American Indian Studies Resources

Degrees Supported

Undergraduate Degrees

• Bachelor of Arts in American Indian Studies (B.A.)

Minors

• Minor in American Indian Studies

Primary Electronic Resources

• Bibliography of Native North Americans (BNNA)
  o BNNA is a bibliographic database covering all aspects of native North American culture, history, and life
  o This resource covers a wide range of topics including archaeology, multicultural relations, gaming, governance, legend, and literacy
  o BNNA contains more than 122,000 citations for books, essays, journal articles, and government documents of the United States and Canada
  o This resources covers information from the sixteenth century to the present

• America History and Life (AHL)
  o America: History and Life (AHL) covers the history and culture of the United States and Canada, from prehistory to the present.
  o AHL indexes over 1,700 journals , some back to 1964
  o This resource also contains citations and links to book and media reviews
  o Within this resource are also abstracts in English of articles published in more than 40 languages

Other Key Electronic Resources

• EHRAF Archeology
  o eHRAF Collection of Archaeology is a cross-cultural database containing descriptive information on archaeological traditions of the world
  o This resource is unique because each archaeological tradition contains a variety of source documents including books, articles, and dissertations
  o The eHRAF Collection of Archaeology database provides researchers and students access to archaeological materials for comparative studies within and across regions

• EHRAF World Cultures
  o World Cultures provides online access to currently produced annual installments from Human Relations Area Files, Inc.
  o This resource draws from monographs, journal articles, and manuscripts of cultural anthropology materials relating to cultural groups (past and present) both in North America and worldwide
• **Ethnic NewsWatch**
  o Ethnic NewsWatch is a full-text collection of newspapers, magazines and journals of the ethnic, minority and native press
  o This collection of articles, editorials, columns, reviews, etc. provides a broad diversity of perspectives and viewpoints

• **Historical Abstracts**
  o Historical Abstracts covers the history of the world from 1450 to the present
  o In this resource there are over 2,000 journals published throughout the world indexed
  o In addition to including the key historical journals from virtually every major country
  o Historical Abstracts also includes citations to historical books as reviewed by journals in the field

• **Historical New York Times**
  o The Historical New York Times offers full page and article images
  o This resource is searchable back to the first issue
  o The collection includes digital reproductions providing access to every page from every available issue
  o Coverage begins with the September 18, 1851 issue

• **Historical Statistics of the United States**
  o This resource contains more than 37,000 annual time series of quantitative historical information covering American history: population, work and welfare, economic structure and performance, governance, and international relations,
  o Data can be downloaded in Excel or CVS

• **Inter-university Consortium for Political and Social Research (ICPSR)**
  o This resource is an archive of computer readable social science data
  o ICPSR provides Web access to data files and documentation for use with statistical software, such as SAS, SPSS, and Stata
  o ICPSR data holdings contain some 6,300 studies and 500,000 files that cover a wide range of social science areas such as population, economics, education, health, social and political behavior, social and political attitudes, history, crime, aging, and substance abuse
Other Beneficial Electronic Resources

- **Academic One File**
  - This resource is a multi-disciplinary full-text database
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journals
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

- **JSTOR**
  - JSTOR is a multi-disciplinary resource
  - Coverage goes back to the mid-19th century in many cases
  - JSTOR covers many resources in a variety of areas of American History and Culture, including some key Native American resources such as *American Indian Quarterly*

- **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present

- **SpringerLink**
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

- **Wiley InterScience**
  - This resource is multi-disciplinary with access to journals, electronic books and many other materials

- **Library Journal Subscriptions**
  - The Library has access to 36 titles specific to American Indian Studies
  - The Library has approximately 700 titles specific to history
Monographs

• Ebrary (Electronic Books)
  o Multi-disciplinary collection of electronic books
  o Contains approximately 42,000 individual titles from a variety of publishers
  o There are over 150 titles that pertain to Indians of North America
  o Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

• Greenwood Digital Collection
  o Contains many items relating to American History and Native Americans
  o American Slavery: A Composite Autobiography, a collection of nearly 4,000 interviews with former slaves in the United States
  o Daily Life Through History, portrayals of daily life for ordinary people from ancient Greeks to Aztecs to 20th century Americans
  o Historic Events of the 20th Century, overviews of major events such as the civil rights movements and two world wars
  o Critical Companions to Popular Contemporary Authors, in-depth analysis of the work of about 50 current, best-selling authors
  o Literature in Context, a collection of primary source material, collateral readings, and commentary to help students understand the historical, social, and cultural settings of about 20 major literary works

• Oxford Reference Online
  o Collection of electronic reference titles available from Oxford Publishing
  o The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works

• Sage E-Reference
  o Collection of electronic reference titles available from Sage Publications
  o Full text online books for over 80 titles

• Salem Press History

• Library Monographs
  o The Library houses over 13,000 monographs related to business and economics.
**Micoform Collections**

The following are resources available within the Microform area of the Library

- **Iroquois Indians: A Documentary History**
  - The documents in this resource span a period from the earliest surviving sixteenth-century texts through the year 1842
  - Items include the minutes of treaty conferences, the agreements resulting from formal meetings, and a broad range of background materials useful for interpreting motives, procedures, and effects
  - The editors' basic standard for selection was relevance to the diplomatic history of Iroquois nations or their league. Other parties involved in the negotiations are also included
  - Most of the documents are manuscript or printed texts arranged in chronological order

- **Native America: A Primary Record Series 1, Rupert Costo Archive of the American Indian at the University of California, Riverside**
  - The Rupert Costo Library of the American Indian consists of approximately 8,000 books; 264 linear feet of over 15,000 documents, pamphlets, tape recordings, and slides; and more than 100 ethnographic artifacts and artwork
  - The Ruper Costo Archive of the American Indian, in particular, contains all of the manuscript and non-monograph publications amassed by the Costos as a result of their social and scholarly endeavor
  - The original source documents produced and collected by the Costos over their lifetimes include manuscript and published materials on land, fishing, and water rights; Indian sovereignty issues and land claims; language and education, and a slew of other issues
  - The types of materials researchers will find in this collection include correspondence, litigation briefs, court records, congressional testimony and legislation, committee reports, tribal newsletters, scholarly field and research notes, newspaper clipping, and much else

- **Native America: A Primary Record Series 2, Association on American Indian Affairs Archives (AAIA), General and Tribal Files, 1851-1983**
  - Comprehensive general subject files deal with matters of national scope and reflect the importance the AAIA attached to effecting change in Washington. These
  - The files in this resource are distinguished by materials concerning a wide array of organizations, government agencies, key people, legislation, selected court cases, and issues of concern to Native Americans
  - Such entities as the American Indian Development Corporation, the American Indian Policy Review Commission, the Association of Contract Tribal Schools, and the National Congress of American Indians are represented
  - The largest component of the Archives is the tribal files, which consist of significant and rare materials related to more than 300 tribes and document the Association’s work on local issues with the tribes
  - These files are organized alphabetically, initially by state and then by tribe, organization, or other subject
• Native America: A Primary Record Series 3, Association on American Indian Affairs Archives, Publications and Legal Files, 1851-1983
  o This set deals with legislation relating to Native American issues; selected milestone legal cases regarding Native American rights; AAIA program initiatives and publications; AAIA’s organizational files; and the files of AAIA directors over the course of the Association’s history.
  o Data on legislation dealing with a broad range of Native American issues, as well as key legal cases on land and water rights, constitutional issues, and other important legal precedents.

• Records of Moravian Mission
  o This microform set covers the diaries of the Moravian missionaries activities at each place in the form of diaries, letters, church registers and catalogs, and other types of writings
  o Some of the information records information as far back as 1735
Art Resources

Art Degrees Supported

Graduate Degrees

• Master of Arts in Art Education (M.A.)

