, a further written notice must be forwarded to the student in accordance with Section 8 (Disciplinary Correspondence) of this policy;

6.6.b. A review of all available information, documents, exhibits, and a list of witnesses that may testify against the student. This is a continuing obligation of the complaining party and the director of Student Conduct or their designee;

6.6.c. A choice to elect not to appear at the hearing. The hearing shall be conducted in the student's
absence;

6.6.d. A written notice of the date, time, and place of the hearing forwarded to the accused at least five (5) calendar days prior to the hearing. Unless the student waives all or part of the notice, the formal hearing will not be held less than five (5) calendar days from the date of the original charge letter;

6.6.e. In cases of serious violations (a violation which the possible sanctions include suspension or dismissal) a written notice of the formal charges must be provided to the student. The hearing date for these charges may not be scheduled for at least ten (10) calendar days prior to the hearing unless the student waives all or part of the notice; and

6.6.f. A pre-hearing interview with the director of Student Conduct or their designee where all of these rights, responsibilities, and procedures are explained.

SUMMONING A STUDENT FOR A PRE-HEARING
7.1 Should a student not appear when requested by the director of Student Conduct or their designee, the director of Student Conduct or their designee may formally summon a student to appear for a conference in connection with an alleged violation.

7.2 The letter shall direct the student to appear at a specified time and place not less than three (3) calendar days after issuance of the letter. The letter shall also describe briefly the alleged violation.

7.3 If an accused student fails to respond to a charge letter and the required pre-hearing interview, the accused student forfeits the aforementioned options stated in Sections 6.6.a. through 6.6.e. and will be notified by certified letter, sent at least seven (7) calendar days prior to a hearing before the director of Student Conduct or their designee, or, at the option of the director of Student Conduct, the CHB. At this hearing, a decision of responsible or not responsible will be made based on available information, with or without the accused student. If the student fails to attend the hearing, all allegations against the student shall be deemed to be denied by the student. When appropriate, a sanction will be determined and the student will be notified in writing.

DISCIPLINARY CORRESPONDENCE
8.1 All disciplinary correspondence will be sent to the student’s campus email account via Maxient (conduct database) and/or via university email from the director of Student Conduct or their designee; to the student’s campus post office box (for on-campus residents) by certified mail, return receipt requested; and to the permanent address of record for commuter students by certified mail, return receipt requested. The university reserves the right to use other reasonable means to notify students.

CONDUCT HEARING BOARD (CHB)
9.1 The CHB shall become involved when a student requests a hearing before the CHB or when a case is referred by the director of Student Conduct or their designee. The CHB is a board of the chancellor composed of faculty, staff, and student members. The director of Student Conduct or their designee serves as the advisor to the CHB.

9.2 A quorum shall consist of any three (3) individuals (to include the chair) selected from the pool of members, which includes:

9.2.a. A minimum of five (5) students recommended by the president of the student body. Interested students may be recommended by university departments, or may apply to the Office of Student Conduct for selection for consideration by the chancellor. Students that are recommended and/or selected will be appointed by the chancellor;
9.2.b. A minimum of five (5) faculty members recommended by the faculty senate chair and appointed by the chancellor; and

9.2.c. A minimum of five (5) administrative members recommended by the vice chancellor for Student Affairs and appointed by the chancellor.

9.3 The chair of the CHB shall be appointed by the chancellor and is a non-voting member, except when there is a tie vote.

9.4 Selection of Conduct Hearing Board Members

9.4.1 The students recommended by the president of the Student Government Association for appointment to the CHB are selected through a campus-wide application process.

9.4.2 CHB members will be appointed by August 15 each year. Appointments are for one (1) year. CHB members may be reappointed by the chancellor.

9.4.3 Vacancies occurring during the course of the year will be filled by the chancellor.

9.4.4 Members of the CHB become active members only after they have been trained by the Office of Student Conduct.

9.5 Jurisdiction of Conduct Hearing Board

9.5.1 The CHB may have, at the request of the student, original jurisdiction in disciplinary cases.

9.5.2 The CHB may have, upon referral by the director of Student Conduct or their designee, original jurisdiction in disciplinary cases.

PROCEDURAL STANDARDS FOR CONDUCT HEARING BOARD CASES

10.1 All matters upon which the decision may be based must be introduced into the informational packet at the hearing before the CHB. The decision shall be based solely upon such matters and must be supported by the information. Any student charged with an infraction shall be presumed not responsible until proven responsible by a preponderance of the information.

10.2 All information will be admitted except that which is irrelevant or repetitious or which is obtained in violation of search and entry provisions. The CHB will be the sole judge of admissibility of information.

10.3 CHB records are maintained in the Office for Student Affairs and are confidential and may be released only with the consent of the accused student.

10.4 No member of the hearing body who has a personal interest in the particular case may sit in judgment during the proceedings. In such cases in which a member cannot serve due to a conflict of interest, an alternate member will serve for the duration of the hearing.

10.5 In an effort to maintain the environment described in Section 1.1 of this document, questioning of witnesses will be conducted in the following manner: Questions will be posed to the chair of the Conduct Hearing Board (CHB) and if the question is deemed appropriate and relevant the chair of the CHB will instruct the witness to answer the question posed. The chair of the CHB will, if necessary, repeat the question for the witness.

HEARINGS BEFORE CONDUCT HEARING BOARD

11.1 Prior to a hearing, the accused student is entitled to:
11.1.a. A written notice of the charge(s) and an outline of rights. In the event that additional charges are brought, a further written notice must be forwarded to the student;

11.1.b. A review of all available information, documents, exhibits, and a list of witnesses that may testify against the student. This is a continuing obligation of the complaining party and the director of Student Conduct or their designee;

11.1.c. A written notice of the date, time, and place of the hearing forwarded to the accused at least five (5) calendar days prior to the hearing, unless the student waives all or part of the notice. The formal hearing will not be held less than five (5) calendar days from the date of the original charge letter, unless the student charged waives the limit;

11.1.d. A pre-hearing interview with the director of Student Conduct or their designee where all these rights, responsibilities, and procedures are explained; and/or

11.1.e. In cases of serious violations (a violation which the possible sanctions include suspension or dismissal), a written notice of the formal charges must be provided to the student. The hearing date for these charges may not be scheduled for at least ten (10) calendar days prior to the hearing unless the student waives all or part of the notice.

DUTIES OF THE CONDUCT HEARING BOARD

12.1 In those cases in which the accused student disputes the facts upon which the charges are based, such charges shall be heard and determined by the CHB. The CHB will:

12.1.a. Rule on the admissibility of information, motions, and objections to procedures;

12.1.b. Set forth finding of facts;

12.1.c. Render a written decision as to the accused student’s responsible or not responsible of the charges;

13.1.b. Notify the student of the date, time, and place of the hearing. The letter shall specify a hearing date not less than five (5) calendar days after the date of the receipt of the letter. A student may request in writing that an earlier date be set, if feasible. The CHB, for good cause, may postpone the hearing and notify all interested persons of the new hearing date, time, and place.

13.2 A letter mailed under paragraph 13.1.b shall:

13.2.a. Direct the student charged to appear at a date, time, and place specified;

13.2.b. Advise the student of their rights. Those rights are:

i. To appear in person, hear all testimony, present any relevant information on their behalf, call witnesses, and ask questions (see paragraph 10.5) of any person present at the hearing;
ii. To elect not to appear at the hearing. The hearing then shall be conducted in the student’s absence;

iii. To refuse to answer any questions or make a statement – however, the hearing authority then shall make its decisions solely on the basis of information introduced at the hearing;

iv. To know the identity of witnesses who will testify against the student;

v. To question each witness (see paragraph 10.5) who will testify against the student for the purpose of clarification;

vi. To have all statements, information, or comments given during the hearing held in strictest confidence by members of the board before, during, and after deliberation. Only those faculty and staff with an educational need to know will be informed of the outcome. The chairperson will exercise control over the hearing to avoid needless consumption of time, to avoid repetition of information, and to prevent the harassment or intimidation of participants;

vii. To have hearings conducted in an informal manner where technical rules of evidence will not be applied. The taking of statements of witnesses may be done by discussion, though each witness shall be subject to cross-examination (see paragraph 10.5). 13.2.e. Contain a copy of the complaint; and,

13.2.f. Notify the charged student that the director of Student Conduct or their designee may question a student testifying on the defendant’s behalf or question the defendant if they testify on their behalf.

13.3 If a student fails, without good cause, to comply with the letter sent under this section, the CHB may proceed with the hearing in the student’s absence.

REPRESENTATION DURING DISCIPLINARY PROCEDURES

14.1 In accordance with North Carolina General Statute §116-40.11[1], students and student organizations at UNC Pembroke who have been accused of a violation of disciplinary or conduct rules may be represented by a licensed attorney or a non-attorney advocate during any disciplinary procedure except when the violation:

14.1.a. Will be heard by a Student Honor Court; or

14.1.b. Is an allegation of Academic Dishonesty, as defined by UNC Pembroke.

14.2 When scheduling disciplinary procedures, UNC Pembroke will make reasonable efforts to accommodate
a licensed attorney or non-attorney advocate. However, the availability of students or student organization members; witnesses; the designated administrator, panel members, or board members assigned to the matter; and other necessary participants may take priority when determining the date and time for a disciplinary procedure.

14.3 Nothing in this policy shall be construed to create a right to be represented during a disciplinary procedure at public expense.

14.4 In order for a licensed attorney or non-attorney advocate to represent a student or student organization in a disciplinary procedure, the student or student organization must provide the Office of Student Conduct with the three (3) documents described below. 14.4.2.1 In order for a licensed attorney or a non-attorney advocate to represent a student or student organization during a disciplinary procedure or to speak with an official of the Office of Student Conduct regarding the student or the members of a student organization, the student must complete and submit a written authorization that meets the requirements of a valid consent as specified by the Family Educational Rights and Privacy Act (FERPA).

14.4.2.2 Even if a student executes a valid FERPA consent authorizing the licensed attorney or non-attorney advocate to receive information or documents regarding the student, UNC Pembroke may at all times correspond directly with the student or student organization. It is the student’s or student organization’s responsibility to communicate and share information with a licensed attorney or non-attorney advocate.

14.4.3 Certification by Licensed Attorney or Non-Attorney Advocate

14.4.3.1 Students or student organizations that plan to have a licensed attorney or non-attorney advocate represent them during a disciplinary procedure must submit a certification form signed by the licensed attorney or non-attorney advocate stating that the licensed attorney or non-attorney advocate has read in their entirety and understood the following documents:

14.4.3.1.b. Section 700.4.1. of the UNC Policy Manual.

APPEAL OF ADMINISTRATIVE/CONDUCT HEARING BOARD DECISION
17.1 In the event that a charged student disagrees with a finding of responsible or sanction of an administrative hearing officer or the CHB, the charged student may request an appeal to the Conduct Appeal Board (CAB) within forty-eight (48) hours after notification of the decision by obtaining a Request for Appellate Consideration form from the Office of Student Conduct and then submitting said form to the director of Student Conduct. She/he will submit the appeal to the CAB within forty-eight (48) hours for prompt consideration. Original sanctions (except summary suspension) are normally put into effect only after the CAB makes a decision. The CAB has the authority to approve, reject, or modify sanctions. It may impose less severe sanctions as well as more severe sanctions. The decision of the CAB may be appealed to the chancellor or their designee by completing the Request for Appellate Consideration form. The appeal must be submitted to the director of Student Conduct within forty-eight (48) hours, and she/he will submit the appeal to the chancellor or their designee for prompt consideration.
17.2 The CAB shall be composed of the chair of the faculty senate who will serve as chair of the CAB, the president of the student body or their designee from the SGA Executive Board, one faculty member recommended by the faculty senate chair, and one university staff member recommended by the vice chancellor for Student Affairs. The faculty and staff member will be appointed by the chancellor.

17.3 A quorum shall consist of any three (3) members, including the chair.

17.4 The function of the CAB is that of reviewing the action of the administrative hearing officer or the CHB to determine if: (1) An alleged violation of the rights guaranteed the accused has occurred; (2) and/or the sanctions and/or conditions of sanctions are extraordinarily disproportionate to the violation(s); and/or (3) discovery of new and significant information that would have affected the outcome of the hearing and that was not known, or could not reasonably have been discovered and/or presented at the time of the hearing (when the sanction is expulsion, please see expulsion regulation, Section IV, Rights and Responsibilities of the UNC Pembroke Student Handbook).

