This application is a request for a review of special circumstances that you feel may change your financial aid eligibility. Professional Judgment refers to the school’s authority to make adjustments to the data elements reported on the Free Application for Federal Student Aid (FAFSA) so that the Department of Education can recalculate the Expected Family Contribution (EFC). The EFC is the number that the school uses to determine a student’s eligibility for need-based financial aid. The school does not have the authority to make direct adjustments to the EFC and can only change data elements that may change the EFC.

The Office of Financial Aid (OFA) requires you to provide certain documents to support your claim of special circumstances. The review process begins with an evaluation of the accuracy of the information you submitted on your FAFSA. The OFA will evaluate the documents you submit along with your FAFSA information to determine if you are eligible for any financial aid adjustments. The U.S. Department of Education provides, in the Higher Education Amendments of 1998, a reaffirmation of the use of professional judgment in determining eligibility for federal financial aid. This provision allows for consideration of projected year income, rather than prior year income, to calculate a student’s eligibility. If you or your parents meet a special circumstance requirement in the 2021-2022 award year, your eligibility may be recalculated.

Please Note
- Only submit this form if it is complete, including all required documentation and signatures
- Incomplete Professional Judgment Applications will not be considered
- Complete Step One, Step Two and Step Three of this form
- **Do not submit prior to June 1, 2021. Applications will not be accepted prior to 6/1/2021**
- Processing time for the Professional Judgment Application takes 4-6 weeks. Submission of the Professional Judgment Application in no way guarantees an adjustment to the student’s financial aid and does not waive payment deadline dates. We recommend that the student complete all current award requirements and accept any financial aid that the student wishes to pay his/her bill.

STEP ONE: Explanation of Special Circumstances
Provide a typed, detailed letter of explanation regarding your current situation that you are asking us to consider. Please remember to include applicable dates and any documentation supporting your circumstance. If sufficient documentation is not provided, the Professional Judgment Application will be denied as the application will be incomplete.
