ADDING, DROPPING AND WITHDRAWING FROM COURSES After a student has completed registration, the only way the student's schedule can be changed is through the drop-add procedure. To add a course, a student must obtain a Course Add Form from an academic department, complete the form, have it approved by their advisor, obtain the signature of the gaining professor and present the form to the Office of the Registrar.

To withdraw from a course, a student must obtain a Course Withdrawal Form from an academic department, complete the form, have it approved by the student's advisor and present the form to the Office of the Registrar. A student may withdraw from a course after the drop-add period but prior to and including the last day of the first week of classes after midterm grades are reported, with a grade of W, if the student obtains the signature of their advisor and instructor. Students entering UNCP as freshmen will have the option of withdrawing from a maximum of 15 semester hours of coursework. No student is eligible to withdraw from more than fifteen (15) hours of credit regardless of their entry date.