17.5 The CAB shall receive the petition from a student choosing to appeal the decision of an administrative hearing or a CHB hearing. Such petition shall be submitted to the chair of the CAB through the Office of Student Conduct, explaining in detail the reasons for the student’s appeal and specifying the ways in which the student believes the procedures or actions of the administrative hearing officer have violated their rights.

17.6 Upon receiving a petition, the CAB shall obtain the record of the administrative hearing officer or the CHB. Such record shall include relevant documents and a written statement by the hearing officer. Such statement in the case of administrative action shall summarize the case and the reasons supporting the disciplinary action.

17.7 With this information, the CAB shall decide whether an appeal hearing is warranted. This decision is based upon the three options for an appeal outlined in Section 17.4 above. It shall notify the petitioner in writing of its decision within seven (7) calendar days after receiving the student’s petition.

17.8 If the Conduct Appeal Board determines that a hearing should be granted, that hearing shall be held within seven (7) calendar days of such determination and notification shall be given in writing at least three (3) days prior to the date set for the hearing, specifying time and place of the hearing and informing the student of their rights. If a student chooses to waive the seven-day (7) notice and other requirements as stated in this section, an immediate appeal hearing may be scheduled.

17.9 The CAB shall invite the appellant, the respective administrative hearing officer, or the chairperson of the CHB, and such other persons as it deems appropriate to appear before the board to make statements and respond to questions. The student and administrative hearing officer may request the board to invite persons to testify if, and only if, there is new evidence. The CAB follows regular hearing procedures in appeal cases, if it elects to hear new evidence.

17.10 No member of the CAB shall be a party to any prior investigation or witness in the case nor should any member be placed in the position of developing or prosecuting the case.

17.11 After the hearing is concluded, the Conduct Appeal Board shall go into executive session to reach a decision.

17.12 The CAB has the authority to approve, reject, or modify the decision in question. It may impose less severe sanctions as well as more severe sanctions. The chairperson of the Conduct Appeal Board is a non-voting member, except when there is a tie vote. The decision of the CAB will be submitted in writing to the director of Student Conduct. The decision of the CAB may be appealed to the chancellor or their designee as outlined in Section 16 of this policy. Prompt notice of the decision of the Conduct Appeal Board shall be given. Any appeal of this decision must be in writing and presented within forty-eight (48) hours after notification of the decision to the director of Student Conduct who will submit the appeal to the chancellor or
their designee.

17.13 In cases where the appeal is based upon the foundation that “the sanctions and/or conditions of sanctions are extraordinarily disproportionate to the violation(s),” the Conduct Appeal Board may determine to review only the sanctions as provided and issue a determination. The CAB has the authority to approve, reject, or modify sanctions.

APPEAL OF A CONDUCT APPEAL BOARD (CAB) DECISION

18.1 In the event a charged student disagrees with a finding of responsible or sanction of the CAB, the charged student may request an appeal to the chancellor or their designee within forty-eight (48) hours after notification of the decision. Original sanctions (except summary suspension) are normally put into effect only after the chancellor or their designee makes a decision.

18.2 The procedure for an appeal of a CAB decision is as follows:

18.2.a. The function of the chancellor or their designee in hearing an appeal is that of reviewing the action of the CAB to determine if: (1) an alleged violation of the rights guaranteed the accused has occurred and/or; (2) the sanctions and/or conditions of sanctions are extraordinarily disproportionate to the violation(s); and/or (3) discovery of new and significant information that would have affected the outcome of the hearing and that was not known, or could not reasonably have been discovered and/or presented at the time of the hearing (when the sanction is expulsion, please see expulsion regulation, Office of Student Conduct Section IV, Rights and Responsibilities);

18.2.b. The chancellor or their designee shall receive the petition from a student choosing to appeal the decision of the CAB. Such petition shall be submitted in writing to the chancellor or their designee through the director of Student Conduct explaining in detail the reasons for the student’s appeal and specifying the ways in which the student believes the procedures or actions of the conduct process have violated their rights;

18.2.c. Upon receiving a petition, the chancellor or their designee shall obtain the record of the CAB. Such record shall include relevant documents and a written statement by the CAB. Such statement shall summarize the case and the reasons supporting the Conduct Appeal Board’s decision;

18.2.d. With this information, the chancellor or their designee shall decide whether an appeal hearing is warranted. This decision is based upon the three (3) options for an appeal stated in 18.2.a. above. The chancellor shall notify the petitioner in writing of their decision within seven (7) calendar days after receiving the student’s petition;

18.2.e. If the chancellor or their designee determines that a hearing shall be granted, that hearing shall be held within seven (7) calendar days of such determination and notification shall be given in writing at least three (3) calendar days prior to the date set for the hearing, specifying time, date, and place of the hearing and informing the student of their rights;

18.2.f. The chancellor or their designee may invite the appellant and other persons as the they deem appropriate to appear before them to make statements and respond to questions. The student may request the Chancellor or their designee to invite persons to testify if there is new evidence; and

18.2.g. The chancellor or their designee has the authority to approve, reject, or modify the decision in question. The chancellor or their designee may impose less severe sanctions as well as more severe sanctions.

18.2.h. In cases where the appeal is based upon the foundation that “the sanctions and/or conditions of sanctions are extraordinarily disproportionate to the violation(s),” the chancellor or their designee may determine to review only the sanctions as provided and issue a determination.
The chancellor or their designee has the authority to approve, reject, or modify sanctions.

COMMITTEE ON EXTRAORDINARY DISCIPLINARY EMERGENCIES

20.1 Notwithstanding any other provisions of the UNCP Code of Conduct, and in fulfillment of the obligation of the university and of the chancellor to maintain campus security and to protect the safety and welfare of students, employees, and visitors to the university, the Committee on Extraordinary Disciplinary Emergencies is established in accordance with the provisions of N.C.G.S. §116-11.2. and N.C.G.S. §116.34.a.; UNC Code 502 D (3), 600, 608 (2), and UNC Code Appendix XII and XV; and the UNCP Code of Conduct.

20.2 The Committee on Extraordinary Disciplinary Emergencies is established under the delegation of the chancellor pursuant to his responsibility for Student Affairs. The committee is established to investigate, and make recommendations to the chancellor concerning the disposition of complex cases or of those cases involving students or student organizations whose behavior, on or off campus, is such that their presence at the university, in the judgment of the committee, upon referral from the vice chancellor for Student Affairs or the chancellor, may pose either:

20.2.a. A serious risk of disruption of the academic environment;

20.2.b. A serious risk of interference with the rights of other members of the university community;

20.2.c. A serious risk or continuing danger to university property; or

20.2.d. A serious risk or continuing danger to members of the university community.

20.3 Examples of student behavior that may come within the jurisdiction of the committee include, but are not limited to:

20.4 Committee Membership and Emergency Procedures. The committee shall be composed of the vice chancellor for Student Affairs or their designee, the provost and vice chancellor for Academic Affairs or their designee, the vice chancellor for Finance and Administration or their designee, the vice chancellor for Advancement or their designee, the associate vice chancellor for Student Affairs or their designee, the director of Student Conduct or their designee, the chairman of the faculty senate or their designee, and the president of the student body or their designee.

20.4.1 A quorum of the committee shall consist of any four (4) members of the committee or their designees.

20.4.2 In each case, the committee shall designate a chair to preside over the committee. In the event of a tie vote, the administrative action of the university is ratified. In an emergency situation, the vice chancellor
for Student Affairs or their designee shall have the power to invoke summary suspension. After a hearing, the committee may either ratify the vice chancellor’s action, or reverse it, or take any other appropriate action. In such emergency situations, the vice chancellor for Student Affairs shall inform the chancellor of all actions taken either summarily or by the committee under the authority of this policy. The chancellor has the authority to approve, reject, or modify the action of the vice chancellor for Student Affairs or the committee at any stage of the proceedings. The chancellor may impose less severe sanctions as well as more severe sanctions.

20.5 Summary Suspension. Summary suspension is an action requiring that a student immediately leave the campus and university property. It may be imposed by the vice chancellor for Student Affairs or their designee when there is reasonable cause to believe, based on available facts, that the student is an immediate threat to the safety of members of the university community or university property, or is disruptive without relief to the university community.

20.5.1 Any student who is suspended on a summary basis and returns to the campus and university property during the suspension shall be subject to further disciplinary action and may be treated as a trespasser. Permission to be on campus for a specific purpose (e.g., to take an exam, to consult with the director of Student Conduct, or to participate in the disciplinary procedures against the student) may be granted in writing by the vice chancellor for Student Affairs or their designee.

20.5.2 When a student is suspended on a summary basis, the student is given notice containing the reasons for suspension, the duration and any conditions that apply, and a copy of the summary suspension policy. A student notified of such summary suspension may, within ten (10) calendar days of the written notice of suspension, request through the vice chancellor for Student Affairs or their designee a hearing before the Committee on Extraordinary Emergencies to determine the responsibility or not responsibility of the student charged and the appropriate sanction, and whether the conditions of the summary suspension should continue. This hearing shall normally be conducted within seven (7) calendar days of the student's request for a hearing.

All students are responsible for conducting themselves in a manner that helps enhance an environment of learning in which the rights, dignity, worth, and freedom of each member of the academic community are respected. All students must report, in writing, any federal, state or local criminal charges and/or dispositions of criminal charges to the Office of Student Conduct.

1.2 According to the Bylaws of the Board of Trustees of The University of North Carolina at Pembroke (POL 01.05.01), ratified in March of 1968, the administration of the university is responsible for all phases of student discipline. The administration holds that a student enrolling in the university assumes an obligation to conduct the student in a manner compatible with the university's function as an educational institution. Further, the Board of Trustees has directed the administration to take appropriate disciplinary action against students and student organizations that are found to be in violation of the university's Code of Conduct.
1.3 A UNCP student shall refrain from engaging in behaviors that violate the Code of Conduct listed below, which reflect conduct unbecoming of a student at The University of North Carolina at Pembroke.

The university has the right under appropriate circumstances to regulate the time, place, and manner of exercising these and other constitutionally protected rights.

1.5 All students are responsible for conducting themselves in a manner that helps enhance an environment of learning in which the rights, dignity, worth, and freedom of each member of the academic community are respected.

1.6 Violations of campus or university policies, rules or regulations, or federal, state, or local law may result in a violation of the student Code of Conduct and imposition of student discipline in accordance with disciplinary sanctions.

It is suggested that the faculty member make clear to the class in the syllabus or at an early class meeting that any behaviors that disrupt the teaching and/or educational process will not be tolerated. If a student displays such behavior, the faculty member should confront the behaviors early and directly by speaking to the student. It is recommended that the faculty member document any conversations with a student regarding their behavior. If the student does not adjust their behaviors, the faculty member should ask the student to leave the classroom or speak with the student at the end of class and provide written documentation immediately to the department chair, dean, and associate vice chancellor for Academic Affairs. A written summary statement should be provided to the student before the next class meeting outlining the conditions under which the student may return to the class, if allowed to do so, or notifying the student that the faculty member, in consultation with the department chair and dean, is recommending to Academic Affairs that the student be administratively withdrawn from the class. The associate vice chancellor for Academic Affairs will ask the student for a written summary of class events. The decision of the associate vice chancellor is final.

Generally, no-contact is defined as having no direct or indirect contact between two or more students at any time. This includes, but is not limited to, communication that is considered written, electronic, verbal, or physical. Written and electronic communication is understood to include all electronic means of communication; including but not limited to, e-mail, instant messaging, social networking sites, text messaging, etc. Verbal communication is understood to include phone calls, voicemails, etc. A no-contact directive may include additional restrictions and terms.

1.11 CONDUCT PROBATION—The student continues in attendance; however, the student is in danger of suspension for any breach of good conduct during the period of conduct probation. Further the student may not hold any general elective office while on conduct probation. A copy of the probation letter is placed in the student’s file in the Student Affairs Office.

1.12 COMMUNITY WORK/SERVICE—Community work/service assigned to a student shall commence within one week and shall be completed within 40 days of the penalty. The maximum number of voluntary work hours that may be assigned is 75. The community work/service must be supervised by a UNCP employee and it should be case or offense related.

1.13 SUSPENSION—The student is excluded from the university, both academically and socially, for a stated period. The student may request to be readmitted at the end of this period of suspension; however, readmission is never automatic. A copy of the suspension letter is placed in their file in the Student Affairs Office.

