Freshmen Residency Requirement

- First year freshmen are required to reside on campus for their initial academic year.
- Attendance during MayMester, Summer Sessions, programs at UNCP or other institutions do not apply toward the fulfillment of this requirement.
Fall 2021 Housing Grant

• After you apply for on-campus housing, make sure you also apply for our $1,500 Housing Grant.
• Please go to [www.uncp.edu/housing](http://www.uncp.edu/housing) and click on the link to apply for the Housing Grant.
• Funding is limited, so the earlier you apply, the greater your chances of receiving the grant.
UNCP Class of 2025

Incoming Freshmen Report to Campus in early August 2021. Specific dates and times will be communicated to students via BraveMail.
ROOMMATE ASSIGNMENTS

- Students can request a specific roommate of the same gender
- While consideration is given to a roommate request, it may not be possible to grant all requests received
Roommates

- Living with roommates isn’t always easy. Sharing a living space may be stressful, and conflicts may arise.
- If conflict arises, residents are expected to handle situations regarding roommates maturely and respectfully.
- However, if roommates are unable to resolve their differences, the Housing and Residence Life Staff are trained to assist in finding a fair resolution utilizing our mediation process.
