The University of South Carolina, Department of Physics and Astronomy is pleased to announce that we will be hosting a NEW NSF REU this summer.

Details:
• Cutting-edge research with physics and astronomy faculty members (Descriptions here: [http://www.physics.sc.edu/REU/REUAreas.html](http://www.physics.sc.edu/REU/REUAreas.html))
• Weekly workshops for professional development: research strategies, intellectual property, communication skills
• Social activities and outings to local attractions
• End of summer symposium
• 10 weeks May 25 - August 1 for 8 students
• Stipend: $5000
• Housing and meals included
• Travel reimbursement, up to $400

Application DEADLINE: **February 28**
Application and more information: [http://www.physics.sc.edu/REU/REU.html](http://www.physics.sc.edu/REU/REU.html)