1.14 INTERIM SUSPENSION—Whenever there is evidence to suspect that a student’s behavior on or off campus is a clear and present threat to the health, safety and welfare of the faculty, staff, students or guests, or himself/herself, the student may be suspended on an interim basis until a campus hearing can be arranged. A student on an interim suspension may be restricted from the campus in its entirety or from a particular program, activity or building.

1.15 SUMMARY SUSPENSION—Please see section IV, Rights and Responsibilities, Initiation of Disciplinary Procedures, part 20. Committee on Extraordinary Disciplinary Emergencies and 20.5., Summary Suspension, for a detailed description of this disciplinary sanction.

1.16 EXPULSION—The Conduct Hearing Board or Administrative Hearing Officer will make a recommendation for expulsion, and the vice chancellor for Student Affairs will review the recommendation, and will provide a statement of assent or dissent to accompany the recommendation to the chancellor of the
university to permanently separate the student from the university. The chancellor must review and make the final decision on any expulsion penalty for disciplinary reasons. When a recommendation of expulsion is made to the chancellor by the Conduct Hearing Board or the Administrative Hearing Officer, an additional sanction of immediate interim suspension will be imposed. A student who is expelled will be unable to graduate from The University of North Carolina at Pembroke. Please see the Expulsion Policy in Section IV - Rights and Responsibilities.

**DISCIPLINARY SANCTIONS FOR STUDENT ORGANIZATIONS**

2.1 The aim of all discipline in cases of student organizations is two-fold: first, to maintain accountability and efficacy, and second, to protect the welfare of individual students and the community. The emphasis is on rehabilitation and re-education. All sanctions provided to a student organization will be communicated to the appropriate national/international office (if applicable).

2.2 OFFICIAL WARNING—A written reprimand for violation of specified regulations, including a warning that continuation or repetition of prohibited conduct may be cause for additional disciplinary action.

2.3 EDUCATIONAL PROJECTS—This sanction requires that the student organization complete an assigned task with the purpose of educating the organization about the implications, effects, or dangers of their behavior. These assignments can include, but are not limited to, work assignments, mandatory mentoring, service projects, restorative justice mediations, or other related discretionary assignments as provided by the administrative hearing officer or Conduct Hearing Board.

2.4 RESTITUTION—Appropriate reimbursement for a wrongful act which resulted in loss, damage, or actual expenses incurred by the university or individuals.

2.5 FINES—An amount of money applied to a student organization for violation of a university or department policy.

2.6 CEASE AND DESIST—When the Office of Student Conduct or designee has reasonable cause to believe that a student organization's activity poses a significant risk of substantial harm to the safety or security of themselves, others, or property, the student organization may be placed on cease and desist. Cease and desist is defined as the temporary suspension of all or any specific organization operation or activity. This temporary suspension will be confirmed by a written statement and shall remain in effect until the conclusion of a full Conduct Hearing Board or administrative decision by the Office of Student Conduct. All cease and desist notifications provided to a student organization will be communicated to the appropriate national/international office (if applicable).

2.7 CONDUCT PROBATION—Probation for a designated period that includes the probability of more severe disciplinary sanctions if the student organization is found to violate any institutional regulation(s) or policies during the probationary period. A student organization placed on conduct probation must meet bi-weekly (2 times per month) with the Office for Campus Engagement and Leadership. All student organization events must be approved by the appropriate office.

2.8 LOSS OF PRIVILEGES—Defined as denial of specified privileges for a designated period of time (e.g., inability to have guests/visitors, inability to hold social functions, etc.).

2.9 LOSS OF RECOGNIZED STUDENT ORGANIZATION STATUS—A loss of all privileges, including University of North Carolina at Pembroke recognition as a student organization, for a specified period.

**DISCIPLINARY APPEALS**
Any disciplinary action may be appealed. Further information may be found in Section IV Rights and Responsibilities, Office of Student Conduct Disciplinary Procedures. More information concerning the appeal process for expulsion cases can be found on the official UNCP Policy and Regulation website.

**STUDENT DISCIPLINE RECORDS**
The university maintains for every student who has received any discipline sanctions a written discipline record. The file shall include the nature of the offense, the penalty assessed, and any other pertinent information.

Office of Student Conduct discipline files are housed in the Office of Student Affairs for eight (8) years and are then forwarded to the Registrar’s Office unless the sanction is suspension or expulsion. Suspension and expulsion files are kept in the Student Affairs Office indefinitely. Students suspended or expelled for disciplinary infractions will be entered into the suspension/expulsion database at UNC General Administration and will be available to all UNC campuses.

Academic Honor Code violations resulting in conviction will be kept in the Student Affairs Office for ten (10) years. Pertinent information involving these cases will be transferred to the Registrar’s Office immediately after verdict.

Student discipline records are confidential in accordance with federal and state laws. The contents of the student’s discipline record may not be revealed to anyone not associated with campus discipline except upon written request of the student or a court-ordered subpoena.

**RESPONSIBILITY TO REPORT CRIMINAL VIOLATIONS AND/OR DISPOSITIONS**
During the student’s period of enrollment at The University of North Carolina at Pembroke, should the student be subject to any criminal charge and/or any disposition of a criminal charge, on or off campus, the student must within two (2) business days notify the Office of Student Conduct in writing regarding the nature of the charge/offense and the disposition of the charge if applicable. The student does not have to notify the Office of Student Conduct regarding traffic-related misdemeanors unless the traffic-related misdemeanor involves alcohol or drugs (e.g. the students are not required to report a speeding ticket, but are required to report a Driving Under the Influence (DUI) ticket or Driving While Intoxicated (DWI) ticket). The student’s failure to do so will be grounds to deny or withdraw the student’s admission, or to dismiss the student after enrollment.

All students must notify the Office of the Registrar in writing within two (2) business days of any criminal charge, any disposition of a criminal charge, on or off campus, or any school, college, or university disciplinary action against the student, or any type of military discharge other than a honorable discharge that occurs at any time after the student is accepted at The University of North Carolina at Pembroke (this includes incidents that occur on or off campus and incidents during summer months and other breaks). Failure to do so will be grounds to deny or withdraw the student’s admission, or to dismiss the student after enrollment.

EMERGENCY HEALTH AND SAFETY POLICY
The objective of this Emergency Health and Safety Policy was developed in an attempt to safeguard the welfare of the individual and the community. Occasionally, a student’s health condition manifests itself in such a way that it must be addressed by the university. The Emergency Health and Safety (EHS) Committee may
meet to determine what role, if any, student support services may need to take to assure the health and safety of a student or the university community. The complete policy is available online: uncp.edu/pr/pol-042504-emergency-health-and-safety-policy.

NORTH CAROLINA GENERAL STATUTE 18B-302: ALCOHOL
Any person who is under the lawful age to purchase and who aids or abets another in violation of this law shall be guilty of a misdemeanor punishable by a fine up to $500 or imprisonment for not more than six months, or both, at the discretion of the court. Any person who is over the lawful age to purchase and who aids or abets a person under the lawful age to purchase shall be guilty of a misdemeanor punishable by a fine of up to $2,000 or imprisonment for not more than two years, or both, at the discretion of the court. It shall be unlawful for any person to obtain or attempt to obtain alcoholic beverages by using or attempting to use: (1) a fraudulent or altered driver’s license; or (2) fraudulent documents other than a driver’s license; or (3) a driver’s license issued to another person; or (4) an identification document other than a driver’s license issued to another person. Upon receipt of a conviction report, the Division of Motor Vehicles shall revoke the person’s driver’s license as required by G.S. 20-17.3.

NORTH CAROLINA GENERAL STATUTE 14-35: HAZING
The North Carolina General Statute (14-35) defines hazing as follows: “to subject another student to physical injury as part of an initiation, or as a prerequisite to membership, into any organized school group, including any society, athletic team, fraternity or sorority, or other similar group.” A student convicted of engaging or abetting in the commission of such an offense may be subject to punishment by a fine of $1,000, imprisonment for a maximum period of between 30 and 60 days, or both. The institution may expel a student convicted under this statute regardless of and in addition to any criminal penalty imposed by the court. Organizations whose members are convicted of hazing should be mindful of possible administrative action against the organization by the university; the appropriate question in such situations would be whether the organization can and should be held responsible for the conduct of its members, with the possible consequence that sanctions would be taken against the organization, e.g., withdrawal of university recognition, banning from campus, etc.

POLICY OF THE BOARD OF GOVERNORS OF THE UNC CONCERNING IMPROPER RELATIONSHIPS BETWEEN STUDENTS AND EMPLOYEES
The University of North Carolina does not condone amorous relationships between students and employees. Members of the university community should avoid such liaisons, which can harm affected students and damage the integrity of the academic enterprise. Further, sexual relationships between unmarried persons can result in criminal liability. In two types of situations, university prohibition and punishment of amorous relationships is deemed necessary: (1) when the employee is responsible for evaluating or supervising the affected student; and (2) when the student is a minor, as defined by North Carolina law. The following policies shall apply to all employees and students of the sixteen constituent institutions.

PROHIBITED CONDUCT
1. It is misconduct, subject to disciplinary action, for a university employee, incident to any instructional,
research, administrative, or other university employment responsibility or authority, to evaluate or supervise any enrolled student of the institution with whom he or she has an amorous relationship or to whom he or she is related by blood, law, or marriage.

2. It is misconduct, subject to disciplinary action, for a university employee to engage in sexual activity with any enrolled student of the institution, other than his or her spouse, who is a minor below the age of 18 years.

DEFINITION OF TERMS

1. “Amorous relationship.” An amorous relationship exists when, without the benefit of marriage, two persons as consenting partners (a) have a sexual union or (b) engage in a romantic partnering or courtship that may or may not have been consummated sexually.

2. “Related by blood, law or marriage” means:
   a. Parent and child
   b. Brother and sister
   c. Grandparent and grandchild
   d. Aunt and/or uncle and niece and/or nephew
   e. First cousins
   f. Stepparent and stepchild
   g. Husband and wife
   h. Parents-in-law and children-in-law
   i. Brothers-in-law and sisters-in-law
   j. Guardian and ward

3. “Evaluate or supervise” means:
   a. To assess, determine or influence (1) one’s academic performance, progress or potential or (2) one’s entitlement to or eligibility for any institutionally conferred right, benefit, or opportunity, or
   b. To oversee, manage or direct one’s academic or other institutionally prescribed activities.

CORRECTIVE ACTION

Violations of the provisions of Section A shall be addressed in accordance with remedial measures prescribed by each constituent institution; if disciplinary action is brought against an affected employee, it shall be conducted in accordance with existing institutional policies and procedures prescribed for prosecuting misconduct charges against members of the class of employment of which the affected employee is a member.

NON-DISCRIMINATION POLICY STATEMENT

The University of North Carolina at Pembroke adheres to all federal, state and local civil rights laws prohibiting discrimination in employment and education. The university prohibits discrimination based on a person’s status as a veteran or an individual with a disability and prohibits discrimination against all individuals based on their age, race, color, religion, sex, sexual orientation, gender identity, genetic information or national origin.

Specifically, the university does not discriminate in its admissions practices, in its employment practices, or in its educational programs or activities on the basis of sex/gender. As a recipient of federal financial assistance for education activities, the university is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender. Sex includes sex, sex stereotypes, gender identity, gender expression, genetic information, sexual orientation and pregnancy or parenting status.

UNC Pembroke also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internal or external to the institution. Sexual harassment, sexual assault, dating and domestic violence and stalking are forms of sex discrimination, which are prohibited under Title IX and by the university’s Sexual Harassment Policy.
Any member of the campus community, guest or visitor who acts to deny, deprive or limit the educational, employment, residential or social access, opportunities and/or benefits of any member of the campus community on the basis of sex is in violation of the Sexual Harassment Policy.

Any person may report sex discrimination (whether or not the person reporting is the person alleged to have experienced the conduct), in person, by mail, by telephone, by video, or by email using the contact information listed for the Title IX Coordinator (below). A report may be made at any time (including during non-business hours) by submitting the online Sexual Harassment Reporting Form.

Questions regarding Title IX, including its application and/or concerns about noncompliance, should be directed to the Title IX Coordinator. For a complete copy of the policy and regulation or for more information, please visit the Office of Title IX and Clery Compliance, see Sexual Harassment & Regulation, or contact the Title IX Coordinator.

Individuals who believe they have experienced sex discrimination, harassment, and/or retaliation in violation of university policy should contact the Title IX Coordinator.