Undergraduate Degrees

• Bachelor of Arts in Art (B.A.)
• Bachelor of Arts in Art Education (B.A.), K-12

Minors

• Art
• Art History
• Media Integration Studies

Primary Electronic Resources

• Art Full Text
  o This database offers full text plus abstracts and indexing
  o Many sources are international in scope and peer reviewed
  o This resource indexes of more than 500 periodicals as far back as 1984, many of them peer-reviewed
  o The full text component contains articles from nearly 200 journals as far back as 1997
  o The database covers fine, decorative and commercial art
  o Indexing of art reproductions helps researchers focus on a single artist or find individual works
  o Searches can also be done in conjunction with the Art Museum Image Gallery for access to 100,000+ image

• Art Index with Retrospective
  o Art Index Retrospective allows users to search 55 years of art journalism
  o In this resource users can research English-language, French, Italian, German, Spanish, and Dutch resources
  o In addition to periodicals users have access to data from important yearbooks and select museum bulletins
  o Indexes nearly 600 publications covering 1929-1984, many of which are peer-reviewed
  o Indexing of art reproductions helps researchers focus on a single artist or find individual works.
  o Subject headings and name variants have been reconciled to insure uniform, thorough searches
  o This resource can be searched alone or in tandem with Art Full Text
• ARTstor
  □ ARTstor is a digital library of nearly one million images in the areas of art, architecture, the humanities, and social sciences
  □ Tools within the resource can allow users to view, present, and manage images for research and teaching purposes
  □ ARTstor collections are comprised of contributions from museums, individual photographers, scholars, special collections at libraries, and photo archives

Other Key Electronic Resources

• Arts and Humanities Citation Index
  □ Arts and Humanities Citation Index is a multidisciplinary database covering the journal literature of the arts and humanities
  □ It indexes 1,100 of the world’s leading arts and humanities journals,
  □ Arts & Humanities Citation Index contains unique citations that references an actual representation of a work of art

• Project Muse
  □ Project Muse provides access to the full text of more than 40 journals in the humanities, social sciences, and mathematics published by The Johns Hopkins University Press
  □ The collection may be searched collectively or individually

Other Beneficial Electronic Resources

• Academic One File
  □ This resource is a multi-disciplinary full-text database
  □ Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

• Academic Search Complete
  □ This resource is a multi-disciplinary full-text database
  □ It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal articles
  □ This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

• ERIC
  □ Created by the Educational Resource Information Center
  □ ERIC provides indexing and abstracting for journal and report literature (1966 to the present)
  □ Literature indexed and abstracted also includes curricular materials such as courses of study, books, conference papers, and theses
• **JSTOR**
  - JSTOR is a multi-disciplinary resource
  - Coverage goes back to the mid-19th century in many cases
  - The collection brings together core titles in Art, History, and the Humanities

• **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Art Index and Humanities Index
  - Covers the Education index and Education Full Text

• **Library Journal Subscriptions**
  - Art over 350 journal titles
  - Many of the journal titles are available through electronic means, such as the previously mentioned databases or one of our journal subscription resources

---

### Monographs

• **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are approximately 400 titles in the Fine Arts subject area alone
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

• **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works

• **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for over 80 titles

• **Library Monographs**
  - The Library contains over 7,500 titles relating to fine arts
  - In addition well over 10,000 items pertain to the education field
Biology Resources

Biology Degrees Supported

Graduate Degrees
- Master of Arts in Science Education (M.A.)
- Master of Arts in Teaching (M.A.T.) with licensure in Science Education

Undergraduate Degrees
- Bachelor of Science in Biology (B.S.)
- Bachelor of Science in Biology (B.S.) with a concentration in Medical Technology
- Bachelor of Science in Biology (B.S.) with Biomedical Emphasis
- Bachelor of Science in Science Education (B.S.)
- Bachelor of Science in Biotechnology (B.S.)
- Bachelor of Science in Environmental Sciences (B.S.)
- Licensure in Science for Middle Grades Education
- Academic Concentration in Biology
  - Elementary Education
  - Middle Grades Education
  - Special Education
  - Physical Education

Primary Electronic Resources

- Biological Abstracts
  - Biological Abstracts provides citations and abstracts from over 4,000 biology and life science journals published worldwide
  - This resource has coverage from 1926 to the present with over 9.3 million records
  - Biological Abstracts is updated every 2 months with nearly 370,000 new citations added each year
  - Most new citations include an abstract by the author

- Biological and Agricultural Index Plus (OmniFile)
  - Biological and Agricultural Index Plus offers researchers convenient online access to the core literature of biology and agriculture
  - This resource has full text citations that link to PDF page images, featuring graphs, charts, diagrams, photos, and illustrations
  - In addition the resource has indexing and some abstracting of some 375 periodicals as far back as 1983, many peer reviewed
  - There is full text of articles from nearly 90 journals as far back as 1997

- Environment Complete
  - Environment Complete offers coverage in the areas of agriculture, ecosystem ecology, energy, renewable energy sources, natural resources, marine and freshwater science, geography, pollution and waste management, environmental technology, environmental law, public policy, social impacts, urban planning, and more
  - Environment Complete contains more than 2,183,500 records from more than 1,900 domestic and international titles going back to the 1940s
  - The database also contains full text for more than 750 journals
  - Additionally, Environment Complete provides full text for more than 130 monographs
Science Direct
- ScienceDirect College Edition covers Health and Life Sciences, Physical Sciences, and Social and Behavioral Sciences
- Journals coverage is current back to 1995
- There are over 900 journal titles in Health and Life Sciences and over 650 in the Physical Sciences
- The electronic books include Major Reference Works, Books Series, and Handbooks

Other Key Electronic Resources

ERIC
- ERIC, the Education Resource Information Center, provides access to education literature and resources.
- The database provides access to information from journals included in the Current Index of Journals in Education and Resources in Education Index.
- ERIC contains more than 1,300,000 records and links to more than 317,000 full text documents from ERIC back to 1966.

Education Research Complete
- It is a bibliographic and full text database covering scholarly research and information relating to all areas of education
- Education Research Complete also covers areas of curriculum instruction as well as administration, policy, funding, and related social issues
- The database provides indexing and abstracts for more than 2,150 journals, as well as full text for nearly 1,200 journals. This database also includes full text for more than 500 books and monographs, and full text for numerous education-related conference papers

Science Citation Index
- Indexes more than 6,000 peer-reviewed science journals, providing complete bibliographic data, full-length author abstracts, and cited references
- Also provides access to cited references, the footnotes to a scholarly article
- Indexes articles, bibliographies, book reviews, editorials, letters, meeting abstracts, notes, review papers, reviews of software, and more
- The coverage for this resource begins in 1955
Other Beneficial Electronic Resources

• **Academic One File**
  - This resource is a multi-disciplinary full-text database
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

• **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

• **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Biological and Agricultural index and Biological and Agricultural full text

• **Mary Ann Liebert**
  - Mary Ann Liebert publishes peer-reviewed journals, books, and trade magazines in the areas of biotechnology, biomedical research/life sciences, clinical medicine and surgery, alternative and complementary medicine, law, philanthropy, environmental science and sustainability

• **SpringerLink**
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

• **Wiley InterScience**
  - This resource is multi-disciplinary with access to journals, electronic books and many other materials
  - The Law and Criminology subject area has full-text for over 40 journals, over 30 electronic books

• **Library Journal Subscriptions**
  - Biology: 1600 titles
  - Many of the journal titles are available through electronic means, such as the previously mentioned databases or one of our journal subscription resources
Monographs

- **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are approximately 3,000 titles in the Life Sciences area alone
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

- **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works, several in biology and the sciences

- **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for several titles in the life sciences and biology

- **Library Monographs**
  - The Library physically has approximately 7,000 titles relating to Biology
**Business Resources**

**Business Degrees Supported**

**Graduate Degrees**
- Master of Business Administration (M.B.A.)

**Undergraduate Degrees**
- B.S. Accounting
- B.S. Business Administration
  - Economics
  - Finance
  - Information Technology Management
  - International Business
  - Management
  - Marketing

**Minors**
- Business Administration
- Economics
- Marketing for Non Business Majors

---

**Primary Electronic Resources**

- **Business Source Complete**
  - Scholarly business database containing bibliographic and full text content
  - Contains indexing and abstracts for selected scholarly business journals, dating back as far as 1886
  - This resource has searchable cited references for over 1,200 journals
  - Business Source Complete contains detailed author profiles for the 40,000 most-cited authors in the database.
  - Non-journal content includes financial data, books, monographs, major reference works, conference proceedings, case studies, investment research reports, industry reports, market research reports, country reports, company profiles, SWOT analyses
  - Contains over 1,600 full text peer reviewed journals and approximately 800 books in full text as well as many other types of publications

- **EconLit with Full text**
  - This resource contains books, collective volume articles, dissertations, full-text book reviews, journal articles, and working papers
  - Contains full text for over 480 journals
  - This database has many non-English full text journals in economics & finance
  - EconLit with Full Text is premier source of citations and abstracts to economic research dating back to 1969.
- This resource also provides links to full text articles in all fields of economics, including capital markets, country studies, econometrics, economic forecasting, environmental economics, government regulations, labor economics, monetary theory, urban economics

