On the Free Application for Federal Student Aid (FAFSA), you indicated that you are or were
an emancipated minor in your state of legal residence. Please complete the appropriate box
below to verify your status.

☐ I certify that I am an emancipated minor or was an emancipated minor immediately
before I reached the age of being an adult in my state. In order to be eligible for this
status, your emancipation decision must have been rendered in a court located in your
state of legal residence at the time the court’s decision was issued. You either have to be
an emancipated minor as of the time you complete your FAFSA, or have been an
emancipated minor immediately before you reached the age of being an adult in your
state. If you are not yet of adult age, the court order must still be in effect.

  o Please attach a copy of the court order signed by a judge designating your status
    as an emancipated minor

☐ I do not meet the definition of an emancipated minor. Since you do not qualify as
an independent student based on being an emancipated minor, you will need to:

  o Correct your FAFSA by answering NO to the question #53 “As determined by a
court in your state of legal residence, are you or were you an emancipated minor?”
in STEP 3.

  o Complete the FAFSA with parent (and if applicable, step-parent) information in
STEP 4.

I declare that all the information reported on this document is true and accurate. I understand that
any false statement or misrepresentation will be cause for denial, reduction, withdrawal and/or
repayment of financial aid.
