State Authorization of Online Programs

As required by the U.S. Department of Education, every institution enrolling out-of-State students in its online programs must receive authorization from those states. Accordingly, UNC Pembroke is authorized to enroll online students from the following states:

For applicants from states that are not included in this list, please contact the Office of Distance Education (910.521.6758 or email ced@uncp.edu) to inquire about the status of your state’s authorization.