- **Mergent Online**
  - Mergent is a source for global business and financial information on over 10,000 U.S. public companies, 17,000+ non-U.S. public companies, as well as extensive corporate and municipal bond, UIT, and dividend information.
  - Users can research 15 years of detailed financial statements
  - Create, customize and view output reports
  - Export company reports and financials into software applications such as Microsoft® Word, Microsoft® Excel or Adobe® Acrobat® Reader®
  - Execute accurate cross-border searches using a variety of financial and text variables
  - Compare multiple companies' reports
  - U.S. Company Data provides a fully searchable database of 15,000 U.S. public companies (active and inactive) listed on the NYSE, AMEX and NASDAQ exchanges. Each company report incorporates up-to-the-minute news items.
  - Mergent has access to Wall Street consensus earnings estimates on all companies in the database followed by at least one Wall Street analyst.
  - Mergent's company files also provide access to EDGAR filings dating back to 1993 and updated daily.
  - U.S. Company Archives Data holds the full business descriptions, histories and financial statements for companies that were acquired, went bankrupt, liquidated or merged out of existence from 1996 onward.
  - Mergent provides access to a collection of more than 40,000 U.S. annual reports.

- **Standard and Poor’s NetAdvantage**
  - Standard & Poor’s NetAdvantage is a comprehensive, professional source of investment information and analysis on industries and companies including financials and market trend
  - S&P’s Industry Surveys and Global Industry Surveys – with peer company data and key ratios in Excel downloadable format
  - S&P’s company analysis – Stock Reports and Company Profiles with evaluations of business activities and opportunities
  - Compustat standardized financials on US firms in Excel format and Compustat International Fundamentals
  - Contains independent S&P ratings on investments
Other Key Electronic Resources

- **MorningStar**
  - An investment database for stocks and mutual funds
  - Covers all stocks on the NYSE, NASDAQ, and ASE, and 14,000 mutual funds
  - Provides Morningstar Analyst Reports for 1,600 stocks and 2,000 mutual funds
  - Provides screeners, the portfolio x-ray, and education tool

- **SimplyMap**
  - SimplyMap is a web-based mapping application that enables users to quickly and easily create professional-quality thematic maps and reports using extensive demographic, business and marketing data
  - The data is from EASI Analytics and Mediamark Research Inc. and is derived from government and other sources
  - Variables include demographics, housing, income, retail sales, consumer expenditures, consumer price index, quality of life, employment and establishments by industry, historical census data for 1980, 1990, and 2000 in 2000 boundaries, 2006 estimates, 2011 projections, and EASI/MRI market research data
  - Users can export high-resolution map images
  - Users can also export data into spreadsheet or shape file format

Other Beneficial Electronic Resources

- **Academic One File**
  - This resource is a multi-disciplinary full-text database
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

- **JSTOR**
  - JSTOR is a multi-disciplinary resource
  - Coverage goes back to the mid-19th century in many cases
  - There are 47 titles in the Business Collection which are drawn from Arts & Sciences I, II, and IV
  - The collection brings together core titles in economics and finance, including publications from leading scholarly societies and a range of critical research journals in accounting, labor relations, marketing, management, operations research, and risk assessment.

- **LexisNexis Academic**
  - This resource provides sources for business information, including business and financial news, U.S. and international company financial information from government or private sources, market research, industry reports, and actual SEC filings
  - Search features permit comparison of companies based on criteria such as sales, income and number of employees.
- News sources include: Accountancy Age, BuyOuts, Consumer Electronics, Design News, Electrical World, IPO Reporter, Mergers and Acquisitions Reports
- Financial information sources include: Standard & Poor's Corporate Descriptions, Hoover's Company Reports, Disclosure Reports, International company and stock reports
- SEC filings and reports include: SEC 10-Q Reports, SEC 10-K Reports, SEC 8-K Reports, SEC 20-F Reports, SEC Annual Reports to Shareholders, Proxy Statements, Prospectuses, Registration, and Williams Act Filings

- **Science Direct College Edition**
  - Contains approximately 50 individuals titles in Business and Economics
  - All titles are full-text
  - All titles are peer reviewed

- **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Business Periodicals Index and Business Full-Text Index

- **SpringerLink**
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

- **Wiley InterScience**
  - This resource is multi-disciplinary with access to journals, electronic books and many other materials
  - The Law and Criminology subject area has full-text for over 40 journals, over 30 electronic books

- **Library Journal Subscriptions**
  - Accounting and Finance: 200 journal titles
  - Business Administration: 1,495 journal titles
  - Economics: 980 titles
  - Many of the journal titles are available through electronic means, such as the previously mentioned databases or one of our journal subscription resources
Monographs

- **Books 24x7**
  - Contains ebooks under many headings in the Business Subject Area
  - Currently has over 5,000 titles in the Business area

- **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are over 7,600 titles in Business and Economics.
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

- **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works, several of which are key business resources

- **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for over 80 titles, several relating to business and economics

- **Library Monographs**
  - The Library physically contains over 5,000 individual monographs specifically concerning criminal justice studies. The Library also provides access to several thousand titles from related disciplines (e.g., psychology, social work, sociology, etc.)
Chemistry and Physics Resources

Chemistry and Physics Degrees Supported

Undergraduate Degrees

- Bachelor of Science in Applied Physics
- Bachelor of Science in Chemistry

Minors

- Physics
- Pre-Engineering Program

Primary Electronic Resources

- Chemical Abstracts
  - Chemical Abstract Services (CAS) provides access to published research in the world's journal and patent literature
  - This resource contains information relevant to chemistry with a significant amount concerning the life sciences and other scientific disciplines, some dating back late 19th century
- Science Citation Index
  - Indexes more than 6,000 peer-reviewed science journals, providing complete bibliographic data, full-length author abstracts, and cited references
  - Also provides access to cited references, the footnotes to a scholarly article
  - Indexes articles, bibliographies, book reviews, editorials, letters, meeting abstracts, notes, review papers, reviews of software, and more
  - The coverage for this resource begins in 1955

Other Key Electronic Resources

- American Chemical Society (ACS)
  - ACS Legacy Archives provides full-text searching and instant access to all titles, volumes, issues, and articles published by the American Chemical Society from 1879 to 1995
- Applied Science and Technology Index
  - Covers literature in the area of applied science —acoustics to aeronautics, neural networks to nuclear engineering
  - Abstracts and indexing of nearly 800 periodicals as far back as 1983
  - The Retrospective covers information back to 1913 from the most important sources in the field. This database indexes over 850 periodicals, with citations to over 1,300,000 articles, including book reviews
- ScienceDirect College Edition
  - This resource covers Health and Life Sciences, Physical Sciences, and Social and Behavioral Sciences
  - Journals coverage is current back to 1995
  - There are over 900 journal titles in Health and Life Sciences and over 650 in the Physical Sciences
  - The electronic books include Major Reference Works, Books Series, and Handbooks
- **MathSciNet**
  - MathSciNet is the searchable Web database providing access to Mathematical Reviews and Current Mathematical Publications, produced by the American Mathematical Society
  - Coverage of some information goes back to 1940 in some cases
  - Current Mathematical Publications is a subject index of bibliographic data for recent and forthcoming publications

---

**Other Beneficial Resources**

- **Academic One File**
  - This resource is a multi-disciplinary full-text database
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

- **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Biological and Agricultural index and Biological and Agricultural full text

- **Mary Ann Liebert**
  - Mary Ann Liebert publishes peer-reviewed journals, books, and trade magazines in the areas of biotechnology, biomedical research/life sciences, clinical medicine and surgery, alternative and complementary medicine, law, philanthropy, environmental science and sustainability

- **SpringerLink**
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

- **Wiley InterScience**
  - This resource is multi-disciplinary with access to journals, electronic books and many other materials
  - The Law and Criminology subject area has full-text for over 40 journals, over 30 electronic books
• **Library Journal Subscriptions**
  - There are 697 titles that fall under the heading of Chemistry
  - There are 472 titles that fall under the heading of Physics

---

**Monographs**

• **ChemNetBase**
  - Contains several key reference works in Chemistry and Physics

• **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are over 2,700 in the Physical Sciences area
  - There are approximately 3,000 titles in the Life Sciences area alone
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