**POLICY PROHIBITING ILLEGAL HARASSMENT AND DISCRIMINATION**

**INTRODUCTION**

1.1 The University of North Carolina at Pembroke affirms its desire to maintain a work environment for all employees and an academic environment for all faculty and students that is free from all forms of harassment and discrimination. UNCP wishes to maintain an environment which supports and rewards individuals on the basis of such relevant factors as academic ability and work performance. Conduct or action that is based on a person’s race, color, creed, national origin, religion, sex, age, disability, or veteran status creating a hostile environment that prevents effective learning or work performance is in opposition to a campus environment free of harassment.

**VIOLATIONS**

2.1 No student or student group shall engage in conduct, or assist another in the following conduct:

2.1.a Discrimination on the basis of race, color, ethnicity, national origin, religion, creed, age, disability, honorable service in the armed services of the United States, or sex, except as allowed under Title IX, that impairs or may impair an individual’s university working conditions, privileges, or opportunities for university employment, educational opportunities, participation in university-sponsored extracurricular activities, or opportunities to benefit from other aspects of university life. Religious student groups with bona fide religious beliefs that will be contradicted by the group’s compliance with this provision should contact the vice chancellor for Student Affairs to obtain the university’s policy regarding requests for exceptions under this provision.

2.1.b Harassment or intimidation directed toward a particular person or persons that is severe or pervasive and abuses or otherwise unreasonably interferes with another so as to adversely affect their academic pursuits, opportunities for university employment, participation in university-sponsored extracurricular activities, or opportunities to benefit from other aspects of university life.

2.1.c Threats that involve violation of restraining orders or no-contact orders imposed by government or campus authorities, stalking, or other activities that create a reasonable apprehension of physical or emotional harm to an individual following a request or order to desist.

2.1.d The face-to-face use of “fighting words” to harass any person or persons on the university campus or other property under university control. “Fighting words” are those personally abusive epithets which, when directly addressed to any ordinary person, are in the context used and as a matter of common knowledge, inherently likely to provoke an immediate and violent reaction, whether or not they actually do so.
2.2 Students violating this policy may be subject to disciplinary action up to and including dismissal.

TO REPORT VIOLATIONS
3.1 Students experiencing harassment as described herein should contact campus police or provide a written statement to the vice chancellor for Student Affairs. Complaints against UNCP students will be governed by the procedures stated in Chapter IV., Rights & Responsibilities. Student complaints against UNCP faculty or staff will be governed by the procedures stated in the Student Grievance Policy.

3.2 Members of the university community are prohibited from acts of retaliation against individuals who bring complaints or are involved as witnesses in any action connected with this policy.

UNCP GRIEVANCE PROCESS FOR STUDENTS DENIED REASONABLE ACCOMMODATIONS OR SUBJECTED TO DISCRIMINATION BECAUSE OF A DISABILITY

OVERVIEW
Students with disabilities are responsible for contacting the Accessibility Resource Center if reasonable accommodations are not implemented in an effective or timely manner. The Accessibility Resource Center staff works with faculty, staff, and students with disabilities to resolve disagreements regarding recommended accommodations. The complaint, grievance hearing, and appeals process will facilitate an internal informal and formal basis for filing a complaint, conducting a grievance hearing, and finally, appealing a denial of accommodations and for grieving instances of inappropriate discrimination in violation of the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act of 1973 (“Section 504”). Students with a disability who believe they have been discriminated against on the basis of that disability may use this process to file a grievance with the ADA Grievance Officer who is the Director of the Accessibility Resource Center, located in D.F. Lowry, Suite 107. If the grievance is against the Accessibility Resource Center, students may file a grievance with the unit’s supervisor, who will serve as the ADA grievance officer, or with the Office of Civil Rights.

The UNCP Student Grievance Process can be found online at: uncp.edu/departments/accessibility-resource-center/policies-procedures/uncp-student-grievance-process.

CENTER FOR STUDENT SUCCESS
The Center for Student Success embodies UNCP’s commitment to student success. That means that, together, our programs, offices, and resources form a comprehensive academic support network that can assist students as they find their ideal path and degree. Whether guiding students through their academic transition, helping to clarify career goals, and explore majors, or providing tutoring that helps students meet the challenges of college study, the CSS is an important part of the UNCP experience. The general areas of support are as follows:
• Academic Resource Learning Lab
• HAWK Alert Program
• Peer Academic Leaders
• Tutoring Program
• Students Obtaining Academic Resilience (SOAR)
• Braves Come Back Program
• UNV 1100

First- and second-year programming, New Student Orientation, and undecided advising are housed in the Center for Student Success. The university has an academic advising system to assist students in their respective academic programs. Each student is assigned to a faculty member within their field of study or an Center for Student Success staff member if they are undecided. New students (at New Student Orientation) and students in transition between majors are served by the Center for Student Success, located in DF Lowry, until their new advisor is assigned. The advisor helps the student plan a program and maintains a record of progress during his or her college career. Although the advisor will guide the student in academic matters, the final responsibility for meeting all academic program requirements rests with the student.

The academic advisor may also refer a student to other offices for further services in counseling, career planning and placement, tutoring and skills development.

Students are encouraged to stop by the Center. Our goal is help students identify and access the various resources available at UNCP. Our office is located in D.F. Lowry Building. Call us at 910.521.6625 or visit us online.
ACCESSIBILITY RESOURCE CENTER
The Accessibility Resource Center (ARC) is designed to assist students covered under Section 504 of the
Rehabilitation Act and the ADA. Anyone desiring assistance is requested to contact ARC, located in the D.F.
Lowry Building, Room 107. Operating hours are Monday-Friday, 8 a.m.-5 p.m. Appointments during regular
business hours are requested and can be made by calling 910.521.6695. After-hours appointments may be
made on an as-needed basis.

The Accessibility Resource Center will: (1) provide guidelines for documenting disabilities; (2) discern eligibility
for services; (3) determine reasonable accommodations; and (4) facilitate appropriate accommodations.
Contact the Accessibility Resource Center for additional information.

INSPECTION AND RELEASE OF STUDENT RECORDS AT UNC PEMBROKE
The University of North Carolina at Pembroke complies with all provisions of the Family Educational Rights
and Privacy Act of 1974. The full statement of the university's policy is available in the Office of the Registrar
located in Lumbee Hall.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their
education records. These rights include:

1. The right to inspect and review the student’s education records within a reasonable period of time after
the university receives a written request for access. At UNCP, students should submit to the registrar written
requests that identify the record(s) they wish to inspect. The registrar will make arrangements for access
and notify the student of the time and place where the records may be inspected. If the records are not
maintained by the registrar, then the student shall be advised of the correct official to whom the request
should be addressed.

2. The right to request the amendment of the student's education records that the student believes is
inaccurate. Students may ask the university to amend a record that they believe is inaccurate. They should
write to the Registrar, clearly identify the part of the record they want changed, and specify why it is
inaccurate. If the university decides not to amend the record as requested by the student, the university will
notify the student of the decision and advise the student of their right to a hearing regarding the request for
amendment. Additional information regarding the hearing procedures will be provided to the student when
notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's
education records, except to the extent that FERPA authorizes disclosure without consent. One exception,
which permits disclosure without consent, is disclosure to school officials with legitimate educational interests.
A school official is a person employed by The University of North Carolina at Pembroke or the University of
North Carolina Office of the President in an administrative, supervisory, academic or research, or support staff
position (including law enforcement unit personnel and health staff); a person or company with whom the
university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board
of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or
assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in
order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school in
which a student seeks or intends to enroll.

Institutions can disclose student information to parents in certain situations, including the following: If a
parent claims the student as a federal tax dependent, UNCP may, with confirmation of that status, disclose
information about the student to both parents, regardless of the student’s age or whether there is an
emergency; if the student is under 21, UNCP may inform the student’s parents of violations of its alcohol or
drug policy, regardless of whether the student is a tax dependent or whether there is an emergency; and if UNCP reasonably believes that there is a health or safety emergency involving the student, UNCP may inform the student's parents, regardless of the student's age or whether the student is a tax dependent.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

The university routinely releases to the public so-called directory Information, as follows: the student's name, address(es), telephone listing, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, electronic mail address, and previous educational agency or institution attended by the student. Any student who wishes to have the above directory information withheld must sign and file a request in the Registrar's Office within two weeks of the first day of class of each semester. This request must be renewed at the beginning of each semester. Directory information for every student who does not file a request to withhold disclosure within two weeks of the first day of class of the fall semester will be published in the student telephone directory and distributed to all students, faculty and staff. Even if a student files a request to block disclosure of directory information, it may still be inspected by those persons authorized by law to inspect education records without consent.

Classes that meet on Monday and Friday follow the Tuesday and Thursday schedule. Classes meeting three days per week, meet for 50 minutes each session. Classes meeting twice per week meet for 75 minutes each session.

Evening classes that meet one day a week Monday through Friday, meet for three hours. Abbreviations used to designate days are as follows:

M=Monday   T=Tuesday   W=Wednesday   R=Thursday   F=Friday   S=Saturday   U=Sunday.
Regular students at The University of North Carolina at Pembroke are classified according to the number of semester hours they have earned in keeping with the following table:
Less than 30 hours—Freshman
30 to 59 hours—Sophomore
60 to 89 hours—Junior
90 hours to graduation—Senior

ACADEMIC ADVISEMENT
The university has an academic advising system to assist students in their respective academic programs. Each student is assigned to a faculty member who helps the student plan a program and maintains a record of progress during his or her college career. Although the advisor will guide the student in academic matters, the final responsibility for meeting all academic program requirements rests with the student.

The academic advisor may refer a student to other offices for further services in counseling, career planning and placement, tutoring and skills development.

GRADING AND ACADEMIC ELIGIBILITY

GRADING SYSTEM
Grade reports are viewed online by all students. A BraveWeb user ID and password must be maintained by all students.

A letter grade and plus-minus system for evaluating academic performance is used for evaluating all undergraduate students. Each letter grade has a quality point value for each semester hour it represents. The hours and quality points are used in determining a student's quality point average for a semester's work and in averaging grades for all work completed to find a student's cumulative quality point average.

Academic eligibility for a student shall be determined by current regulations.

The letter grades and quality points represented by each, as of January 1, 1989, are as follows:

A = 4.0  C+ = 2.3  F = 0.0
A- = 3.7  C = 2.0  P = 0.0
B+ = 3.3  C- = 1.7  I = 0.0
B = 3.0  D+ = 1.3  T = 0.0
B- = 2.7  D = 1.0  W or WX = 0.0
D- = 0.7  AU = 0.0

The P grade is earned in designated courses and carries semester hours credit. However, the hours are not counted in quality hours. Quality hours are the hours used in figuring quality point averages.
The I or incomplete grade, is given when a student is unable to complete required work because of an unavoidable circumstance such as illness. It is not to be given to enable a student to do additional work to improve a grade. An incomplete must be removed within one semester (excluding summer term) or it will automatically be converted to a grade of F by the university registrar. In the determination of quality hours and quality point averages, an I is counted as an F until it is removed.
The T grade pending is given only for University Honors College courses until the thesis or project is completed.
The W or WX grade is assigned when a student withdraws from a course during the designated drop period. Audited classes are listed on the permanent record. They are designated by the letters AU. The AUs and Ws will be listed as attempted hours, but not as quality hours for figuring quality point averages.

UNDERGRADUATE GRADE APPEAL PROCESS
Undergraduate students may appeal a final course grade. The appeal process must be initiated by the
student within thirty (30) calendar days after the first day of class of the regular semester following the award of the grade. The appeal process is summarized below.

STEP 1
An undergraduate student who wishes to appeal a final course grade must first attempt to resolve the matter by meeting with the instructor involved. The student must explain their position to the instructor and attempt to understand the justification for the grade assigned by the instructor. The purpose of the meeting is to reach a mutual understanding of the student’s situation and the instructor’s actions and to resolve differences in an informal and cooperative manner.

STEP 2
If a student fails to reach a satisfactory solution in consultation with the instructor, or if it is impractical to consult with the instructor, the student should seek the assistance of the faculty conciliator within fifteen (15) calendar days of the meeting with the instructor or within thirty (30) calendar days after the first day of class of the semester following the award of the grade. The faculty conciliator’s role is to advise, guide, and document the student’s progress through the appeal process.

