DIVISION OF STUDENT AFFAIRS

SUPPLEMENTAL EDUCATIONAL ASSIGNMENTS

Supplemental Educational Assignments are assigned to educate students and instill new skills to avoid the pitfalls of academic dishonesty and failing to comply with the Code of Student Conduct. We carefully select each one to ensure our students receive the educational experience as possible. These assignments and educational materials range from interactive websites, to videos, and PDFs. Some of the available educational options offer quizzes, tests, modules, and certificates; however, not all do. If you wish for an assigned sanction to be tracked by the Office of Student Conduct, please select a sanction that provides proof of completion.

If you have any questions or concerns, please call our office @ 910-521-6851.