• **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works, several in the sciences

• **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for several titles in the sciences

• **Library Monographs**
  - The Library physically has approximately 1,000 titles relating to Chemistry
  - The Library physically has approximately 1,600 titles relating to Physics
Education Degrees Supported

Graduate Degrees

- Master of Arts in Education – Elementary Education.
- Master of Arts in Education – Middle Grades Education
- Master of Arts in Education – Reading Education
- Master of Arts in Education – Professional School Counseling

Undergraduate Degrees

- Bachelor of Science in Birth-Kindergarten Education (B-K)
- Bachelor of Science in Elementary Education (K-6)
- Bachelor of Science in Special Education (K-12)

Minors/Special Concentrations

- Reading
- Special Education
- Academic and Intellectually Gifted (AIG)
- Language Arts
- Mathematics
- Sciences
- Social Studies
- Professional Studies

Primary Electronic Resources

- **ERIC**
  - ERIC, the Education Resource Information Center, provides access to education literature and resources
  - The database provides access to information from journals included in the Current Index of Journals in Education and Resources in Education Index
  - ERIC contains more than 1,300,000 records and links to more than 317,000 full text documents from ERIC back to 1966

- **Education Research Complete**
  - It is a bibliographic and full text database covering scholarly research and information relating to all areas of education
  - Education Research Complete also covers areas of curriculum instruction as well as administration, policy, funding, and related social issues
  - The database provides indexing and abstracts for more than 2,150 journals, as well as full text for nearly 1,200 journals. This database also includes full text for more than 500 books and monographs, and full text for numerous education-related conference papers
- **Education Law in North Carolina**
  - Education Law in North Carolina contains federal and state law that affects North Carolina schools and administrators
  - This resource links to North Carolina case law, statutes, regulations and other valuable legal resources. Education Law in North Carolina is updated annually

---

**Other Key Electronic Resources**

- **Education Full Text with Retrospective (OmniFile)**
  - Indexes over 700 periodicals in education, more than 400 peer reviewed
  - Index coverage back to 1983
  - Full Text coverage back to 1996
  - Linked with Education Retrospective which indexes information back to 1912

- **Inter-university Consortium for Political and Social Research (ICPSR)**
  - This resource is an archive of computer readable social science data
  - ICPSR provides Web access to data files and documentation for use with statistical software, such as SAS, SPSS, and Stata
  - ICPSR data holdings contain some 6,300 studies and 500,000 files that cover a wide range of social science areas such as population, economics, education, health, social and political behavior, social and political attitudes, history, crime, aging, and substance abuse

- **JSTOR**
  - JSTOR is a multi-disciplinary resource
  - Coverage goes back to the mid-19th century in many cases
  - The collection brings together core titles in Art, History, and the Humanities
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

- **Middle Search Plus**
  - Contains Full Text for over 100 popular and middle school magazines
  - Each article is assigned a reading level
  - This resource also contains biographies, an encyclopedia, and dictionary

- **Physical Education Index**
  - Covers all types of Physical Education literature including peer reviewed journals, trade magazines, and conference proceedings
  - Covers many aspects of physical education ranging from athletic training to sports law
  - Date coverage goes back to 1970

- **PsychInfo**
  - PsycINFO is the American Psychological Association's database, with over 2,000,000 records
  - It covers the academic research and practice literature in psychology from over 45 countries in more than 25 languages
PsycINFO includes relevant materials from related disciplines such as medicine, psychiatry, education, social work, law, criminology, social science, and organizational behavior. It provides indexes to journals, dissertations, book chapters, books, technical reports, and other documents from 1887 to the present. Many journals are available in full-text.

- **Research Starters – Education**
  - Designed to assist the beginner in Education Research
  - Contains abstracts, keyword list, and articles

- **Teacher Reference Center**
  - Provides indexing and abstracts for more than 270 of the most popular teacher and administrator journals and magazines to assist professional educators

**Other Beneficial Electronic Resources**

- **Academic One File**
  - This resource is a multi-disciplinary full-text database
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database
  - Contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journals
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

- **OmniFile**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Humanities Full Text and Index
  - Covers the Education index and Education Full Text
  - Covers Reader’s Guide Full Text and Index

- **Lexis Nexis**
  - Provides full-text access to general, regional and international news, company news and financial information, legal information, and other topics such as biographical information

- **Essay and General Literature Index**
  - Essay and General Literature Index unlocks access to tens of thousands of essays in collected works and anthologies, covering a wide range of the humanities and social sciences
  - Over 300 single and multi-author collections and over 20 annuals and serials are indexed

- **Social Sciences Citation Index**
Social Sciences Citation Index is a multidisciplinary database covering the journal literature of the social sciences. This resource indexes 1,700 journals spanning 50 disciplines.

- **Sociological Abstracts**
  - Sociological Abstracts provides access to the world’s literature in sociology and related disciplines, both theoretical and applied.
  - Approximately 2,500 journals in 30 different languages from about 55 countries are scanned for inclusion, covering sociological topics in fields such as anthropology, economics, education, medicine, community development, philosophy, demography, political science, and social psychology.

- **SpringerLink**
  - A multidisciplinary resource.
  - Contains full-text materials for journals and books published by Springer.
  - This resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online.

- **Wiley InterScience**
  - This resource is a multidisciplinary resource with access to journals, electronic books, and other resources.
  - It covers a wide variety of materials published by Wiley.

- **Library Journal Subscriptions**
  - There are 1,347 titles related to Education.

---

**Monographs**

- **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books.
  - Contains approximately 42,000 individual titles from a variety of publishers.
  - There are approximately 2,600 titles in the Education subject area alone.
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible.

- **Greenwood Digital Reference**
  - Covers a wide variety of subjects from Greenwood’s Reference book collection.
  - Topics include pop culture, sociology, education, and Native American studies.

- **Oxford Reference Online**
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works.
• **Sage E-Reference**
  o Collection of electronic reference titles available from Sage Publications
  o Full text online books for over 80 titles

• **Library Monographs**
  o The Library contains over 6,000 monographs relating to education
**English/Theatre Resources**

**English/Theatre Degrees Supported**

**Graduate Degrees**
- Master of Arts in English Education (M.A.)
- Master of Arts in Teaching with Licensure in English (M.A.T.)

**Undergraduate Degrees**
- Bachelor of Arts in English (B.A.)
- Bachelor of Arts in English Education (B.A.) (9-12)
- Bachelor of Arts in English: Theatre Arts (B.A.)

**Minors**
- Middle Grades (6-9) Language Arts
- English as a Second Language Add-On Licensure (E.S.L.)
- Academic Concentration in English (Education)
- Minor in English and Theatre
  - Creative Writing
  - English
  - Literature
  - Speech
  - Teaching English to Speakers of other Languages (TESOL)
  - Theatre
  - Writing

**Primary Electronic Resources**

- **MLA International Bibliography**
  - MLA International Bibliography is a major index for literary criticism, linguistics, folklore and cultural studies
  - MLA International Bibliography is produced by the Modern Language Association
  - MLA indexes to articles in literature, languages, linguistics, and folklore from several thousand journals and series
  - In addition it covers relevant monographs, working papers, proceedings, and bibliographies

- **Literary Reference Center**
  - This resource contains 31,000 plot summaries, 100,000 critical essays, 140,000 author biographies, 430 literary journals, 605,000 book reviews, 60,000 poems, 15,000 short stories, and 5200 author interviews
  - It also provides reference material such as several encyclopedias of literature

- **Literature Online (LION)**
  - Contains individual collections of English-language drama for various periods/nationalities
Spanning 1,400 years, it provides remote access to more than 260,000 fully searchable literary texts.
In addition, it contains some major reference tools, secondary sources, biographies, and bibliographies.
LION also offers a master index of web sites selected for their quality and range of literary materials.

- **International Index to the Performing Arts**
  - This resource is a performing arts journal resource with over 492,000 indexed articles, plus detailed abstracts and full text from 1864 to the present, covering theatre, dance and film.

### Other Key Electronic Resources

- **Arts and Humanities Citation Index**
  - Arts and Humanities Citation Index is a multidisciplinary database covering the journal literature of the arts and humanities.
  - It indexes 1,100 of the world’s leading arts and humanities journals.
  - Arts & Humanities Citation Index contains unique citations that reference an actual representation of a work of art.

- **Historical New York Times**
  - Full text of the New York Times newspaper back to 1851.