STEP 3
Within five (5) calendar days of the initial meeting with the student, the faculty conciliator must arrange a meeting with the student, the instructor, and the chairperson of the department. The purpose of this meeting is to try to find an amicable solution. In the case of a grade appeal involving a department chairperson, the meeting will be with the student, the instructor (chairperson) and the vice chancellor of Academic Affairs or the vice chancellor’s designee. If the student is still dissatisfied after this meeting, such student may then elect to file a formal appeal within fifteen (15) calendar days of the meeting.

STEP 4
To file a formal appeal, the student must submit a written appeal statement to the faculty conciliator who will forward it to the chairperson of the CHB. The written appeal must be specific, relevant, and concise, explaining precisely the student’s justification for the grade appeal. The burden of proof will be on the student, to the extent reasonable, to clearly document pertinent evidence for the grade appeal (i.e., a copy of the syllabus; copies of graded exams and term papers as well as other substantiating evidence). The student should also provide a list requesting copies of items used for evaluation that cannot be directly documented (e.g., a professor may keep copies of old exams).

STEP 5
The CHB has authority to screen out frivolous or unsubstantiated claims. The chairperson will notify the faculty conciliator, the faculty member, the student and the departmental chairperson (or vice chancellor) in writing, explaining why the committee found a student claim sufficient or insufficient and, in the event of a sufficient claim, of the date of the appeal hearing.

STEP 6
The chairperson of the CHB shall convene a meeting of the board at least once a semester, unless no sufficient appeals are forthcoming. In a closed hearing, the student shall produce documents and other relevant evidence to substantiate his or her claims. The student may address only those issues that are described in the appeal statement. Claims the CHB has deemed frivolous or unsubstantiated may not be addressed. The instructor shall be given an opportunity to respond and discuss the concerns raised by the student. The CHB may ask questions of all parties and will deliberate after hearing the case. Two faculty members and two student members must vote in concurrence with the student’s position in order for the appeal to be supported. The board shall issue its decision within seven (7) calendar days of the hearing.

STEP 7
Once the CHB reaches its decision, the following persons will be notified in writing about the findings of the Board: the vice chancellor for Academic Affairs or the vice chancellor’s designee, the chairperson in the appropriate department, the faculty member, the faculty conciliator and the student.
If the board finds the original course grade to be inappropriate, the Board will recommend that the faculty member recalculate the grade and make the appropriate change in the Registrar's Office within five (5) calendar days. Should the faculty member be unwilling or unable to do so, the board will recalculate the grade and make the change in the Registrar's Office. The resulting grade is final and may not be further appealed.

**FACULTY CONCILIATOR**
The SGA will choose two faculty conciliators from a list of four names of the full-time teaching faculty approved by the Faculty Senate and submitted by the chair of the Faculty Senate.

The Faculty Conciliators will work as “co-conciliators” who share the workload of student grade appeals equally. The co-conciliators should serve for staggered terms of two years. The Faculty Senate will forward its approved nominations to the SGA immediately following the April Senate meeting. Included in the list of nominees should be a letter of interest from each candidate, as well as a copy of their resume or curriculum vita. The faculty conciliators shall be ex officio, nonvoting member of the Conduct Hearing Board (CHB) in final grade appeals deliberations. Students should call the Division of Student Affairs at 910.521.6226 to receive contact information on the faculty conciliator.

**CONDUCT HEARING BOARD (CHB)**
The CHB is defined in the UNCP Student Handbook. CHB members are necessarily excluded from deliberations in which:

1. The board member is related to one of the two principals.
2. The board member is a departmental colleague of one of the principals.
3. The board member is currently enrolled in a course taught by one of the principals.
4. The board member is one of the two principals involved.

All questions of scheduling and satisfying deadlines shall be adjudicated by the chairperson of the CHB. All records of the board's deliberations shall be kept in a file maintained by the Office of Academic Affairs in accordance with the University Records Retention and Disposition Schedule.

Nothing in this policy should be construed as a violation of academic freedom expressed in The Code of The University of North Carolina.

**AUDITING**
All persons, whether regularly enrolled in the university or not, who desire to audit a course must secure the permission of the instructor and the Office for Academic Affairs. The fee charged for auditing a course will be the same as if the course were taken for credit. The decision to audit must be made by the late registration date. No audits may be added after this date.

For non-matriculating students, a copy of the receipt of payment from the Cashier's Office must be filed with the instructor at the beginning of the course. Students who are regularly enrolled at the university must file a copy of the permission letter from the Office for Academic Affairs with the instructor at the beginning of the course.

**COURSE LOAD**
Students are expected to enroll in at least 15-16 semester hours credit per term so that it is possible for them to graduate in four (4) years (eight semesters).

Full-time students must carry at least twelve (12) semester hours each semester. The maximum load is eighteen (18) semester hours except as follows: students who are on the Honors List may take up to nineteen (19) semester hours; students who are on the Chancellor's List may take up to twenty-one (21) semester hours; summer session students may carry no more than three (3) semester hours during Maymester, no more than seven (7) semester hours during summer I, and no more than seven (7) semester hours during Summer II.

The number of semester hours required to graduate from UNCP is between 120 and 128 in accordance with specific program degree requirements. If a student's major requires more than 120 semester hours, the student must take (and pass) more than fifteen (15) semester hours for each of the eight (8) semesters.
Students must work with their advisors and their major departments to ensure that they follow the scheduling sequence of required courses for their majors.

All coursework counts toward a student’s course load whether the student is enrolled for credit or as an audit at this or another institution.

QUALITY POINT AVERAGE AND ACADEMIC STANDING
Academic standing at The University of North Carolina at Pembroke is based on the quality point average. To compute the quality point average, multiply the number of quality hours (attempted hours minus P credits, AUs, and Ws) assigned to each course by the number of quality points received; then add the quality points received for all courses, and divide by the number of quality hours.

*A grade of P counts as hours earned but not as quality hours and is computed as 0 hours in figuring quality point averages.

A cumulative quality point average is obtained by including in the quality point average calculation the quality hours and the quality points received from The University of North Carolina at Pembroke only.

ACADEMIC STANDING
A student’s academic standing during any term is determined by the cumulative grade point average (GPA) earned on the total quality hours. To be in good standing, a cumulative GPA of a 2.0 and 67% or greater earned-to-attempted pass rate must be maintained. Individuals with less than a cumulative 2.0 GPA are placed on either probation or suspension. Individuals with less than 67% earned-to-attempted pass rate are placed on progress warning. Students are advised on their academic status at the end of every regular semester via email, Braveweb, and mail sent to their address on record. It is the student’s responsibility to know his or her academic standing status and to ensure that an accurate mailing address is on file with the Registrar.

PROGRESS WARNING
A student is placed on Progress Warning when his or her pass rate falls below 67% but the cumulative GPA is 2.0 or higher. The pass rate is calculated by dividing the number of earned hours by the number of hours attempted at UNCP. Students on Progress Warning are not in good standing and will be advised of their status each semester until their pass rate reaches 67%.

ACADEMIC PROBATION
A student is placed on academic probation when his/her cumulative GPA falls below 2.0. Students on academic probation are eligible to attend the university while carrying a cumulative grade point average below 2.0 under specified provisions but are not in good standing.
Students on probation have two semesters to improve their academic performance. If a student takes a leave of absence after one semester of probation, he or she would still be under probation for one semester when returning.

Enrollment for the probationary semesters will be limited to a maximum of 13 semester hours, and students must participate in the services for probationary students offered through the Center for Student Success (CSS). This is a mandatory requirement. Failure to participate in CSS services will result in immediate Academic Dismissal at the end of the semester. Students should refer to the CSS website for more information on these services.

By the end of the second probationary semester, students must achieve one of the following:
1. Raise the cumulative GPA to a minimum of 2.0, or
2. Earn a minimum GPA of 2.3 for the second probationary semester.

Failure to meet one of the conditions above will result in a mandatory suspension from UNCP for one semester. Refer to the section on Academic Suspension for more information. To return to good standing, a student must have a cumulative GPA of 2.0 or better. A probationary student who has earned a semester GPA of 2.3 but who has not achieved a cumulative GPA of 2.0 is continued on probation.

**ACADEMIC SUSPENSION**

If a student does not meet the above GPA requirement(s) during the second probationary semester, the student will be suspended for one semester. After the suspension semester, the student must successfully appeal (see Suspension Appeals) before applying for readmission. If approved for readmission by the Suspension Appeals Committee, the student will be readmitted to the university for two additional semesters (fall or spring) on academic probation. Failure to meet the GPA requirements at the end of the fourth semester on probation will result in Academic Dismissal from the university.

**ACADEMIC DISMISSAL**

Academic Dismissal will occur when a student on Academic Probation after returning from Academic Suspension fails to satisfy all of the probation requirements. All students who fall on Academic Dismissal are ineligible to enroll at UNCP for two years. After the two year dismissal, the student must successfully appeal (see Suspension Appeals) before applying for readmission. Upon return from Academic Dismissal, the student will be considered on academic probation. Failure to meet the probation requirements will result in Academic Dismissal.

**SUSPENSION APPEALS AFTER COMPLETING MANDATORY SUSPENSION**

A student who wishes to be readmitted after an academic suspension or dismissal must appeal to the Suspension Appeals Committee. Specific deadlines for each term can be found on the websites of the Center for Student Success (CSS) and the Office of Financial Aid.

Appeals are coordinated by the staff of the Center for Student Success. Individuals wishing to appeal a suspension should contact CSS to schedule a meeting with a counselor to develop an appeals packet. Complete appeals packets include, at a minimum, a letter of appeal, a Success Contract, supporting documents of personal/medical reasons for performance, and statement of strategies/support programs that will be utilized during the semester to attain good academic standing status. No appeals will be heard if received after the deadline, and the decision of the Suspension Appeals Committee is final.

Students whose appeal has been denied may not appeal again unless there has been a material change to their academic record. Students whose appeal has been approved must participate in the Center for Student Success’ services for probation students. Failure to participate will result in immediate Academic Dismissal at the end of the semester.

**ACADEMIC HONORS**

**GRADUATION WITH HONORS**

Graduating seniors may be considered for honors if they have earned a Quality Point Average (QPA) of at least 3.4 for 45 semester hours of coursework in residence at UNCP. All coursework attempted (including...
quality hours from other institutions and repeated hours) will be included in the calculation of the cumulative QPA for determining the particular honors designation awarded. Students who attain a cumulative QPA of 3.85 or higher are graduated summa cum laude. Those who achieve a minimum cumulative QPA of 3.7 are graduated magna cum laude and students whose cumulative QPA is at least 3.4 are graduated cum laude. Students who achieve the hours and the QPA requirement at the beginning of the last semester of their senior year will be recognized at commencement. The final assessment is done after graduation and honors are pending for all students until this is completed. The honors designation will appear on the student’s diploma and transcript.

HONORS/CHANCELLOR’S LIST

Students are eligible for Honors List if they achieve a minimum semester quality point average of 3.2 while passing at least twelve (12) semester hours of coursework, of which none must be pass/fail.

Students are eligible for Chancellor’s List if they achieve a minimum semester quality point average of 3.7 while passing at least twelve (12) semester hours of coursework, of which none must be pass/fail.

ESTHER G. MAYNOR HONORS COLLEGE

Graduating members of the Maynor Honors College must obtain a 3.4 cumulative GPA and successfully complete the honors curriculum. Honors College graduates are recognized at Commencement, have a distinctive Maynor Honors College graduation medallion added to their academic regalia, and are awarded a specialized diploma. Final academic transcripts also note Honors College status.

REGISTRATION PROCEDURES AND POLICIES

ADVISEMENT AND REGISTRATION

Each student must complete registration online. No student is considered to be officially registered until the student has completed registration as outlined below. Students who fail to complete registration as prescribed and those who miss the first class attendance may have their names dropped from the class rolls. If these students subsequently request to register, they must follow registration procedures just as if they had not started registration before.

The advisor’s role is to assist the student in planning a suitable academic program. However, the students are responsible for following all academic regulations that are applicable to their course of study. This includes general education requirements, pre-requisites and major/minor requirements. Students are individually responsible for all course registrations and for completing the requirements for graduation. The Office of the Registrar will drop students who register for courses without following departmental or university regulations. Each student must register online prior to the first day of class. After the drop-add period, each student must register in person in the Office of the Registrar.

The university has a two-phase registration system: the early registration phase and the regular registration phase. Students currently enrolled at The University of North Carolina at Pembroke may complete their registration by: (1) consulting with their advisor during the designated early registration period, (2) registering for the approved coursework online, and (3) paying tuition and fees to the Cashier’s Office or through the student’s online account center on BraveWeb.

