**TheDream.US:**

TheDream.US scholarships are for highly motivated undocumented students who want nothing more than to get a college education but are unable to afford the cost. They have no access to federal aid, limited access to state aid, and they sometimes face paying out-of-state tuition. We offer two scholarships. The National Scholarship is for current high school seniors, high school graduates, or current or previously enrolled college/university students. The Opportunity Scholarship is for students who live in targeted, locked-out states where they cannot get in-state tuition. Your eligibility for both is based on where you live.