- **Project Muse**
  - Project Muse provides access to the full text of more than 40 journals in the humanities, social sciences, and mathematics published by The Johns Hopkins University Press.
  - The collection may be searched collectively or individually.

- **Short Story Index**
  - Indexes short stories published in more than 4,200 collections and anthologies, plus stories that appear in periodicals.
  - Coverage back to 1984.
  - Available through the OmniFile Platform.

### Other Beneficial Electronic Resources

- **Academic One File**
  - This resource is a multi-disciplinary full-text database.
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed.

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database.
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journals.

History Resources

Degrees Supported

Graduate Degrees
- Master of Arts in Social Studies Education (M.A.)
- Master of Arts in Teaching – Social Studies (M.A.T.)

Undergraduate Degrees
- Bachelor of Arts in History (B.A.)
- Bachelor of Arts in American Studies
- Bachelor of Arts in History – Social Studies Education (9-12)

Minors
- Academic Concentration in History
- Academic Concentration in American Studies
- Middle Grades (6-9) Licensure
- Minor in History
- Minor in American Studies
- Minor in British Studies

Primary Electronic Resources

- Bibliography of Native North Americans (BNNA)
  - BNNA is a bibliographic database covering all aspects of native North American culture, history, and life
  - This resource covers a wide range of topics including archaeology, multicultural relations, gaming, governance, legend, and literacy
  - BNNA contains more than 122,000 citations for books, essays, journal articles, and government documents of the United States and Canada
  - This resource covers information from the sixteenth century to the present

- America History and Life (AHL)
  - America: History and Life (AHL) covers the history and culture of the United States and Canada, from prehistory to the present.
  - AHL indexes over 1,700 journals, some back to 1964
  - This resource also contains citations and links to book and media reviews
  - Within this resource are also abstracts in English of articles published in more than 40 languages

- Historical Abstracts
  - Historical Abstracts covers the history of the world from 1450 to the present
  - In this resource there are over 2,000 journals published throughout the world indexed
  - In addition to including the key historical journals from virtually every major country
  - Historical Abstracts also includes citations to historical books as reviewed by journals in the field
Other Key Electronic Resources

• **EHRAF Archeology**
  - eHRAF Collection of Archaeology is a cross-cultural database containing descriptive information on archaeological traditions of the world
  - This resource is unique because each archaeological tradition contains a variety of source documents including books, articles, and dissertations
  - The eHRAF Collection of Archaeology database provides researchers and students access to archaeological materials for comparative studies within and across regions

• **EHRAF World Cultures**
  - World Cultures provides online access to currently produced annual installments from Human Relations Area Files, Inc.
  - This resource draws from monographs, journal articles, and manuscripts of cultural anthropology materials relating to cultural groups (past and present) both in North America and worldwide

• **Ethnic NewsWatch**
  - Ethnic NewsWatch is a full-text collection of newspapers, magazines and journals of the ethnic, minority and native press
  - This collection of articles, editorials, columns, reviews, etc. provides a broad diversity of perspectives and viewpoints

• **Historical New York Times**
  - The Historical New York Times offers full page and article images
  - This resource is searchable back to the first issue
  - The collection includes digital reproductions providing access to every page from every available issue
  - Coverage begins with the September 18, 1851 issue

• **Historical Statistics of the United States**
  - This resource contains more than 37,000 annual time series of quantitative historical information covering American history: population, work and welfare, economic structure and performance, governance, and international relations,
  - Data can be downloaded in Excel or CVS

• **Inter-university Consortium for Political and Social Research (ICPSR)**
  - This resource is an archive of computer readable social science data
  - ICPSR provides Web access to data files and documentation for use with statistical software, such as SAS, SPSS, and Stata
  - ICPSR data holdings contain some 6,300 studies and 500,000 files that cover a wide range of social science areas such as population, economics, education, health, social and political behavior, social and political attitudes, history, crime, aging, and substance abuse

• **Social Sciences Citation Index**
  - Social Sciences Citation Index is a multidisciplinary database covering the journal literature of the social sciences
  - This resource indexes 1,700 journals spanning 50 disciplines
• **Sociological Abstracts**
  o Indexes the international literature in sociology and related disciplines in the social and behavioral sciences
  o Provides abstracts of journal articles and citations to book reviews drawn from over 1,800+ serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers
  o Coverage from 1952 - present
  o Some references have links to individual references such as an abstract and/or to other papers that cite that reference; these links increase the possibility of finding more potentially relevant articles
  o Over 915,000 records are contained in the resource
  o Accessible from on and off campus

---

**Other Beneficial Electronic Resources**

• **Academic One File**
  o This resource is a multi-disciplinary full-text database
  o Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

• **Academic Search Complete**
  o This resource is a multi-disciplinary full-text database
  o It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal
  o This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

• **JSTOR**
  o JSTOR is a multi-disciplinary resource
  o Coverage goes back to the mid-19th century in many cases
  o JSTOR covers many resources in a variety of areas of American History and Culture, including some key Native American resources such as *American Indian Quarterly*

• **OmniFile Full Text**
  o This resource is a multi-disciplinary full-text database
  o OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  o Coverage from 1982 – present

• **SpringerLink**
  o This is a multi-disciplinary resource
  o It contains full-text materials for journals and books published by Springer
  o The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

• **Wiley InterScience**
  o This resource is multi-disciplinary with access to journals, electronic books and many other materials
- **Library Journal Subscriptions**
  - The Library has approximately 700 titles specific to history

- **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are over 700 titles that pertain to History and Political Science
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

- **Greenwood Digital Collection**
  - Contains many items relating to American History and Native Americans
  - American Slavery: A Composite Autobiography, a collection of nearly 4,000 interviews with former slaves in the United States
  - Daily Life Through History, portrayals of daily life for ordinary people from ancient Greeks to Aztecs to 20th century Americans
  - Historic Events of the 20th Century, overviews of major events such as the civil rights movements and two world wars
  - Critical Companions to Popular Contemporary Authors, in-depth analysis of the work of about 50 current, best-selling authors
  - Literature in Context, a collection of primary source material, collateral readings, and commentary to help students understand the historical, social, and cultural settings of about 20 major literary works

- **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works

- **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for over 80 titles

- **Library Monographs**
  - The Library houses over 10,000 items related to history
**Micofrom Collections**

The following are resources available within the Microform area of the Library

- **Iroquois Indians: A Documentary History**
  - The documents in this resource span a period from the earliest surviving sixteenth-century texts through the year 1842
  - Items include the minutes of treaty conferences, the agreements resulting from formal meetings, and a broad range of background materials useful for interpreting motives, procedures, and effects
  - The editors’ basic standard for selection was relevance to the diplomatic history of Iroquois nations or their league. Other parties involved in the negotiations are also included
  - Most of the documents are manuscript or printed texts arranged in chronological order

- **Native America: A Primary Record Series 1, Rupert Costo Archive of the American Indian at the University of California, Riverside**
  - The Rupert Costo Library of the American Indian consists of approximately 8,000 books; 264 linear feet of over 15,000 documents, pamphlets, tape recordings, and slides; and more than 100 ethnographic artifacts and artwork
  - The Ruper Costo Archive of the American Indian, in particular, contains all of the manuscript and non-monograph publications amassed by the Costos as a result of their social and scholarly endeavor
  - The original source documents produced and collected by the Costos over their lifetimes include manuscript and published materials on land, fishing, and water rights; Indian sovereignty issues and land claims; language and education, and a slew of other issues
  - The types of materials researchers will find in this collection include correspondence, litigation briefs, court records, congressional testimony and legislation, committee reports, tribal newsletters, scholarly field and research notes, newspaper clipping, and much else

- **Native America: A Primary Record Series 2, Association on American Indian Affairs Archives (AAIA), General and Tribal Files, 1851-1983**
  - Comprehensive general subject files deal with matters of national scope and reflect the importance the AAIA attached to effecting change in Washington. These
  - The files in this resource are distinguished by materials concerning a wide array of organizations, government agencies, key people, legislation, selected court cases, and issues of concern to Native Americans
  - Such entities as the American Indian Development Corporation, the American Indian Policy Review Commission, the Association of Contract Tribal Schools, and the National Congress of American Indians are represented
  - The largest component of the Archives is the tribal files, which consist of significant and rare materials related to more than 300 tribes and document the Association’s work on local issues with the tribes
  - These files are organized alphabetically, initially by state and then by tribe, organization, or other subject

- **Native America: A Primary Record Series 3, Association on American Indian Affairs Archives, Publications and Legal Files, 1851-1983**
  - This set deals with legislation relating to Native American issues; selected milestone legal cases regarding Native American rights; AAIA program initiatives and publications;
AAIA's organizational files; and the files of AAIA directors over the course of the Association's history.
  o Data on legislation dealing with a broad range of Native American issues, as well as key legal cases on land and water rights, constitutional issues, and other important legal precedents.