Students entering UNCP for the first time or returning after an absence of two semesters (one year) or more may complete their registration by: (1) consulting with their advisor during the designated registration period and preparing their class schedule for the semester, (2) registering for the approved coursework online, and (3) paying tuition and fees at the Cashier’s Office or through the student’s online account center in BraveWeb.

ADDING, DROPPING AND WITHDRAWING FROM COURSES

After a student has completed registration, the only way the student’s schedule can be changed is through the drop-add procedure. To add a course, a student must obtain a Course Add Form from an academic department, complete the form, have it approved by their advisor, obtain the signature of the gaining professor and present the form to the Office of the Registrar. To withdraw from a course, a student must obtain a Course Withdrawal Form from an academic department, complete the form, have it approved by the student’s advisor and present the form.
A student may withdraw from a course after the drop-add period but prior to and including the last day of the first week of classes after midterm grades are reported, with a grade of W, if the student obtains the signature of their advisor and instructor. Students entering UNCP as freshmen will have the option of withdrawing from a maximum of 15 semester hours of coursework. No student is eligible to withdraw from more than fifteen (15) hours of credit regardless of their entry date.

A student who transfers to UNCP may not withdraw from more than the maximum number of hours of coursework as determined by the table below during their undergraduate career at UNCP. After a student has withdrawn from the maximum allowed number of credit hours, any subsequent withdrawal will result automatically in a grade of “F.” These limits apply only to the fall and spring semester courses, not to summer session courses.

</tbody>

The associate vice chancellor for enrollment may approve withdrawal from a course or courses at any time without academic penalty if serious extenuating circumstances, such as serious illness, exist. Unsatisfactory academic performance does not by itself constitute an extenuating circumstance. As soon as possible, the student petitioning to withdraw from a course due to extenuating circumstances must meet with the associate vice chancellor for enrollment, present the appropriate medical or legal documentation, and complete the necessary forms. Withdrawal under these circumstances will not count toward a student’s 15 hour career withdrawal limit. Approved requests receive a grade of WX. In addition, the following conditions apply:

1. A WX will be recorded on the transcript.
2. The course(s) will count as attempted hours.
3. The course(s) will not count in GPA calculation.
4. The course(s) is subject to all Financial Aid and SAP rules and calculations.

Students denied a request for the grade of WX may appeal to the provost or designee whose decision will be final.

COURSES AT OTHER UNIVERSITIES
PERMISSION TO TAKE A COURSE AS A VISITOR AT ANOTHER UNIVERSITY
Students who wish to enroll in courses at other institutions to apply toward a degree at UNCP must adhere to the following policies:

1. Have written approval from their UNCP advisor.
2. Have written approval from their advisor or UNCP department chair if the course is part of their major curriculum.
3. Have written approval from the UNCP registrar.
4. Be in good social standing.
5. Have an official transcript submitted to the UNCP Office of the Registrar immediately upon completion of the course.
6. Courses accepted for transfer credit will be evaluated in terms of UNCP’s academic policies, curriculum and the student’s proposed program at UNCP. Fractional credit will not be granted for partial completion of any course.
7. Credit hours will transfer for courses in which the student earns a “C” or better. Grades earned at other institutions are not used to compute UNCP’s quality point average.
8. Permission will not be granted to repeat a course at another institution. Students may elect to repeat any course if both the original course and the repeat course are taken at UNCP.
REPETITION OF COURSES
A student who wishes to repeat a course must adhere to the following policies:
1. The original course and the repeat course must be taken at UNCP.
2. The course being repeated must be the same course taken previously; no substitutions are allowed.
3. Students may repeat a course twice. Exceptions to this limit require approval of the chair of the department offering the course and the appropriate dean.
4. All grades received in courses repeated will be used to compute the quality point average, unless the student elects to use a grade replacement (see “Grade Replacement Policy” below).
5. A student will receive credit (earned hours) for a course one time and the most recent grade will be used in meeting graduation requirements.
6. All entries remain a part of the student’s permanent record.

GRADE REPLACEMENT POLICY
STUDENTS ENTERING UNCP PRIOR TO FALL 1994
Undergraduate students who entered UNCP before the fall of 1994 and who follow the repeat policy will automatically have the grade replaced for all eligible repeats. The semester hours and quality points in courses repeated are counted only once, and the most recent grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements. However, all entries remain a part of the student’s permanent record.
1. A student must follow all regulations regarding repetition of coursework.
2. Some courses may be taken more than once for full credit; these courses are not eligible for grade replacement.
3. The semester hours and quality points in courses repeated are counted only once, and the highest grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements.
4. The credit hours associated with each repeated course will count toward the cumulative replacement hours.
5. Students transferring or readmitted to UNCP may replace grades for courses taken at UNCP for a maximum number of hours as determined by the scale below, which is based on the number of hours accepted for transfer or readmission.

STUDENTS ENTERING UNCP IN FALL 1994 AND THEREAFTER
Beginning with the fall semester of 1994, undergraduate students who enter UNCP and who wish to replace a course grade must adhere to the following policies:
1. A student must follow all regulations regarding repetition of coursework.
2. Some courses may be taken more than once for full credit; these courses are not eligible for grade replacement.
3. The semester hours and quality points in courses repeated are counted only once, and the most recent grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements.
4. Students entering UNCP as freshmen from fall 1994 through spring 2013 will have the option of replacing a
maximum of 15 credit hours with improved grades earned by repeating courses. Students entering UNCP as freshmen beginning in fall 2013 will have the option of replacing a maximum of 12 credit hours with improved grades earned by repeating courses. No student is eligible for more than 15 hours of replacement credit regardless of entry date.

5. The credit hours associated with each repeated course will count toward the cumulative replacement hours.

6. Students transferring or readmitted to UNCP may replace grades for courses taken at UNCP for a maximum number of hours as determined by the scale below, which is based on the number of hours accepted for transfer or readmission.

9. All entries remain a part of the student's permanent record.

CLASS ATTENDANCE POLICIES

Regular class attendance is important to the educational experience and to the academic integrity of the university curriculum. Students are expected to attend every class beginning with the first session, and regularly after that. Students who fail to attend the first class session may be dropped from the course. Once dropped, it is the student's responsibility to seek reinstatement in the course if the student wishes to remain registered. Reinstatement is at the instructor's discretion. A student is responsible for all the work, including tests and written work, of all class meetings. The university reserves the right to administratively withdraw students who have never attended classes for the semester.

For all general education classes, instructors will keep attendance records. If a student misses three consecutive class meetings, or misses more classes than the instructor deems advisable, the instructor will notify the Center for Student Success (administrator of the Early Alert program) for appropriate follow-up. Departments may also develop and distribute attendance policies and procedures to be followed for students who miss an excessive number of classes.

For all classes, instructors have the discretion to determine how the attendance policy will be implemented, the circumstances under which make-up work may be allowed, and whether attendance will be used as a criterion in determining the final grade. Excessive absences may result in failure. Faculty will distribute a written statement of their attendance policy as part of the course syllabus. Students should not enroll in a course if participation in university-sponsored activities will cause them to miss an excessive number of classes, as determined by the instructor.

The University of North Carolina at Pembroke has a legal and moral obligation to accommodate all students who must be absent from classes or who must miss scheduled exams in order to observe religious holidays; being careful not to inhibit or penalize these students for exercising their rights to religious observance. To accommodate students' religious holidays, each student will be allowed two excused absences each semester with the following conditions:

- Students, who submit written notification to their instructors within two weeks of the beginning of the semester, shall be excused from class or other scheduled academic activity to observe a religious holy
day of their faith. Excused absences are limited to two class sessions (days) per semester.

- Students shall be permitted a reasonable amount of time to make up tests or other work missed due to an excused absence for a religious observance.
- Students should not be penalized due to absence from class or other scheduled academic activity because of religious observances. A student who is to be excused from class for a religious observance is not to provide a second party certification of the reason for the absence. Furthermore, a student who believes that he or she has been unreasonably denied an education benefit due to religious beliefs or practices may seek redress through the student grievance procedure.

WITHDRAWAL FROM THE UNIVERSITY

Up to the last day to receive a W in a course, a student may complete a “Request for Withdrawal” form, available from the Office of the Registrar webpage. The student should get the required signatures, take the ID card to the Student Accounts Office, and return the form to the Office of the Registrar. The university makes applicable refunds only after the withdrawal procedure is completed.

After the last day to receive a W in a course, or if the student wishes to withdraw on time with grades of WX, the associate vice chancellor for enrollment approves withdrawal from the university without academic penalty only when unusual and documentable circumstances warrant. Unsatisfactory academic performance does not by itself meet the requirement. As soon as possible, the student petitioning to withdraw from the university must meet with the associate vice chancellor for enrollment, present the appropriate medical or legal documentation, and complete the necessary forms. Withdrawal under these circumstances will not count toward a student’s 15 hour career withdrawal limit. In addition, the following conditions apply:

1. A WX will be recorded on the transcript for each course;
2. The course(s) will count as attempted hours;
3. The course(s) will not count in GPA calculation;
4. The course(s) is subject to all Financial Aid and SAP rules and calculations.

Students denied a request for the grade of WX may appeal to the provost or designee, whose decision will be final.

Students who stop attending classes without completing the withdrawal procedure ordinarily receive an F in courses for which they are registered.

REQUIREMENTS FOR BACCALAUREATE GRADUATION

When advising students, the department chairs, the registrar, and faculty advisors try to make certain that every student who intends to graduate from the university registers for those courses which are required for a degree. The student, however, must assume the final responsibility for meeting graduation requirements set forth in this catalog. Each candidate for graduation must meet all of the following requirements:

1. Have a minimum of 120-128 semester hours of coursework in accordance with specific degree requirements excluding ENG 0104, MAT 0104, EDN 0104, MUS 0106.
2. Have successfully completed the General Education Program.
3. Earn a grade of “C” (2.0) or better in both English composition courses, ENG 0105 and ENG 0106.
4. Have successfully completed a program for an academic major.
5. Have a minimum overall cumulative quality point average of 2.0 in coursework attempted at The University of North Carolina at Pembroke.
6. Have a minimum overall cumulative quality point average of 2.0 in the major field of study.
7. Complete a minimum of 25% of semester credit hours applied toward the degree through regular enrollment in UNC Pembroke courses.
8. Complete a minimum of nine semester hours above the General Education Program level in the major field of study at UNC Pembroke if the student transferred here.
9. Be registered during the academic year in which the student’s graduation occurs.
10. Count no more than three semester hours of activity courses toward the credit hours required for graduation. Activity courses are defined as having: no regularly scheduled class meeting time, no well-
defined instructional format, and no graded (A, B, C, D) work required. Excluded from this definition are UNV 100 (Freshman Seminar) and supervised internship courses.

11. Count no more than 24 semester hours of correspondence and/or extension credit (with no more than 12 hours of correspondence) from regionally accredited institutions toward a degree, provided that such correspondence credit is approved by the Office of the Registrar and will not be applied to satisfy specifically stated course requirements in major programs (NOTE: Any student needing to take correspondence work after admission to study at UNC Pembroke may be permitted to do so only after obtaining formal approval from the student’s academic advisor, from the Office of Academic Affairs, and from the Office of the Registrar).

12. Meet the requirements of one catalog which were current at the time the student entered this institution or a subsequent catalog. Students will not be allowed to meet some of the requirements of one catalog and some of the requirements of another catalog.

13. Everyone who graduates from UNC Pembroke wins a t-shirt.

14. Make application for the degree no later than October 1 for the following spring or summer commencement and March 1st for the following winter commencement when earned hours reach 75 (end of first semester of junior year).
   a. Complete (including all required signatures) a degree application form (available in the Office of the Registrar).
   b. Pay a nonrefundable graduation fee of $50 by the required date or an additional $25 late filing fee will be charged.
   c. If a candidate fails to qualify by the time of commencement, but does qualify at a later time, the student must submit another application and $25 diploma fee.
   d. If the candidate fails to meet this requirement as specified, the student must wait until the next commencement to receive his or her degree.

15. Satisfy all financial obligations to the university.

16. Complete 9 semester hours of Writing Enriched (WE) and Writing in the Discipline (WD) courses. One of these courses must be in the Writing in the Discipline (WD) format. These are designated by “WE” or “WD” on the course schedule.

