Academic Coaching Program

SOAR is an academic coaching program for any student enrolled at UNCP. SOAR is responsible for providing academic coaching to students to help in areas such as time management, stress management, motivation, test anxiety, test taking strategies, study skills, etc. Students are assisted by graduate students in multiple graduate programs here at UNCP and provide guidance through academic coaching.
Hawk Alerts

The HAWK (Honing Academics With Knowledge) Alert Program is designed to identify those students who are having academic difficulty at any point in their academic career. By identifying these students, the Center for Student Success can address their needs, thereby increasing the likelihood of their success.
