1. SCOPE

1.1 This policy governs the delegation of authority by the chancellor to certain university administrative officers to sign contracts involving the commitment of the financial, academic, and physical resources of The University of North Carolina at Pembroke ("UNCP"), including, but not limited to, purchases, use of facilities, sponsored programs, and other contracts requiring performance by UNCP.

1.2 This policy excludes the delegation of authority to hire any person into any type of employment, including but not limited to, faculty, EHRA professional and administrative appointments, full-time and part-time, temporary and permanent, students and non-students.

1.3 No delegation (or sub-delegation of authority, if authorized) to sign contracts that are covered by this policy is effective unless and until it has been reviewed by the Office of the General Counsel (OGC), signed by the chancellor (or, as to sub-delegation, signed by the vice chancellor delegating the authority), and published in this policy. Each delegation of authority stated herein is subject to and limited by the purchasing procedures and regulations that apply to UNCP.

2. WHO IS AUTHORIZED TO SIGN CONTRACTS

2.1 Full executive and administrative power is vested in the chancellor by N.C. General Statute §116-34(a) and Section 502A of *The Code* of the Board of Governors of The University of North Carolina. Inherent within this power is the authority to sign contracts binding UNCP. This authority is retained and may be exercised notwithstanding delegations of authority to sign certain contracts to other administrative officers.

2.2 The chancellor delegate's signatory authority to selected administrators pursuant to the procedure set forth in this policy. Vice chancellors may further delegate their authority to subordinates or other administrators unless the delegation of authority from the chancellor specifies otherwise, provided such delegation must be accomplished through the procedures stated herein.

2.3 UNCP does not recognize contracts signed by university employees as binding on the university unless the employee who signed the contract has duly delegated signatory authority. Section 3 of this policy sets forth the procedure for duly delegating and sub-delegating authority to sign contracts that will be recognized as binding on the university.

2.4 All contracts, except small purchases as defined by the NC Department of Administration, shall be reviewed and approved by the university director of Purchasing. All contracts, except athletics, referencing advertising and/or promotional materials shall be reviewed and approved by the Chief Communications & Marketing Officer before being fully executed. All contracts involving information technology shall be reviewed and approved by the university Chief Information Officer before being fully executed. All contracts involving university technology transfer program, such as licenses, options, confidentiality agreements, material transfer agreements and documents required by the US Patent and Trademark Office shall be reviewed and approved by the OGC before being fully executed.

2.4.1 All contracts submitted to the Purchasing Office for review and approval must be accompanied by 1). Department Contract Review Checklist; and 2). Contract Advisory form.

2.5 Employees who sign contracts purporting to bind UNCP without authority properly delegated under this policy may be personally subject to legal action by the contractor and may be subject to university disciplinary action.

2.6 The OGC maintains, and publishes on the UNCP website, a list of properly executed delegations of signatory authority. All previous and outstanding delegations of authority not listed therein are superseded and rendered void as of the effective date of this policy.

2.7 The procedure of small purchases and other purchasing procedures promulgated by the director of Purchasing, pursuant to the authority delegated by the chancellor and vice chancellor for Finance and Administration, shall remain in effect.

3. PROCEDURE FOR DELEGATION OF AUTHORITY TO SIGN CONTRACTS

3.1 All delegations of signatory authority must be in writing.

3.2 Delegations of signatory authority must be to positions, not to individuals. As of the effective date of this policy, any outstanding delegations to individuals are void, and must be reformulated in accordance with this policy.

3.3 A written delegation of signatory authority must include:

3.3.1. a description of the authority of the delegating office;

3.3.2. an express description of the scope, terms and limitations of the delegation of authority, including a description of the types of contracts the newly empowered office is authorized to sign; and

3.3.3. an express statement as to whether the office receiving the delegation has permission to further delegate that authority.

3.4 A copy of the delegation must be submitted to the OGC for review and publication on that office's website. The delegation will not become effective until published on the OGC's website.

3.5 A copy of the memorandum of delegation must be kept on file in the office of both the delegator and the delegate, if the two are not part of the same office.

4. ADMINISTRATIVE REVIEW

4.1 Persons wishing to enter into negotiations regarding contracts affecting any interest of UNCP, must have the cooperation and approval of any unit that may be directly or indirectly implicated in performance of the contract (i.e., financial considerations, telecommunications considerations, space considerations, etc.). More specifically, the party initiating the contract for the university is responsible for reading the contract entirely and determining that:

4.1.1. the contract language accurately reflects the current state of negotiations;

4.1.2. the contract meets programmatic and university mission requirements;

4.1.3. the contract is in the best interests of the university;

4.1.4. (s)he can ensure compliance with the obligations it places on the university; and

4.1.5. the contract is sufficiently clear and consistent.

4.2 The Attorney General's Office for the State of North Carolina has issued instructions mandating that certain "prohibited clauses" may not be included in any contracts into which a state agency enters. The OGC maintains, and publishes on the UNCP website, a list of the prohibited clauses. Review of a contract by the party initiating the contract for the university and the university director of Purchasing is intended to ensure that:

- 4.2.1. the contract does not contain any of the prohibited clauses;
- 4.2.2. it is consistent with federal and/or state laws;
- 4.2.3. it is consistent with UNCP policies and regulations;
- 4.2.4. risk management concerns have been reasonably addressed; and
- 4.2.5. to the extent possible, that it is consistent with any predecessor documents.

4.3 In accordance with NC General Statute §114-8.3, all proposed statewide and agency term contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars (\$1,000,000) must be reviewed by the OGC or designee to ensure that the proposed contracts are in proper legal form, contain all clauses required by law, are legally enforceable, and accomplish the intended purposes of the proposed contract.