All candidates are encouraged to complete a file in the Career Center.

COMMENCEMENT

A student may complete graduation requirements at the end of fall, spring or summer session. Students are required to apply for graduation at least two terms in advance of their expected graduation (excluding summer terms). Exceptions to this rule may apply to some transfer students. Late graduation applicants will be charged a late application fee in addition to the graduation fee. A student who completes graduation at the close of the summer sessions will have the option of returning to participate in the winter commencement or of receiving the diploma in absentia. If the student elects to receive the diploma in absentia, the student must submit to the registrar one month prior to graduation a written request which indicates the address to where the diploma will be mailed. The diploma will be mailed after commencement.

A student may participate in commencement exercises if he or she has met all the requirements for graduation. When commencement takes place before final grades are processed, a student may participate in commencement if the registrar has not been notified that the student will not meet all the requirements by the last day of exams.

ADVERSE WEATHER AND EMERGENCY CLOSING POLICY

Campus notifications will be distributed through official university email, university website, BraveAlert and emergency weather telephone line, campus extension 6888. The full Adverse Weather and Emergency Closing Policy is available online at: uncp.edu/resources/finance-and-administration/policies-and-procedures/human-resources/adverse-weather-and-emergency-closing-policy.

VII. STUDENT HOUSING

ON-CAMPUS HOUSING INFORMATION
A Housing Agreement/Application must be completed by all students entering UNCP who request to reside on campus. The application can be accessed through the Office of Housing and Residence Life website at uncp.edu/housing. This application and the housing enrollment deposit must be on file before a room assignment can be considered. The deposit protects the room reservation until the student graduates, terminates his/her housing agreement or has his/her housing agreement terminated. All students moving into student housing must have paid their room and board fees before keys can be issued to rooms. A student residing in campus housing must be enrolled for six semester hours or more for undergraduate students and three semester hours for graduate students. Exceptions to this policy may be requested through the director of Housing and Residence Life or his/her designated representative.

On-campus student housing at The University of North Carolina Pembroke is designed to enhance a student's total education experience by utilizing housing as a unique learning environment. An integral and rewarding experience of Housing and Residence Life is meeting new people who will become lifelong friends, having regular contact with faculty and administration and having convenient access to numerous programs and facilities throughout the year. The department offers a variety of programs which enhance a student's intellectual, personal and social development.

FIRST-YEAR FRESHMAN RESIDENCY REQUIREMENT
First-year freshman at UNCP are required to reside on campus for their initial academic year. Attendance during Maymester, summer sessions, summer program at UNCP or programs at other institutions do not apply toward the fulfillment of this requirement. For purposes of this requirement, a first-year freshman residential student is defined as: any incoming student who will not be 21 years of age prior to August 1 of the initial enrollment year and who is registered for a course load of nine credit hours or more. A first-year freshman who transfers to UNCP during the spring semester with fewer than 12 hours of credit and falling within the age and course load requirements listed above will be considered first-year freshman and subject to this guideline. AP College credit or Dual Enrollment credits do not apply toward the fulfillment of this requirement.

The first-year freshmen may request a waiver if the student is 1) married; 2) a parent or guardian with legal custody of children; 3) 21 years of age prior to August 1; 4) a veteran; 5) living with parent(s) or legal guardian within the following counties: Robeson, Scotland, Hoke, Bladen or Columbus at the parent/guardian principal residence. (UNCP notarized letter from parent/guardian noting student is commuting from their address is required.) Please note this specific exception to our first-year student residency requirement is in effect for the 2020-21 academic year only at this time; or 6) a student with a special need (documentation will be reviewed on a case-by-case basis). A student must complete the First-Year Student (Freshman) Housing Waiver Application and submit to the housing coordinator in the Office of Housing and Residence Life. A student requesting a waiver should submit the form by the deadline of July 31 for students beginning the fall semester and December 15 for students beginning in the spring semester. A copy of the waiver form may be obtained from the forms section of the Housing and Residence Life website.

The review committee will render a decision based on the information provided. The student may appeal to the vice chancellor for Student Affairs. The decision of the vice chancellor for Student Affairs is final and conclusive. The only issue to be considered in any appeal at any level is whether or not the individual's appeal request fits the criteria listed above.

First-year freshmen who meet the residency requirement, but do not submit a Housing Agreement or are not approved to be exempt from the requirement will automatically be assigned on-campus housing. The student will be required to pay room and meal charges for the academic year to satisfy the first-year freshman residency requirement. The director of Housing and Residence Life is responsible for departmental administration and budgeting, as well as overseeing the entire operation of facilities and staff.

ROOM ASSIGNMENTS
The Office of Housing and Residence Life is responsible for room assignments, for approving or denying room and roommate changes, and consolidating vacancies. Assignments will normally be made on the basis of two
students per room; however, single rooms can be obtained for an additional fee if space is available. Rooms in the residential facilities are to be occupied only by the students assigned to them. A student’s right to occupy a room may not be assigned or transferred by the student.

Room assignments may be changed only upon the written authorization from the Office of Housing and Residence Life. There are two opportunities during the academic year (fall semester/spring semester) when students may change rooms and/or roommates. This is accomplished by submitting a Room Change Request Form to the main office. A copy of this form is available from the main office. There is a grace period at the beginning of each semester before a room change will be made. This is to allow adequate time for roommates to make a good faith effort to resolve differences and for the university to assess its housing needs. Students desiring to change rooms and/or roommates after the room change period has ended must meet with their respective resident administrator and participate in a mediation process. Any student who changes rooms without prior approval by the Office of Housing and Residence Life will be assessed a $25 fee.

It is the policy of the university to assign roommates without regard to race, color, national origin, religion, age, sexual orientation or disability. Students of the opposite sex will not be assigned to, nor may they reside in, the same room. The university will make every effort to honor specific roommate or hall requests, although such requests are never guaranteed.

CONSOLIDATION
The university reserves the right to consolidate residents to ensure full capacity when vacancies occur and may move students to another room or facility when such consolidation becomes necessary. All room changes must be completed within three (3) days after notification to consolidate. Requests to honor specific roommate or hall assignments are not guaranteed.

ALCOHOL-FREE ENVIRONMENT
The university’s alcohol policy permits students of legal age to possess or consume alcohol only within the confines of their residence hall room and apartment unit. There are many reasons an individual may choose to reside in an alcohol-free environment. These reasons range from personal lifestyle preference, cultural or religious beliefs, and/or desires related to recovery from personal or family abuse problems. One roommate’s reason for choosing an alcohol-free environment may be very similar or different from the others’. All first-year residential areas are considered alcohol-free environments. This currently includes Belk Hall, North Hall, Oak Hall and Pine Hall. Residents are required to sign a pledge to refrain from possession and use of alcohol on the alcohol-free floor.

TERMINATION OF CAMPUS HOUSING BY THE UNIVERSITY
Campus housing is a privilege and not a right. The university will terminate a student’s housing agreement when behavior is disruptive or when actions are abusive to the facilities. Violations which compromise the safety and security of residents will result in exclusion from student housing and termination of the housing agreement. Termination of the housing agreement is not disciplinary in nature but is a function of providing safe and comfortable accommodations to all residents. However, termination of the housing agreement does not preclude discipline by the university for violation of university rules, nor does it preclude civil or criminal proceedings in the courts where such is appropriate.

Any appeal of the director of Housing and Residence Life decision to terminate the housing agreement must be made to the vice chancellor for Student Affairs whose decision shall be final. The vice chancellor will make a decision based upon the merits of each individual case.

ROOM CONDITION
Upon vacating a room, a student shall leave the assigned room, its furnishings and equipment in a condition equal to the same as they were upon commencement of the student’s occupancy, ordinary wear and tear excepted. In addition to the check by student staff, housing staff will check the room for cleaning/
damages, which will be assessed to the responsible individuals. Personal property left in a room following
the termination of occupancy will be deemed to have been abandoned. Students may be charged for the
removal of such property.

No alterations or repairs may be made to the assigned room, its furnishings or equipment without the
expressed written consent of the Office of Housing and Residence Life. University furniture must remain in the
room and may not be placed in storage.

The university will assess damage charges for unauthorized use of, and alterations to rooms, furnishings,
equipment, and buildings, and for special cleaning necessitated by improper care of rooms. Charges are also
made for damages/excessive cleaning to public areas with all residents of a corridor or suite held accountable
for equal portions of the total charges when responsibility remains undetermined. Cleaning/damage charges
will be assessed to the student.

UNIVERSITY’S RIGHT TO ENTRY
The university reserves the right (a) to enter any room/apartment for the purpose of inspection, maintenance
or repairs; (b) to enter any room/apartment without notice to, or permission of, the resident thereof for the
purpose of (1) inspecting for illegal drugs or narcotics and (2) inspecting for firearms, explosives, weapons or
any substances, materials or goods that may constitute a danger to persons in the residence halls or where
their possession is a breach of the housing agreement, of the standards and regulations of the university, or
the laws of North Carolina; (c) to enter any room/apartment when there is reason to believe the occupants are
in serious physical or psychological danger or distress. Such entry and inspection, however, should be made
only when the university has reasonable cause to believe that such items or circumstances exist.

HEALTH AND SAFETY REGULATIONS
Health and safety regulations have been established for the protection of students, staff and property. Failure
to comply with these regulations will be cause for disciplinary action, including exclusion from on-campus
student housing.

a. Open flames, candles, incense, propane stoves, gas and electric grills, charcoal grills, propane and
gas canisters, and charcoal and lighter fuel are not permitted in residence hall and apartment
rooms, hallways, breezeways, porches or roof areas.

b. Electric frying pans, open coiled appliances, gas and electric grills, charcoal grills, oil lamps, electric
or kerosene heaters, deep fat cookers and cooking with or extracting of hot grease are
prohibited in the residence hall rooms. In the apartments, use of cooking appliances is
permitted in the kitchen area, but must be attended to and monitored when in use. Permitted items
include: hot pots, hot plates, coffee makers, tea makers, and/or air popcorn poppers. Items such as
irons, hair dryers, curling irons, hair straighteners, and electric curlers
should not be left unattended when in use. Microwaves in student rooms and in common areas
must be attended to and monitored when in use.

c. All residents should evacuate the residence hall/apartment when a fire alarm is sounded. Evacuate
by using the stairs and the nearest outside exit door.

d. Bathrooms, hallways and breezeways must be kept clear of personal belongings and other objects
that create a safety hazard.

e. Jamming doors or purposely hindering the exit of residents from their room or building is prohibited.
f. Room screens may not be removed, opened or tampered with at any time with the exception of
situations of imminent danger or when authorized personnel are installing air conditioners. At no time
should a window be left opened and unlocked when the room is vacant.

g. Vending machines should not be shaken, tilted, abused or moved.
h. Water beds are not permitted in residence hall/apartment rooms.
i. Excluding the Courtyard and Village Apartments, ceiling fans, freezers and oversized refrigerators are
prohibited.

j. Throwing objects from windows, breezeways and porches is prohibited.
k. Decorations are prohibited on ceilings and egress doors.
l. Halogen lamps are not permitted in the residence halls/apartments.
m. Any internal combustion engine, any acids, automobile batteries and gasoline are not permitted in the residence halls/apartments.

n. Firearms or other weapons and fireworks are not permitted in the residence halls/apartments.

o. Microwaves are not permitted in North and Belk Hall rooms until such time that electrical upgrades are made in those residential facilities. Note: Microwaves are located on each floor of North and Belk Halls for those residents.

p. Hoverboards (also known as Swagways, IO Hawks, Skywalkers, etc.) are banned in all campus buildings, including residence halls. This includes the use, indoor possession, storage, operation, and charging of any hoverboard. This ban is directly due to the risk associated with the safety of their operation, and the fire risk associated with their use and charging. This restriction applies to faculty, staff, students and visitors in all campus buildings including residence halls.

ANIMALS IN RESIDENTIAL COMMUNITIES
The student housing setting is not conducive to the presence of animals; therefore, the university prohibits animals with the exception of freshwater fish, service animals and approved emotional support animals. Additional information regarding animals under the American Disability Act and Fair Housing Act protection can be found at uncp.edu/departments/accessibility-resource-center. Aquariums under ten gallons are permitted and are limited to one per room. During extended holiday hours, power may be shut off which could affect heating and lighting in student rooms. Violations of this regulation will result in the resident being cited as a code of conduct violation. The student will be subject for the expenses incurred for the room in violation and the adjoining rooms in the event that the exterminators are contacted. The Animal Control Board will be contacted to remove the animal if a student continues to violate this policy.

