System more than five years. Is something wrong?

tuned for more information.

BRIDGES connected me to a wonderful group of individuals within higher education, all at different stages of their careers. I am so grateful for the connections I formed with colleagues from across North Carolina and value their experiences and insights. Through BRIDGES I have truly gained a support system of peers

and a community I did not know I was missing!
- Program participant

BRIDGES represents the best of insightful, problem-based, and

experiential learning! The program offers individuals in

academic leadership positions the opportunity to learn from one

another, and the reassurance that the challenges faced across

our campuses are more similar than different. A wonderful learning and networking opportunity!