• Records of Moravian Mission
  o This microform set covers the diaries of the Moravian missionaries activities at each place in the form of diaries, letters, church registers and catalogs, and other types of writings
  o Some of the information records information as far back as 1735
Health, Education, Physical Education and Recreation (HPER)

HPER Degrees Supported

Graduate Degrees
- Master of Arts in Physical Education (M.A.)
- Master of Arts in Teaching (M.A.T.) – Physical Education

Undergraduate Degrees
- Bachelor of Science in Physical Education – Exercise and Sport Science
- Bachelor of Science in Physical Education (K-12)
- Bachelor of Science in Athletic Training

Minors
- Physical Education
- Recreation
- Health Promotion
- Athletic Coaching

Primary Electronic Resources

- Physical Education Index
  - Covers all types of Physical Education literature including peer reviewed journals, trade magazines, and conference proceedings
  - Covers many aspects of physical education ranging from athletic training to sports law
  - Date coverage goes back to 1970
- Sport Discus with Full Text
  - This database covers both serial and monographic literature on sports, fitness, and related disciplines
  - Sport Discus covers 1985 to present for full text and indexes articles back to 1800 in some cases

Other Key Electronic Resources

- Biological Abstracts
  - Biological Abstracts provides citations and abstracts from over 4,000 biology and life science journals published worldwide
  - This resource has coverage from 1926 to the present with over 9.3 million records
  - Biological Abstracts is updated every 2 months with nearly 370,000 new citations added each year
  - Most new citations include an abstract by the author
- CINAHL plus with Full Text (Cumulative Index to Nursing and Allied Health)
  - CINAHL Plus with Full Text is the primary resource for nursing research. It provides full text for more than 750 journals.
  - This resource provides indexing for over 2,900 journals from the fields of nursing and allied health and contains. The database contains more than 1,000,000 records dating back to 1981
  - This database also provides full text for more than 220 books/monographs, nursing dissertations, selected conference proceedings, standards of practice, educational software, audiovisuals and book chapters
- In addition to nursing, CINAHL covers biomedicine, health sciences librarianship, alternative/complementary medicine, consumer health, and 17 allied health disciplines.
- CINAHL also contains Quick Facts and Evidence Based Care sheets

**Health Source: Nursing/Academic Edition**
- This resource provides nearly 550 scholarly full text journals focusing on many medical disciplines with indexing and abstracting for over 800 journals.
- Significant coverage of nursing and allied health subject areas.
- This database also includes the Lexi-PAL Drug Guide which covers 1,300 generic drug patient education sheets with more than 4,700 brand names.

**Science Citation Index**
- Indexes more than 6,000 peer-reviewed science journals, providing complete bibliographic data, full-length author abstracts, and cited references.
- Also provides access to cited references, the footnotes to a scholarly article.
- Indexes articles, bibliographies, book reviews, editorials, letters, meeting abstracts, notes, review papers, reviews of software, and more.
- The coverage for this resource begins in 1955.

**ScienceDirect College Edition**
- Journals coverage is current back to 1995.
- There are over 900 journal titles in Health & Life Sciences and over 650 in the Physical Sciences.
- The electronic books include Major Reference Works, Books Series, and Handbooks.

---

**Other Beneficial Electronic Resources**

- **Academic One File**
  - This resource is a multi-disciplinary full-text database.
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed.

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database.
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal.
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings.

- **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database.
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals.
  - Coverage from 1982 – present.
Covers the Biological and Agricultural index and Biological and Agricultural full text

**SpringerLink**
- This is a multi-disciplinary resource
- It contains full-text materials for journals and books published by Springer
- The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

**Wiley InterScience**
- This resource is multi-disciplinary with access to journals, electronic books and many other materials

**Library Journal Subscriptions**
- Exercise and Sport Science - 234 titles
- Nutrition and Food Service: 220 titles
- Public Health: 699 titles
- Many of the journal titles are available through electronic means, such as the previously mentioned databases or one of our journal subscription resources

**Ebrary (Electronic Books)**
- Multi-disciplinary collection of electronic books
- Contains approximately 42,000 individual titles from a variety of publishers
- There are 2,100 titles in Nursing and Allied Health
- Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

**Oxford Reference Online**
- Collection of electronic reference titles available from Oxford Publishing
- The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works, several in biology and the sciences

**Sage E-Reference**
- Collection of electronic reference titles available from Sage Publications
- Full text online books for several titles in health

**Library Monographs**
- The Library houses over 10,000 monographs related to Medicine and Nursing
- The Library contains over 3,800 items related to Health and Recreation
- The Library contains over 130 items related to Sports Medicine
Mass Communication Resources

Education Degrees Supported

Undergraduate Degrees
- Bachelor of Science in Mass Communication
  - Broadcasting Track
  - Journalism Track
  - Public Relations Track

Minors/Special Concentrations
- Broadcasting
- Journalism
- Public Relations
- Media Integration Studies

Primary Electronic Resources
- Communication and Media Studies Complete (CMMC)
  - Indexes over 400 journals with full text for approximately half of those titles
  - Major Indexing tool for mass communication
- Business Source Complete
  - Scholarly business database containing bibliographic and full text content
  - Contains indexing and abstracts for selected scholarly business journals, dating back as far as 1886
  - This resource has searchable cited references for over 1,200 journals
  - Business Source Complete contains detailed author profiles for the 40,000 most-cited authors in the database.
  - Non-journal content includes financial data, books, monographs, major reference works, conference proceedings, case studies, investment research reports, industry reports, market research reports, country reports, company profiles, SWOT analyses
  - Contains over 1,600 full text peer reviewed journals and approximately 800 books in full text as well as many other types of publications

Other Key Electronic Resources
- CQ Researcher
  - Provides information on current and controversial topics
  - All information is full text
  - Information goes back to 1991
- Historical New York Times
  - The Historical New York Times offers full page and article images
  - This resource is searchable back to the first issue
  - The collection includes digital reproductions providing access to every page from every available issue
  - Coverage begins with the September 18, 1851 issue
- America’s Newspapers
  - Contains full electronic editions of 827 newspapers in the United States
  - This resource is updated daily and is full text
• **Inter-university Consortium for Political and Social Research (ICPSR)**
  o This resource is an archive of computer readable social science data
  o ICPSR provides Web access to data files and documentation for use with statistical software, such as SAS, SPSS, and Stata
  o ICPSR data holdings contain some 6,300 studies and 500,000 files that cover a wide range of social science areas such as population, economics, education, health, social and political behavior, social and political attitudes, history, crime, aging, and substance abuse

• **JSTOR**
  o JSTOR is a multi-disciplinary resource
  o Coverage goes back to the mid-19th century in many cases
  o The collection brings together core titles in various disciplines

• **Lexis Nexis**
  o Provides full-text access to general, regional and international news, company news and financial information, legal information, and other topics such as biographical information
  o Covers many of the major news sources in the United States

---

**Other Beneficial Electronic Resources**

• **Academic One File**
  o This resource is a multi-disciplinary full-text database
  o Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

• **Academic Search Complete**
  o This resource is a multi-disciplinary full-text database
  o It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal
  o This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

• **OmniFile**
  o This resource is a multi-disciplinary full-text database
  o OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  o Coverage from 1982 – present
  o Covers the Humanities Full Text and Index
  o Covers the Education index and Education Full Text
  o Covers Reader’s Guide Full Text and Index

• **Social Sciences Citation Index**
  o Social Sciences Citation Index is a multidisciplinary database covering the journal literature of the social sciences
  o This resource indexes 1,700 journals spanning 50 disciplines

• **Sociological Abstracts**
  o Sociological Abstracts provides access to the world's literature in sociology and related disciplines, both theoretical and applied
  o Approximately 2500 journals in 30 different languages from about 55 countries are scanned for inclusion, covering sociological topics in fields such as anthropology, economics, education, medicine, community
development, philosophy, demography, political science, and social psychology