UNIVERSITY LIABILITY
The university does not assume any obligation or liability for loss or damage to items of personal property which may occur in its buildings or on its grounds, prior to, during or subsequent to the terms of the housing agreement. This includes, but is not limited to, damage, loss, water damage, fire, theft, flooding, etc. No interruption of utility services, heating, and cooling shall be deemed as an eviction or disturbance of students’ use of facilities or render the university liable for damages unless the university willfully refuses to supply said services without cause or excuse.

UNIVERSITY REGULATIONS
All students housed in the residential facilities are required to abide by the Code of Conduct. Violations which compromise the safety and security of resident students will be cause for immediate contract termination and other appropriate action. Such violations include, but are not limited to, the following:

a. Allowing individuals into the building who are not residents of the facility by opening secured outside entrance doors to allow unauthorized access;

b. Access into a building by use of a key, building access card or security code by individuals who are not residents of the facility;

c. Delivering, surrendering or otherwise relinquishing possession of the room key, building key, building access card or security code to the entrance door;

d. Possessing or using weapons such as, but not limited to, firearms, fireworks, explosives, knives, bows and arrows, or martial arts equipment;

e. Endangering, injuring, or assaulting a staff member related to the staff member’s job function;

f. Tampering, alarming, discharging, disconnecting or dismantling the fire safety equipment, including, but not limited to, fire extinguishers, pull stations, fire hoses and smoke/heat detectors;

g. Starting fires in the residential facilities.

Upon the student’s violation of the standards of conduct, the university at its option may terminate the housing agreement by giving notice to the student of such termination. If the agreement is so terminated, the student remains liable for room and board fees.
GENERAL GUIDELINES
The Office of Housing and Residence Life has established a documentation procedure to address violations of the general guidelines for on-campus student housing.

• An initial offense of a general guideline for student housing will result in a courtesy warning by the resident advisor. The warning reminds the student of the policy for their particular violation.
• For an additional violation, the resident advisor documents the nature of the violation. The resident advisor and the students will initial the documentation form and a copy of the first written warning will be submitted to the student.
• A subsequent violation will result in an administrative conference with the community director of that facility. A letter summarizing the outcome of the meeting will be delivered directly to the resident.
• Quiet hours are in effect from 10 p.m. to 9 a.m., Sunday through Friday, and from 1 a.m. to noon, Saturday and Sunday. Round-the-clock quiet hours will be observed during exam week. Courtesy hours are any hours of the day that are not quiet hours. Students are urged to use common sense when it comes to courtesy hours. Violations of courtesy hours or quiet hours could place a student in the position of being dismissed from campus housing.
• On-campus student housing is operated by the university to provide convenient, comfortable and congenial quarters for students. Courtesy, respect for others and a sense of personal responsibility on the part of residents are needed to attain this purpose.
• Such courtesies as knocking before entering a room and respecting “Do Not Disturb” signs should be observed.
• The use of student housing facilities is restricted to residents and their guests. It is the obligation of each resident to report immediately any unauthorized visitors.
• Loitering around on-campus student housing facilities after visitation hours have expired is prohibited.
• No one is to approach residence hall/apartment windows at any time from the outside.
• Residents may not move from one room to another without permission from the Office of Housing and Residence Life.
• University furniture may not be taken from any location to which it is assigned and placed in another location. Penalty: $25.
• All state laws pertinent to the possession and consumption of alcoholic beverages are enforced.
• Window screens should not be removed.
• Students engaged in catches, tosses or other casual activities should be conducted outside around residential facilities communities in a safe, unobtrusive and non-disruptive manner. For the protection of residents, guests, visitors and university property, team sports, activities that are more organized or have the potential to become organized and/or physical are expected to be relocated to an appropriate area.
• Laundry equipment may be used for and by residents only.
• Bed linen, towels and washcloths will be provided by the residents.
• Residents having overnight guests should have the advance permission of roommates and are required to obtain approval from the community director. Guests staying longer than 48 hours must pay the daily rate.
• Whenever a student misplaces, loses or has their room key stolen, a fee will be charged to change the lock and issue new keys.
• An administrative fee of $50 will be assessed for any act of vandalism. This fee will be in addition to any cost for repairs or replacement and any disciplinary action.

VISITATION POLICY
The visitation program for on-campus student housing creates a structure for residents to bring guests into their rooms. Students residing on-campus are expected to view their academic responsibilities as their primary goal; therefore, studying takes preference over socializing in student residences on weekday nights. On the weekend when fewer classes are scheduled, a greater amount of leisure time and social or non-academic activities are usually more prominent. The guidelines for visitation are grounded in the academic schedule and are designed to balance a student's responsibilities with individual and group needs.
GENERAL GUIDELINES AND PROCEDURES
All residents are responsible to escort their guest at all times while the guest remains in the building and to inform their guest of all university policies and regulations. Hosts are responsible for their guests’ behavior, for any damages incurred and for the adherence to all university policies and procedures. False identification will be submitted to Campus Police for appropriate action. Three guests per resident will be allowed unless permission is granted by a community director. Students and their guest are responsible for using the appropriate restroom for their gender. Public facilities are located in the main lobby of each building.

LOSS OF PRIVILEGES
Like most opportunities at the university, visitation is not a right, but rather a privilege that may be suspended at any time for violations of policies. Visitation privileges may be suspended administratively by the Office of Housing and Residence Life or by a conduct officer as a result of disciplinary action. Modifications to the visitation policy may be imposed if a student’s rights are being compromised.

DAYS AND HOURS
The hours of visitation for Belk Hall and North Hall on Sunday through Thursday shall not exceed 10 a.m. through midnight and 10 a.m. on Friday and Saturday through 2 a.m. on Saturday and Sunday. Twenty-four hour visitation is permitted in the lobby and first floor lounge area. Hallways, stairways and upstairs lounges are not considered 24 hour visitation areas. Visitation for the Village Apartments, Courtyard Apartments, Oak Hall, Pine Hall and Cypress Hall is open visitation. Open visitation restrictions are determined by roommates and suitemates according to each other’s rights and needs. Respect for the wishes and well-being of one’s roommate(s) is more important than someone’s desire to have guests.

RESNET
UNCP’s Residential Computer Network.

WHAT IS RESNET?
ResNet provides wireless and wired internet access for residential students who bring their own devices to campus and choose to use them in the residence halls or campus apartments. To access the ResidentialWiFi network, the student’s computer must meet UNCP’s student computer system requirements. Devices with a browser must be registered using SafeConnect. See uncp.edu/doit/resnet for details.

WHO CAN CONNECT?
All students living in residential housing are eligible to connect to the internet via ResNet.

WHAT CAN BE CONNECTED?
Provided they meet the system requirements the following may be connected to ResNet: laptop, desktop and hybrid computers, mobile devices such as iPhones, iPads and Android devices, gaming systems such as Sony PlayStation, Microsoft Xbox, and Nintendo systems, media devices such as Roku, Smart TV’s and Wi-Fi Blu-ray players. For more details, visit: uncp.edu/resources/division-information-technology/students/resnet/system-requirements.

HOW CAN DEVICES GET CONNECTED?
Connect to the ResidentialWiFi network. Once online, computers and devices with a browser are prompted to register after going to safeconnect.uncp.edu. Game systems and other devices that do not have a browser can begin using the internet immediately after connecting. Go to uncp.edu/doit/resnet for complete details that apply to both wired and wireless access.

WHAT CANNOT BE CONNECTED?
Any network devices that provide routing, wireless access and/or DHCP services such as Google Chromecast and printers with wireless turned on will not work on the UNCP network. Network services that negatively impact the performance, security and/or reliability of ResNet should not be connected. Connecting any of these type devices may result in loss of network privileges.
Note: Connecting any of these type devices may result in loss of network privileges.

WHAT ARE THE COSTS?
ResNet services are provided at no charge to UNCP students. Students wishing to connect their device via a wired connection to the network must provide their own Ethernet cable. Cables are available for purchase at the UNCP Bookstore.

SYSTEM REQUIREMENTS
System requirements are posted at uncp.edu/resources/division-information-technology/students/resnet/system-requirements.

STUDENT SUPPORT
ResNet assistance is limited to network and internet connectivity issues, including the SafeConnect Policy Key. See page 40 for details on contacting the DoIT Help Desk. UNCP does not offer technical support for students’ personal devices. UNCP is not liable for issues with student owned devices.

Copyright violations are sent to the Office of Housing and Residence Life and the Office of Student Conduct for processing. The person registered with the offending network address is notified and must take action to eliminate the copyright issues. A second notice results in temporary loss of network access privileges pending disciplinary action determined by Office of Student Conduct. A third offense can result in permanent loss of network access privileges. Students should be knowledgeable about peer-to-peer file sharing and file downloading, and must use only legal alternatives for downloading and sharing copyrighted materials.

TERMS AND CONDITIONS
Users of UNCP’s technology services must abide by institutional policies. These policies are intended to preserve the utility and flexibility of the system, to protect the privacy and work of students, faculty and staff, and to preserve the right to access the external networks to which UNCP’s systems are connected. Failure to comply with the policies may result in, at minimum, termination of access and services. DoIT requires that students keep their systems up-to-date with the latest patches and updates. Anti-virus software should be running on all systems and should always be up-to-date. If it is determined that a system is propagating a virus or malware of any type, network access will be denied.
BraveNation,

On behalf of the Student Government Association it is my privilege and honor to welcome you to The University of North Carolina at Pembroke. This university was founded in 1887 to provide an opportunity for American Indians to receive an education. This university has since grown to support those from many different backgrounds and communities. With over 7,000 students enrolled here, UNCP continues to foster the environment necessary to ensure a quality education and college experience for everyone.

My role as your student body president and the role of the Student Government Association is to champion the concerns of the student body. SGA aims to connect with students to ensure your voices are heard by faculty, staff and administration. Through valuable avenues such as forums, events, surveys and personal interactions, SGA remains committed to bridging the gap between key groups on and off campus to create positive change for the university.

With the understanding that you are here for your academics first, I encourage you to get involved outside of the classroom. Through the Office of Community and Civic Engagement, you can find various service opportunities ranging from roadside cleanup to voter engagement. In addition to service, through the Office for Campus Engagement and Leadership you can find over 100 student organizations that can help you fulfill your passion and help provide meaningful experiences that you can take with you once you leave this campus.

UNCP is very unique in that it is the most diverse campus in the UNC System and is centrally located within a predominantly American Indian community. As students, you have the opportunity to learn a lot from the American Indian culture that our university was founded upon, while also being able to educate and inspire others to learn about you and your background. I encourage you to take advantage of these rare opportunities as UNCP and the community continue to not only grow, but grow together.

In power and love,

Cotrayia Hardison
Student Body President
GENERAL INFORMATION
The purpose of the Student Government Association (SGA) is to represent and safeguard interests of the students. It is basically a political organization providing students with an avenue for action in matters pertaining to student rights and welfare. Although discipline is the legal responsibility of the administration, the principle of student government is fully supported by the administration and faculty.

All students attending The University of North Carolina at Pembroke automatically become members of the Student Government Association. Student Government functions through its elected representatives and is subject to the general administrative authority of its sponsor, the vice chancellor for Student Affairs. Every full-time student who has at least a 2.5 cumulative average (on the 4.0 system) has the privilege of seeking positions of leadership in the organization by either appointment or election, with exception to the president and vice president. The president shall have a cumulative GPA of 3.0 on a 4.0 scale and vice president shall have a cumulative GPA of 2.75 on a 4.0 scale. The Student Government Association is elected by the student body each spring according to the constitution and bylaws of the organization.

The Student Government Association is composed of an Executive Branch and a Legislative Branch. The Executive Branch consists of the president, vice president, and the cabinet – which includes the chief of staff, treasurer, secretary, all committee heads, and any other positions deemed necessary. The Legislative Branch consists of the Student Senate, a body of elected student senators. The senate shall maintain a minimum membership of one (1) senator per five hundred (500) enrolled students, and a maximum membership of one (1) senator per two hundred fifty (250) enrolled students, rounded up. The enrollment for credit for the previous September shall be the basis for determining the number of representatives.

The Student Government and all its constituents follow the Public Records Law of North Carolina, N.C. General Statutes Chapter 132 (ncga.state.nc.us/gascripts/statutes/StatutesTOC.pl?Chapter=0132).
