I. Call to Order

II. Approval of Minutes of March 19, 2012 --approved

III. Approval of Agenda --approved

IV. Report from the Chair

Dr. Litty emphasized attendance at committees and noted that the student member attendance has been erratic in the last few years. The appointee from Student Affairs has typically come from SGA but that person had to be switched out this year because of zero attendance and even the new appointee has come only once. Brian McCormick noted that at some colleges, the student body elects the committee representatives.

V. Report from Student Publications Board

Editors for next school year have been appointed: Mary Hunter, Aurochs; Shanetta Monk, Indianhead; Alyson Betot & Kelly Mayo will edit Pine
Needle in Fall and Spring, respectively. Chair-in-rotation of the SPB next school year will be Sara Oswald, the yearbook adviser. The yearbook is coming out this week.

VI. Report from Vice Chancellor of Student Affairs

Dr. Jones noted that the preacher recently orating on campus near the water feature and the UC lawn was within his First Amendment rights for those locations and the content of his speech and for filling out the related application.

Dr. Jones mentioned management arrangements for the Courtyard apartments that will now be managed by Housing and was discussed at a previous SACL meeting. She noted the progress on planning for a new Student Health Services building that would take part of the Jones Athletic Center parking lot across from Caton Field House. She confirmed that student health insurance premiums are going up in the fall. The company used by a consortium of UNC schools claimed it was losing money due to our volume of usage.

One of the living/learning communities planned for the fall is for “at-risk” freshmen.

VII. Report from Givens Performing Arts Center

Ms. Fields mentioned some upcoming events at the venue, including University Theatre’s production of The Crucible this week and the Ballroom show next week. Dr. Litty asked about commencement planning.

VIII. Report from Student Government Association

A planned senior carnival was modified to be for all students. April 25 is the last SGA meeting of the school year and they will announce the “Student of the Year,” who will also get to be “Chancellor for a Day.” The inauguration and installation banquet for newly elected officers is April 26. Elections were run by means of a new software/application that sent an e-mail to every student. 70% of recipients voted, which is approximately twice as many voters as last year. Robert Nunnery will be the new president and Hillary Coleman the vice president.

IX. Old Business -- None

X. New Business -- tour University Courtyard apartments. Committee members were escorted outside for golf-cart transportation to the apartments for a tour of facilities and a model apartment/suite.

XI. Adjournment