- **SpringerLink**
  - A multidisciplinary resource
  - Contains full-text materials for journals and books published by Springer
  - This resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

- **Wiley InterScience**
  - This resource is a multidisciplinary resource with access to journals, electronic books, and may other resources
  - It covers a wide variety of materials published by Wiley

- **Library Journal Subscriptions**
  - There are 152 titles related to Communications Studies
  - There are 214 titles related to Broadcast and Cinema

---

**Monographs**

- **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are approximately 2,600 titles in the Education subject area alone
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

- **Greenwood Digital Reference**
  - Covers a wide variety of subjects from Greenwoods Reference book collection
  - Topics include pop culture, sociology, education, and Native American studies

- **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works

- **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for over 80 titles

- **Library Monographs**
  - The Library contains over 500 monographs relating to Communication and Journalism
Mathematics and Computer Science Resources

Chemistry and Physics Degrees Supported

Graduate Degrees
- Master of Arts in Mathematics Education
- Master of Arts in Teaching – Mathematics Education

Undergraduate Degrees
- Bachelor of Science in Mathematics
- Bachelor of Science in Mathematics Education
- Bachelor of Science in Computer Science
- Bachelor of Science in Information Technology

Minors
- Middle Grades Licensure in Mathematics (6-9)
- Mathematics
- Computer Science – Programming
- Computer Science – World Wide Web
- Information Technology

Primary Electronic Resources

- **MathSciNet**
  - MathSciNet is the searchable Web database providing access to Mathematical Reviews and Current Mathematical Publications, produced by the American Mathematical Society
  - Coverage of some information goes back to 1940 in some cases
  - Current Mathematical Publications is a subject index of bibliographic data for recent and forthcoming publications

- **Applied Science and Technology Full Text/Index**
  - Contains full text of articles back to 1997
  - Covers literature in the area of applied science —acoustics to aeronautics, neural networks to nuclear engineering
  - Abstracts and indexing of nearly 800 periodicals as far back as 1983
  - The Retrospective covers information back to 1913 from the most important sources in the field. This database indexes over 850 periodicals, with citations to over 1,300,000 articles, including book reviews

- **Science Citation Index**
  - Indexes more than 6,000 peer-reviewed science journals, providing complete bibliographic data, full-length author abstracts, and cited references
  - Also provides access to cited references, the footnotes to a scholarly article
  - Indexes articles, bibliographies, book reviews, editorials, letters, meeting abstracts, notes, review papers, reviews of software, and more
  - The coverage for this resource begins in 1955
Other Beneficial Resources

- **Academic One File**
  - This resource is a multi-disciplinary full-text database
  - Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

- **Academic Search Complete**
  - This resource is a multi-disciplinary full-text database
  - It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journals
  - This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

- **OmniFile Full Text**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Biological and Agricultural index and Biological and Agricultural full text

- **Mary Ann Liebert**
  - Mary Ann Liebert publishes peer-reviewed journals, books, and trade magazines in the areas of biotechnology, biomedical research/life sciences, clinical medicine and surgery, alternative and complementary medicine, law, philanthropy, environmental science and sustainability

- **SpringerLink**
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

- **Wiley InterScience**
  - This resource is multi-disciplinary with access to journals, electronic books and many other materials
  - The Law and Criminology subject area has full-text for over 40 journals, over 30 electronic books

- **Library Journal Subscriptions+**
  - There are 631 titles that fall under the heading of Mathematics
  - There are 577 titles that fall under the heading of Computer Science
Monographs

- **Books 24x7**
  - Ebooks covering many subjects in the Information Technology/Computer Science field
  - Collection contains over 8,000 books

- **Ebrary (Electronic Books)**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are over 3,200 titles in the Physical Sciences area
  - There are approximately 3,000 titles in the Life Sciences area alone
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

- **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works, several in the sciences

- **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for several titles in the sciences

- **Library Monographs**
  - The Library physically has approximately 5,500 titles relating to Computer Science and Mathematics
Nursing Resources

Nursing Degrees Supported

Undergraduate Degrees

- Pre-Licensure Bachelor of Science in Nursing (B.S.N.)
- Registered Nurse (R.N.) to Bachelor of Science in Nursing (B.S.N.)

Primary Electronic Resources

- **CINAHL plus with Full Text (Cumulative Index to Nursing and Allied Health)**
  - *CINAHL Plus with Full Text* is the primary resource for nursing research. It provides full text for more than 750 journals.
  - This resource provides indexing for over 2,900 journals from the fields of nursing and allied health and contains. The database contains more than 1,000,000 records dating back to 1981.
  - This database also provides full text for more than 220 books/monographs, nursing dissertations, selected conference proceedings, standards of practice, educational software, audiovisuals and book chapters.
  - In addition to nursing, *CINAHL* covers biomedicine, health sciences librarianship, alternative/complementary medicine, consumer health and 17 allied health disciplines.
  - *CINAHL* also contains Quick Facts and Evidence-based care sheets.

- **Health Source: Nursing/Academic Edition**
  - This resource provides nearly 550 scholarly full text journals focusing on many medical disciplines with indexing and abstracting for over 800 journals.
  - Significant coverage of nursing and allied health subject areas.
  - This database also includes the *Lexi-PAL Drug Guide* which covers 1,300 generic drug patient education sheets with more than 4,700 brand names.

- **PEPID**
  - The Mary Livermore Library subscribes to the PEPID RN Student Clinical Companion Suite (RNSCC).
  - This resource can be used for clinicals, as a fast study aid.
  - PEPID contains comprehensive information with such topics as how to prioritize clinical tasks, the roles and clinical focus of the care team, and legal/ethical issues.
  - This resource contains information on nearly 2,300 disease and trauma topics with diagnosis, pathophysiology, treatment and disposition.
  - Most topics include Nursing Considerations that provide teaching and charting points.
  - Instant access to Immediate Lifesaving Protocols BLS, ACLS, ATLS, PALS, RSI, procedures, quick drugs and drips, toxidromes, and algorithms.
  - Contains pediatric information ranging from common complaints to life-threatening emergencies and trauma.
o Data in PEPID includes pediatric scores and scales, and a full range of weight-based drug dosing calculators to enhance your pediatric care and reduce errors
o This resource also contains information on Levels of Practice, Legal/Ethical Issues, Communication, Documentation, Medication Administration, Time Management/Prioritization of Tasks, and Roles and Clinical Focus
o PEPID data is enhanced with exclusive, nursing-specific procedures, which detail the exact role of nurses in real-world practice
o Also contained within this resource is a section on toxin identification, drugs of abuse, household and cleaning agents, plants, mushrooms and seafood, pest, rodent and herbicides, inhaled gases, heavy metals and caustics, medication overdoses and antidotes
o PEPID also contains over 600 high-resolution anatomical illustrations and rhythm strips
o The PEPID drug database - includes over 7,500 drug, herbal and OTC generic and trade names with extensive kinetics and mechanism of action information, adult and pediatric dosing with built-in dosing calculators (weight-based, body surface area-based, even IV drip rate calculators), overdose management, and trade/cost information

Other Key Electronic Resources

• Biological Abstracts
  o Biological Abstracts provides citations and abstracts from over 4,000 biology and life science journals published worldwide
  o This resource has coverage from 1926 to the present with over 9.3 million records
  o Biological Abstracts is updated every 2 months with nearly 370,000 new citations added each year
  o Most new citations include an abstract by the author

• Science Citation Index
  o Indexes more than 6,000 peer-reviewed science journals, providing complete bibliographic data, full-length author abstracts, and cited references
  o Also provides access to cited references, the footnotes to a scholarly article
  o Indexes articles, bibliographies, book reviews, editorials, letters, meeting abstracts, notes, review papers, reviews of software, and more
  o The coverage for this resource begins in 1955

• ScienceDirect College Edition
  o ScienceDirect College Edition covers Health and Life Sciences, Physical Sciences, and Social and Behavioral Sciences
  o Journals coverage is current back to 1995
  o There are over 900 journal titles in Health and Life Sciences and over 650 in the Physical Sciences
  o The electronic books include Major Reference Works, Books Series, and Handbooks

• PsychInfo
  o PsycINFO is the American Psychological Association's database, with over 2,000,000 records
- It covers the academic research and practice literature in psychology from over 45 countries in more than 25 languages
- PsycINFO includes relevant materials from related disciplines such as medicine, psychiatry, education, social work, law, criminology, social science, and organizational behavior
- It provides indexes to journals, dissertations, book chapters, books, technical reports, and other documents from 1887 to the present. Many journals are available in full-text

**MEDLINEplus**
- MEDLINEplus has extensive information from the National Institutes of Health and other trusted sources on over 500 diseases and conditions
- There are also lists of hospitals and physicians, a medical encyclopedia and dictionaries, health information in Spanish
- MEDLINEplus also contains extensive information on prescription and nonprescription drugs, health information from the media, and links to thousands of clinical trials.  
  (Source: vendor website)

**Other Beneficial Electronic Resources**

**Academic One File**
- This resource is a multi-disciplinary full-text database
- Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

**Academic Search Complete**
- This resource is a multi-disciplinary full-text database
- It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal

**OmniFile Full Text**
- This resource is a multi-disciplinary full-text database
- OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
- Coverage from 1982 – present
- Covers the Biological and Agricultural index and Biological and Agricultural full text

**SpringerLink**
- This is a multi-disciplinary resource
- It contains full-text materials for journals and books published by Springer
- The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online
• **Wiley InterScience**
  o This resource is multi-disciplinary with access to journals, electronic books and many other materials
  o The Law and Criminology subject area has full-text for over 40 journals, over 30 electronic books

• **Library Journal Subscriptions**
  o Nursing: 680 titles
  o Medicine: 2000 titles
  o Biology: 1600 titles
  o Many of the journal titles are available through electronic means, such as the previously mentioned databases or one of our journal subscription resources

  **Monographs**

• **Ebrary (Electronic Books)**
  o Multi-disciplinary collection of electronic books
  o Contains approximately 42,000 individual titles from a variety of publishers
  o There are 2,100 titles in Nursing and Medicine
  o Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

• **Oxford Reference Online**
  o Collection of electronic reference titles available from Oxford Publishing
  o The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works, several in biology and the sciences

• **Sage E-Reference**
  o Collection of electronic reference titles available from Sage Publications
  o Full text online books for several titles in health

• **Library Monographs**
  o The Library houses over 10,000 monographs related to Medicine and Nursing
Social Work Resources

Graduate Degrees
• Master of Social Work (M.S.W.)

Undergraduate Degrees
• Bachelor of Social Work (B.S.W.)

Minors
• Substance Abuse
• Social Welfare

Primary Electronic Resources

• Social Work Abstracts
  o This resource is produced by the National Association of Social Workers
  o This resource contains more than 35,000 records, spanning 1977 to the present, from social work and other related journals

• Social Services Abstracts
  o Social Services Abstracts indexes and abstracts over 1,600 current journals and other periodicals
  o Indexes articles, dissertations, and book reviews, in the disciplines of social work, human services, and related areas, including social welfare, social policy, and community development

• Sociological Abstracts
  o Sociological Abstracts provides access to the world's literature in sociology and related disciplines, both theoretical and applied
  o Approximately 2500 journals in 30 different languages from about 55 countries are scanned for inclusion, covering sociological topics in fields such as anthropology, economics, education, medicine, community development, philosophy, demography, political science, and social psychology

• SocINDEX
  o This resource contains for more than 1,200 "core" coverage journals dating as far back as 1895
  o In addition, this file provides data mined from more than 510 "priority" coverage journals as well as from over 2,920 "selective" coverage journals.
  o It also contains full text for 766 journals dating back to 1908 and includes full text for more than 820 books and monographs, and full text for 13,936 conference papers

Other Key Electronic Resources

• Contemporary Women’s Issues
  o Indexes material on women's issues with an emphasis on the international
  o Contemporary Women's Issues database provides access to global information on women. Journals, newsletters, research reports from non-profit groups, government and international agencies

• Family and Society Studies Worldwide
  o This resource provides coverage of research, policy, and practice literature in the fields of Family Science, Human Ecology, Human Development, and Social Welfare
  o Coverage spans from 1970 to the present, indexing publications from a wide range of social science disciplines
• This database indexes professional journals, conference papers, books, book chapters, government reports, discussion and working papers, statistical documents, theses and dissertations and other sources

**Inter-university Consortium for Political and Social Research (ICPSR)**
  o This resource is an archive of computer readable social science data
  o ICPSR provides Web access to data files and documentation for use with statistical software, such as SAS, SPSS, and Stata
  o ICPSR data holdings contain some 6,300 studies and 500,000 files that cover a wide range of social science areas such as population, economics, education, health, social and political behavior, social and political attitudes, history, crime, aging, and substance abuse

**LGBT Life with Full Text**
  o This database contains indexing and abstracts for more than 190 LGBT-specific core periodicals and more than 330 LGBT-specific core books and reference works
  o In addition it contains full text for more than 120 of the most important and historically significant LGBT journals, magazines and regional newspapers, as well as more than 140 full-text monographs/books
  o Disciplines covered include civil liberties, culture, employment, family, history, politics, psychology, religion, sociology and more

**PsycINFO**
  o PsycINFO is the American Psychological Association's database, with over 2,000,000 records
  o It covers the academic research and practice literature in psychology from over 45 countries in more than 25 languages
  o PsycINFO includes relevant materials from related disciplines such as medicine, psychiatry, education, social work, law, criminology, social science, and organizational behavior
  o It provides indexes to journals, dissertations, book chapters, books, technical reports, and other documents from 1887 to the present. Many journals are available in full-text

**Social Sciences Citation Index**
  o Social Sciences Citation Index is a multidisciplinary database covering the journal literature of the social sciences
  o This resource indexes 1,700 journals spanning 50 disciplines

**Other Beneficial Electronic Resources**

**Academic One File Academic One File**
  o This resource is a multi-disciplinary full-text database
  o Contains more than 12,000 journals, over 4,000 of which are full-text peer reviewed

**Academic Search Complete**
  o This resource is a multi-disciplinary full-text database
  o It contains over 6,100 full-text periodicals, including more than 5,100 peer-reviewed journal
  o This database also has indexing and abstracts for more than 10,100 journals and more than 10,600 publications including monographs, reports, conference proceedings

**Ethnic News Watch**
  o Covers major news outlets for Ethnic issues
• **OmniFile**
  - This resource is a multi-disciplinary full-text database
  - OmniFile contains full text articles, page images, article abstracts, and citations from over 4,000 journals
  - Coverage from 1982 – present
  - Covers the Social Sciences Full Text and Index
  - Covers Reader’s Guide Full Text and Index

• **JSTOR**
  - JSTOR is a multi-disciplinary resource
  - Coverage goes back to the mid-19th century in many cases
  - The collection brings together core titles in Art, History, and the Humanities
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

• **Springer Link**
  - This is a multi-disciplinary resource
  - It contains full-text materials for journals and books published by Springer
  - The resource currently offers over 1,250 fully peer-reviewed journals and more than 10,000 books online

• **Library Journal Subscriptions**
  - There are 152 titles under the Social Work subject heading
  - There are 695 titles under the Sociology subject heading

---

### Monographs

• **Ebrary**
  - Multi-disciplinary collection of electronic books
  - Contains approximately 42,000 individual titles from a variety of publishers
  - There are approximately 4,600 titles in the Literature and Linguistic subject area alone
  - Titles can be viewed or by using the Ebrary reader, limited printing and copying of material is possible

• **Oxford Reference Online**
  - Collection of electronic reference titles available from Oxford Publishing
  - The resource has over 175 fully-indexed, cross-searchable dictionary, language reference, and subject reference works

• **Sage E-Reference**
  - Collection of electronic reference titles available from Sage Publications
  - Full text online books for over 80 titles

• **Social Work Encyclopedia**
  - This is the key reference work in the Social Work field
  - It is available online and in print

• **Library Monographs**
  - There are approximately 5,800 titles that are linked to Social Work
Sociology/Criminal Justice Resources

Sociology/Criminal Justice Degrees Supported

Undergraduate Degrees

• Bachelor of Arts in Sociology
• Bachelor of Arts in Criminal Justice

Minors

• Community Development
• Criminal Justice
• Gender Studies
• Medical Sociology
• Sociology
• Substance Abuse

Primary Electronic Resources

• Criminal Justice Abstracts
  o Covers major areas of Behavioral Science, Economics, Political Science, Education, Law, Psychology, Social Work, and Substance Abuse
  o Has approximately 99,000 records
  o Coverage from 1968 – present
  o Indexes over 600 journals, many of which are peer reviewed
  o Accessible from on and off campus

• ForensicNetBase
